OVERALLS WORKING PANTS

Rip Proof Brand

JACKETS OVERALL SUIT

Regular Sizes of Overalls and Jackets.

Jackets run from 34 to 46 inches breast measure. Overalls from 30 to 44 inches waist measure and from 30 to 36 inches leg measure from crotch to heel. When ordering, give your breast measure for jackets and waist and inseam measures for overalls. See inside front cover page for measuring instructions. In writing your measurements in your order, give them like this: Breast, 38; waist, 34; leg measure, 32.

Every garment is sewed on a lockstitch machine and we guarantee it against ripping even with the roughest kind of wear. We will give a new pair free in exchange if any seam rips. Our RIP-PROOF Brand guarantee tag worded in this manner is attached to every garment.

Extra Large Sizes of Overalls and Jackets.

If your breast measure is larger than 46 inches, waist larger than 44 inches, or your leg longer th 36 inches, we will make garments to special order an extra charge of 15 cents on all garments under cents in price, and at an extra charge of 25 cents all garments of 50 cents or over. If you want ov alls in a size larger than 44 inche waist and lon than 36 inches leg, we charge double the extra char mentioned above.

Men's Shirts Made to Measure

Perfect Fit, Highest Quality and Entire Satisfaction Guaranteed

OUR complete new spring line of samples is now ready f **your inspection.** Better patterns, better qualities and bett values than we have ever been able to offer. Don't dela Write us a letter or postal card today and ask us to send y our Sample Book of Fabrics for Men's Made to Measure Shir We will at once send you, free of charge, our complete sample li of fabrics, together with style plates, tape measure, and our perfe self measuring plan, enabling you to order from us by mail shir made to conform exactly with your own measurements.

Our Made to Measure Shirt Department has met with wonde ful success, and we already have the names of thousands of sati fied customers in the special file kept in this department. We ke a careful record of your measurements, thereby saving you t trouble of remeasuring whenever you wish to reorder shirts. Wh your first order is received your measurements are put on fi under your special number and when you reorder all you need is select the fabrics you wish, send us the pattern numbers, a say, "Make my shirts according to measurement number so a so," and we will know exactly what size and pattern to use.

Not only do we make shirts for the man who finds it next to impossible to buy ready made shirts that will fit him, but we al make shirts for the discriminating man, the man of fine taste who wants something a little different, either in style, make pattern, from what can be bought in ready made shirts.

We will make shirts in any style from the patterns you may select from our sample line. You can have your shirts ma regular or coat style; attached, detached or soft cuffs; collarband style or attached soft collar; plaited, stiff, negligee, or, in fa any style of bosom. Simply tell us how you want your shirts made, send us your measurements and our expert shirt make will do the rest. Our Sample Book of Fabrics for Men's Made to Order Shirts explains all. Be sure to write for this book.

The materials you select from our sample line will be cut over a pattern conforming exactly with the measurements you gi us. We have expert shirt makers employed in our Made to Order Shirt Department, men who know how to cut and make a shi perfectly and in exact accordance with the measurements given them. Our perfect self measuring plan is so simple that anyo can take measurements easily and accurately without having had any previous experience; thus an absolutely perfect fit is guara teed. We also guarantee the highest quality custom hand workmanship and finish, the same grade of workmanship you wou get in large cities at about double our price. We make three shirts to order for $5.00 and others at higher prices. Our Speci Sample Book of Fabrics for Men's Made to Order Shirts shows the different materials and styles.

Our New "Cornwell" Line of Hats

The tremendous success of this line of hats this past season has enabled us to make them even better, if possible, for the coming season than they were before. We are making these hats of the very finest imported fur and control the manufacture of them from the fur clear to the finished article. They are made for us exclusively by the best hat makers, made under our own brand, and controlled exclusively by us. The quality and finish of the trimmings used on these hats is the very finest, and we know that it is the best line of hats sold anywhere in this country for less than **$3.00** each.

Made especially for us by the best hat factory in America.

CONVINCER SHOE COLORS

No. 15H2527 **17c** **The Tube**

You can make your white velvet, canvas, silk and satin shoes look bright and new. Twelve colors to select from. Absolutely fast.

No. 15H2527 **17c** **The Tube**

Yellow, Champagne or Linen, Light Green, Purple, Salmon or Helen Pink, Light Brown, Old Rose, Rose, Pink, Cadet Blue, Light Blue, Navy Blue or Gray.

We are greatly pleased to bring to our trade a preparation for coloring white canvas, silk, satin and velvet shoes in absolutely fast shades to match party dresses, suits or gowns. We have hesitated to offer one in the past because we could not find anything we could recommend as being satisfactory, but we highly recommend Convincer Shoe Colors and assure you that they will give you satisfaction in every respect. Convincer Shoe Colors make old shoes appear as bright and clean as a new pair. Cost is small. Colors absolutely fast.

Shoes of dark shades cannot be dyed in any light colors. Light colored shoes can be dyed in any shade darker. Dark shoes can only be dyed in darker colors. Full directions for dyeing on box. Shipping wt., 5 oz.

No. 15H2527 The tube..... **17c**

HOW OUR CONVINCERS CONVINCE.

Lawrenceville, Ill.

Sears, Roebuck and Co., Chicago, Ill.

Dear Sirs:—I have worn your shoes for the last two years and they are good ones yet. They have cut my shoe bill down about three-quarters what it used to be. A pair of shoes usually lasted me about three or four months; now they last me about two years—that is the difference. IRA L. HURST.

1208 S. Cedar St., Lansing, Mich.

Sears, Roebuck and Co., Chicago, Ill.

Gentlemen:—In reference to the pair of Convincer Shoes that I purchased of you nearly one and one-half years ago, would say, they are as good as other people charge $3.50 and $4.00 for. Have given splendid satisfaction. JEROME DELONG.

Somerville, Tenn.

Sears, Roebuck and Co., Chicago, Ill.

Dear Sirs:—I have worn a pair of the Convincer Shoes constantly for the past four months and can say I never wore a more pleasant shoe. With this mail have ordered another pair. J. M. CULBREATH.

Kestler, Ga.

Sears, Roebuck and Co., Chicago, Ill.

Gentlemen:—I received the shoes all O. K. I have been buying them for five years. They are the best shoes I have ever bought anywhere. They can't be beaten anywhere. Keep on making them. They are the only kind I want. SAMUEL W. WHITE.

---

4 Vine St., Salem, Ohio.

Sears, Roebuck and Co., Chicago, Ill.

Gentlemen:—I received a pair of your Convincer Shoes three months ago and am well pleased, as they fit my feet better than any shoe I ever before owned at any price.
W. J. WARD.

Robert Lee, Texas.

Sears, Roebuck and Co., Chicago, Ill.

Dear Sirs:—I have just used one pair of shoes (Convincer) for one year. I would challenge any other shoe made for comfort, durability and style. They are worthy of attention and a trial of all shoe users.
T. J. RANKIN.

PROOF FROM WEARERS

Burdett, Kan.
Sears, Roebuck and Co., Chicago, Ill.
Dear Mr. Profile:—Have worn these shoes every day for nearly eighteen months and am wearing them yet. They have made good your guarantee once and a half over. The best work shoe I ever had. Am ordering another pair just like them.
H. B. YORK.

Prospect, Ohio.
Sears, Roebuck and Co., Chicago, Ill.
Dear Mr. Profile:—I bought a pair of your shoes a year ago and they have proved satisfactory. I am a farmer and have worn them steadily with the same soles I bought on them. I will never wear any but the Profile.
J. W. SPAWN

Lucas, Kan.
Sears, Roebuck and Co., Chicago, Ill.
Dear Mr. Profile:—I purchased a pair of your shoes and have worn them for thirteen months of hard work. I am a farmer and have worn them every day and am pleased to say that they are all that you recommend them to be. I expect to wear them for six months yet.

Whittemore's Dressing, 18 Cents.

REGULAR 25-CENT SIZE.

No. 15H2010 Ladies' Gilt Edge Shoe Dressing is very useful for a great many things besides shoes. It will make your old rubbers, shopping bags and black kid gloves look equal to new. (Unmailable.)

Price, per bottle....18c

Waterproof Polish, 11 Cents.

ALSO ELSEWHERE FOR 25 CENTS.

No. 15H2016 Convincer Waterproof Polish is the only polish that is absolutely waterproof, produces a jet black polish without brushing. Men or boys who dislike rubbers should use this, as it sheds water like a duck. (Unmailable.)

Price, per bottle.....11c

Smith's Lily White Dressing, 7 Cents.

No. 15H2019 Smith's Lily White is a splendid dressing and cleaner, made especially for white canvas and duck shoes, and all articles made from white canvas or duck. Produces an excellent, clean, bright surface, obtained by no other dressing at a similar price. (Unmailable.)

Price, per bottle.....7c

Convincer Polish.

Combines the quality of liquid and paste polish. Never hardens or cracks on the leather. Shipping weight, 4 ounces.

No. 15H2032 ..... 5c

No. 15H2033 ..... 5c

Lamb's Wool Slipper Soles.

The best ever produced and are preferred by most women for crocheted and knit and toilet slippers. Unlike all others, the stitch or cord of this sole is exactly on the upper edge. The needle can thus be thrust directly through the meshes of the stitch and not on an angle, with the risk of breaking the needle, as with other soles where the cord is too far over the edge. Shipping weight, per pair, 3 ounces.

No. 15H2176 Men's sizes, 6 to 11. Price, per pair.....27c

No. 15H2178 Women's sizes, 3 to 7. Price, per pair.....19c

COBBLERS' OUTFIT $2.00

The Most Complete and Reliable Outfit You Can Buy

IT IS WASTING MONEY TO BUY AN INCOMPLETE OUTFIT, ONE THAT IS PRACTICALLY WORTHLESS WHEN IT COMES TO SERVICE.

Our aim is not to give you an outfit containing the most articles for the smallest amount of money, but one which is better than any other on the market and cheap at the price, an outfit that both you and ourselves can be proud of.

Combination Shoe, Harness and Tinners' Outfit, $2.00

Before getting out this big high grade outfit, we purchased the best outfits advertised by other leading houses at $2.25 to $3.00, and we found the best outfit in the lot compared with our big $2.00 outfit about as follows:

OUR HAMMER is made of the best forged steel, the other outfit contained a worthless cast iron hammer costing 48 cents a dozen.

OUR KNIFE costs as much as two of the other knives.

OUR SOLDERING IRON is extra heavy, the other light and worthless.

OUR RIVETING MACHINE is high grade and practical, the other is almost worthless. We found the same comparison on almost every item that went into the outfit. The best outfit we found put up in a cheap, common box, while ours goes into a handsome, stained, hinged tool chest.

OUR BIG $2.00 OUTFIT is the only thoroughly reliable and practical outfit on the market for repairing of boots, shoes, harness and tinware, all high grade, standard tools and furnishings.

EVERY ARTICLE contained in this outfit is the best money can buy, suitable for the best shoemakers', tinners' and harness makers' use. We guarantee each and every tool to be of the best quality and to give the best of satisfaction. The tools are made by the best manufacturers of the highest grade of tools. The outfit is not composed of worthless cast iron hammers, worthless rivetters, knives that will not keep an edge, soldering irons too light to hold the heat and do the work. It is put up on honor, containing only carefully selected tools of the highest standard offered in any combination outfit.

No. 15H3001½ Shipping weight, 27 pounds. Price..... **$2.00**

THIS OUTFIT IS ACTUALLY WORTH A GREAT DEAL MORE THAN ANY OTHER OUTFIT EVER PLACED UPON THE MARKET.

OUR OUTFIT CONTAINS THE FOLLOWING ARTICLES, EVERY ONE GUABANTEED TO BE BETTER THAN YOU CAN PROCURE ELSEWHERE:

"ROYAL" PLAIN WHITE CHINA DINNER SET $7...

This set is made of the very finest quality of selected pure white translucent "Royal Austrian" china (Porzellan-Fabrik "Victoria"). Every piece has a graceful festooned edge, daintily embossed. This embossing is just heavy enough to take away the severity of the plain edge without sacrificing any of its simplicity or elegance. The ornamental handles on the covered ware are richly embossed, as are also the handles on the platters, open vegetable dish, etc. We want to call your attention to the quality of this china. Every piece is guaranteed first quality. It is light and translucent, yet very strong and tough. It is pure white in color with a fine glaze. We guarantee this set to contain only first quality selected china.

GOLD BAND CHINA DINNER SET BAND OF BRIGHT GOLD ON EDGE WITH GOLD HAIRLINE $12...

White and gold dinnerware is as popular today as it was in the days of our grandfathers. It always harmonizes with a room decorated in any color. The highest priced Haviland ware is made with a gold band decoration. This set is made of the finest pure white translucent "Royal Austrian" china with a brilliant glaze. It is light and thin yet very strong and durable on account of its superior quality. It is perfectly modeled in attractive plain edge shapes. The decoration consists of a broad burnished coin gold band with a delicate hairline of bright gold inside the gold band. The handles are hand traced with burnished coin gold. It is an impossibility to adequately convey to you the attractiveness and refinement of this set on paper.

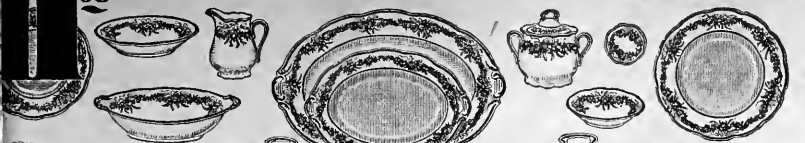
98 FESTOONED PINK ROSE BORDER

FRENCH RIBBON BOW KNOTS
DOUBLE GOLD TRIMMED

DINNER SET



An exceptional value in a genuine "Royal Austrian" china (Porzellan-Fabrik "Victoria") Dinner Set. The decoration consists of a complete flower border around each piece composed of festooned garlands of small pink roses and their delicate green leaves. In the background is a very soft and delicate French gray band entwined in the foliage. This band connects small ribbon knots from which hang the rose garlands. This decoration is a copy of one of the finest Haviland patterns and it is impossible to show its daintiness and beauty in an illustration. The gold treatment on this set is especially elaborate, consisting of bread edge of burnished coin gold on every piece, with an additional gold line around the center of all of the platters and plates and also around tops of the covered ware. The ornamental handles are hand traced with burnished gold. Finest "Royal Austrian" china, light in weight and translucent, yet very strong and durable. Delicately festooned and embossed edges.

For list of pieces in these sets see page 404.

28.95 14-KARAT GOLD INCRUSTED DINNER SET

SOLID MATTE GOLD HANDLES

We consider this Dinner Set the greatest bargain in high grade china dinner sets that we have ever been able to offer. It is in every respect equal, if not superior, to the finest French incrusted ware. The body of this set is made of the finest "Royal Austrian" china (Porzellan-Fabrik "Victoria") in the plain edge shape. Each piece is absolutely pure white in color, translucent, perfect in shape, richly glazed, strong and durable. The decoration on every piece, including the covers, consists of a band (¼ inch wide) of 14-karat yellow Roman gold, incrusted with an imperial laurel leaf. Inside of this gold incrusted edge is a yellow gold hairline. The handles are solidly covered with 14-karat yellow Roman matte gold. A Haviland 100-piece incrusted set which is no better than this set would cost you $80.00 or $100.00.

100-PIECE **"L'AIGLON"** PINK ROSE AND FORGET-ME-NOT BORDER **DINNER SET**

$21.75

A VERY SPECIAL BARGAIN.

Here is a regular $40.00 Dinner Set which we are offering as a leader at $21.75, about one-half the regular price. A genuine Haviland set for the price of German china. Such an opportunity may never occur again. This very attractive set is decorated with a border of beautiful pink roses and dainty forget-me-nots interwoven with a delicate green leaf background. A small wreath of the same flowers forms a medallion which ornaments the center of each piece. The handles are decorated and stippled with yellow gold. Each piece is daintily scalloped and embossed, which adds to the beauty of the set. The ware is light and thin, yet is as strong and durable as those twice as thick. Made from the genuine Haviland white translucent china.

GENUINE HAVILAND HAND PAINTED CHINA.

This is the first time that there has ever been offered to the public individual pieces of Haviland china in hand painted designs. Each piece described below has been painted over nd retouched by an artist who signs each piece with his name. These pieces are made of the finest selected pure white Haviland china and the decorations are very artistic in design and ve that wonderful softness and delicacy of coloring for which fine French hand painted china is so famous. Each piece is trimmed with 14-karat gold band edge.

SOLID BRASS EXTENSION HANGING LAMPS

ALL OF THE LIBRARY LAMPS ARE FITTED WITH 28-INCH EXTENSIONS

which allow the lamp to be raised or lowered a distance of 3 feet. All the metal parts of our hanging lamps, the frames, ornaments, ceiling plates, collars, smoke bells, etc., are made of solid brass (not bronze metal, a composition made in imitation of brass, costing one-third what brass costs). Weights quoted are on lamps packed for shipment.

BRIGHT-AS-DAY" INCANDESCENT KEROSENE MANTLE LAMP

ne Cheapest, Cleanest and Most Powerful Oil Light Ever Invented

oes Twice as Much Light as a Regular No. 2 Center Draft Lamp at One-Third the Cost.

Burns Sixteen Hours on One Quart of Kerosene.

COSTS LESS THAN ONE-FIFTH OF A CENT AN HOUR.

AN ABSOLUTE GUARANTEE ACCOMPANIES EACH LAMP.

WE OFFER THESE LAMPS FOR SALE WITH OUR ABSOLUTE GUARANTEE THAT IF YOU ARE NOT SATISFIED WITH THIS LAMP FOR ANY REASON YOU CAN RETURN IT TO US AND WE WILL RETURN YOUR MONEY. WE GUARANTEE THAT EVERY LAMP SENT OUT BY US WILL DO EVERYTHING THAT WE CLAIM FOR IT. WE GUARANTEE THAT IT WILL DEVELOP THE CANDLE POWER, GIVE THE QUALITY OF LIGHT AND BURN ONLY THE AMOUNT OF OIL THAT WE STATE. WE GUARANTEE THE MATERIAL AND WORKMANSHIP, PRACTICABILITY AND RELIABILITY OF THIS LAMP.

HAT IS IT?

What is the "Bright-as-Day" Incandescent Kerosene Mantle Lamp? It is enter draft kerosene lamp in which the kerosene on the k is converted into a gas which is burned on an incandescent ntle instead of the old way of burning the kerosene oil lf upon the wick. This kerosene gas, due to the perfect accurate workmanship of this lamp, is automatically mixed the proper amount of air. No adjustment on the part the user is necessary. The only thing that the user has do to make this lamp burn is to light it and turn the k up or down according to the amount of light desired. n lit the lamp gives off a brilliant, soft, steady, powerful te light. This lamp contains all the advantages of a ular No. 2 center draft lamp, while at the same time giv- three times as much light at less than one-half the cost.

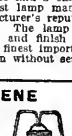
RILLIANCY AND CANDLE POWER.

re is no known table light that can compare in brilliancy candle power with the "Bright-as-Day" Incandescent ntle Mantle Lamp. It is the most powerful white light in dence. In advertising lamps and various styles of light, all de of claims of great candle power are made, but by actual ometric tests the "Bright-as-Day" Incandescent Kerosene Lamp gives three times as much light as the standard 2 center draft kerosene lamp, which is advertised as a -candle power lamp. It gives four times the light of an inary gas burner. It gives five times the light of an inary electric lamp. It gives the highest grade light and s the cheapest fuel.

SOLUTELY SAFE.

There is not the slightest danger connected with the operation of "Bright-as-Day" Incandescent Kerosene Mantle Lamp. We e put it to every known test. Our experts have been studying this lamp for over a year and have failed to find a single k point. It is made by the world's greatest lamp manufacturer located in New England. The manufacturer's reputation and our reputation guarantee this lamp. The lamp is de mechanically correct. The workmanship and finish on lamp are the very best. We use only the finest imported man mantles. The wicks are specially woven without seam prevent uneven edges.

INCANDESCENT KEROSENE CAP MANTLE.



Made in Germany by the world's greatest erosene mantle manufacturer. It is worth ur times any domestic mantle. It lasts nger, gives more light, is more uniform in tze, shape and quality and will not shrink. ntels of this make have been in constant use for one to two years and are still t use, showing apparently no depreciation amount of light. The glow and color of is mantle are scientifically correct, produc- g a brilliant, soft, restful light.

No. 35H8892 Incandescent Kerosene Mantle, mounted on heat resisting wire and brass cap ase. Price.....19c

SIMPLICITY AND PRACTICABILITY.

The "Bright-as-Day" Incandescent Kerosene Mantle Lamp is the latest scientific development of oil illumination. It holds the same relative position to oil that the incandescent gas mantle does to gas illumination and the Tungsten burner does to electricity. If you are using or are going to use kerosene oil, why waste your time and your money on the old fashioned center draft or flat wick burner when you can buy an incandescent kerosene mantle lamp that will give three times as much light at **one-half** the cost. This lamp is the simplest, most economical and most powerful light producing lamp in the world.

CHEAPNESS OF OPERATION.

This is the very cheapest light in the world. It costs less to operate this light than it costs to operate any other light. This lamp will pay for itself in a short time by the saving it will make in your oil bill. It costs **one-third** what a gas light would cost, **one-fourth** what an electric light would cost, and **one-half** what an ordinary center draft oil lamp would cost. "Bright-as-Day" lamp burns only one quart of common kerosene oil in sixteen hours. The ordinary standard No. 2 center draft lamp will burn a quart of kerosene oil in seven and one-half hours. Figuring the cost of common kerosene oil at 12 cents a gallon (it can be bought in many places for 8 or 10 cents) the "Bright-as-Day" lamp will burn sixteen hours on 3 cents' worth of oil. It will burn two and one-fourth hours every night for one week at a total cost for the week of 3 cents, which makes a cost of two-fifths of a cent for each night.

HEALTHFULNESS AND CLEANLINESS.

Do you value your eyesight and are you tired of the old smoky kerosene lamp which dirties the chimney and covers the table with soot? Because, if you are, here is a fine, steady, powerful white light, absolutely clean and extremely cheap. It will not flicker as will an ordinary kerosene lamp, and every eye doctor will tell you that the best light for the eyes is a steady, even light. If you value cleanliness, here is a light that is absolutely odorless and will not smoke even when turned low. It will not creep (that is, the light get higher and require continual turning down) after it has been burning ten minutes. It is therefore the ideal light for your home in the evening. The glow and color of the "Bright-as-Day" Incandescent Kerosene Mantle Lamp is scientifically correct, producing a brilliant, soft, restful light. People who heretofore could read or sew only a short time when using gas or electricity or ordinary oil lamps can continue for hours without tiring or injuring the eyes when using the "Bright-as-Day" Incandescent Kerosene Mantle Lamp.

LAMPS FOR ALL OCCASIONS.

We offer a variety of styles, so that whether you want a table lamp, hanging lamp, library lamp or bracket lamp you can obtain the best lamp in the world, namely, the "Bright-as-Day" Incandescent Kerosene Mantle Lamp in any of these styles. These lamps are suitable for all places where kerosene oil is used, either homes or public buildings. Full instructions accompany each lamp.

OUR PRICES ARE FOR THE LAMPS COMPLETE, just as illustrated. Every lamp is ready for use. All you have to do is put in the oil and light it. There are no additional parts to buy.

"BRIGHT-AS-DAY" TABLE LAMP.

As a reading or sewing lamp it is unequaled. Made of heavy solid brass, richly nickel plated and brilliantly polished. It is fitted with center draft incandescent kerosene mantle burner. The "Bright-as-Day" Oil Fount will fit any hanging lamp, harp or bracket that has a detachable fount. This fount has a ridge around the center to hold it in any harp and a detachable base which screws on a bracket or hanging lamp frame.

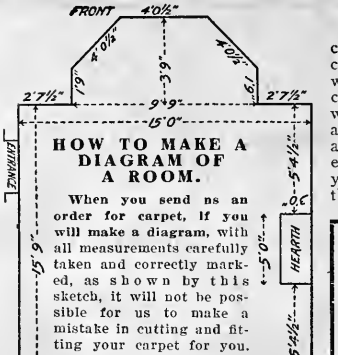
HOW TO ORDER CARPET

In ordering carpet be careful to give the exact size of room or rooms. If an odd size, having a fireplace, bay window or offset, be sure to send a diagram with exact measurements, also be sure to state where entrance and front of room is, and allow 1½ yards extra to every 25 yards for waste in matching. **State whether you want the strips to run the long or short way of the room.** We always cut the carpet to the best advantage when no instructions are given.



HOW TO MAKE A DIAGRAM OF A ROOM.

When you send us an order for carpet, if you will make a diagram, with all measurements carefully taken and correctly marked, as shown by this sketch, it will not be possible for us to make a mistake in cutting and fitting your carpet for you.

We cut all carpets to match free of charge. We strongly advise having your carpets cut by us, as there will be less waste and better matching if we cut the carpet for you, for the reason that where we are cutting up hundreds of rolls we can always make a saving of waste by cutting and matching from several rolls, and in every case where we use less than 1½ yards waste to every 25 yards we will return the difference.

SPECIAL NOTICE!

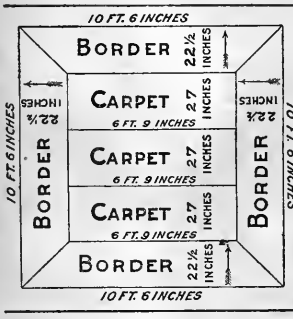
ALWAYS ALLOW FOR WASTE.

When ordering carpet always allow for waste in matching the pattern. For example, if you wish to cover a room measuring 25 yards, order 26½ yards, for, although 25 yards will actually cover the room, the pattern will not match; therefore, 1½ yards extra is needed to match the pattern exactly. Always order 1½ yards extra for every 25 yards required by actual measurements if you want the pattern to match at the seams.

PRICES FOR SEWING CARPET

For 2 cents a yard extra we will cut, match and sew **Ingrain, Rag or Granite Carpet** to fit any room. **For 3 cents a yard extra** we will cut, match and sew any of our **Brussels, Velvet or Axminster Carpet** to fit any room.

For 10 cents a yard extra we will cut, match and sew any **Brussels, Velvet or Axminster Carpet ordered with a border.**



ORDERING CARPET MADE WITH A BORDER

When ordering carpet made with a border be sure to allow enough money to pay for same, as it will avoid any delay in writing for money to cover cost of goods. Remember, the border is only 22½ inches wide. The body of the carpet is 27 inches wide. The diagram shown is of a room 10 feet 6 inches by 10 feet 6 inches.

Measure the distance around the room, which gives the quantity of border required. In this instance it would be four times 10 feet 6 inches, or 42 feet, which is 14 yards of border.

To get the number of strips of carpet, deduct the width of two strips of border, or 45 inches from 10 feet 6 inches, which leaves 6 feet 9 inches, or 81 inches. Dividing by 27 inches (the width of one strip of carpet), gives the number of strips needed.

To get the length of the strips, deduct width of two strips of border, or 45 inches from length of room, 10 feet 6 inches, which is 6 feet 9 inches. Three strips 6 feet 9 inches long would be 20 feet 3 inches, or 6¾ yards.

Allowing 1½ yards for matching would make the carpet and border required to fit a room 10 feet 6 inches by 10 feet 6 inches—22¼ yards. The cost of sewing carpet with border is 10 cents a yard extra.

If a certain number of strips of carpet do not fill the width of your room, and the remaining space to be covered is less than 13 inches wide, you must allow an extra strip of carpet one-half the length of the room. If more than 13 inches remain to be covered allow a full length strip of carpet extra.

THIS TABLE SHOWS HOW MUCH CARPET YOU NEED

If the size of your room is not given in this list allow enough money for the next larger size. We will cut the carpet with the least possible waste and return whatever balance is due you at the time the shipment is made. The necessary waste for matching has been included in the figures given below. When sending a drawing of any room, locate front of house, doors and bay window if any.

HOW TO GET CARPET SAMPLES

We illustrate and describe fully the various kinds of carpet we furnish, and we also show the general color effect. You can readily make your choice from this catalog without samples, besides we guarantee to satisfy you in every way. But if you prefer to see samples of carpet just write and say, "Send me a sample showing the quality of your carpet No. ———," giving the catalog number of the carpet you wish to see, and we will immediately send the sample, postage paid.

We do not sample Hemp and Rag Carpet, Mattings of any kind or Rugs. Our descriptions and illustrations enable you to order these satisfactorily without samples, and we guarantee absolute satisfaction or your money back. You can save time by selecting and ordering your carpet from this Big Catalog.

SIZING OF RUGS

When ordering a carpet and border to be made up as a rug we will apply special sizing at 5 cents per yard extra.

ADVANTAGES OF SIZING. We strongly advise having us apply sizing to your rug, as it will lie flat on the floor and not curl up after this sizing has been used. The sizing we use consists of a high grade glue which has no odor to it. Remit 5 cents per yard extra and be sure to state in your order that you wish to have this work done.

MITERED MATS OR RUGS

When ordering carpet and border there are always ends of the border left, which we will sew up into a mat or small rug at $1.00 extra. These mats when made up this way look very pretty and can be used to good advantage in bedrooms and odd corners. If you order a bordered carpet or rug and you wish us to make up the ends of the border into a nice mat, just state so in your order, remitting $1.00 extra, and we will be pleased to make up a pretty mat that is bound to please you. Easily worth double the price.

CARPET REMNANT RUGS

As we cut enormous quantities of carpet of all grades we naturally have a lot of remnants left over which we cut into 1½-yard lengths and finish with a good quality worsted rug fringe at both ends. We make up these rugs from 27-inch carpet and 22½-inch border, all perfect goods, and they range in quality from our medium priced Tapestry Carpet to our best Wilton and Axminster Carpet. Can be used to good advantage in any part of the house.

An extra quality Smyrna Rug, wool faced on both sides. A beautiful Navajo Indian design and color effect. Will give excellent service.

Our Reliance Velvet Rug.

No. 37H6160 Size, 27x54 inches. Price.....**$1.29**

Extra heavy quality Velvet Rug, made of good wool yarns, and well colored. It is an extraordinary value and retails at about $1.50 each elsewhere.

It is the fashion nowadays to use quite a number of small rugs distributed tastefully about the floors. These special designs lend themselves admirably to such a plan.

Best Grade Axminster Rug.

No. 37H6180 Size, 27x60 inches. Price.....**$1.95**

"Mary Had a Little Lamb," reproduced in the beautiful colored worsted yarn of this Axminster Rug, ought to find a welcome in every home. We have sold large numbers of this design and it is growing in popularity every day. The quality and price are both in line with our policy of the best merchandise for the least money, or your money returned.

Best Grade Axminster Rug.

No. 37H6200 Size, 27x60 inches. Price.....**$1.95**

One of the most durable rugs on the market. Manufactured from the very best stock obtainable, with heavy thick pile, giving it a pleasing finish. The design of a cat and St. Bernard dog in the garden, all in natural colors, has made this one of the most attractive rugs in our line. A particularly good design for filling in empty spaces.

Best Grade Axminster Rug.

No. 37H6300 Size, 27x60 inches. Price.....**$1.95**

A very pretty rug, manufactured of the very best worsted stock; has a heavy thick pile and will give lasting service. We predict this unique design will be one of the biggest sellers in our entire line. It lends itself exceedingly well to a variety of purposes in the home to fill the vacant places or for children's rooms. **Be sure to order one.**

Finest Quality Smyrna Rugs.

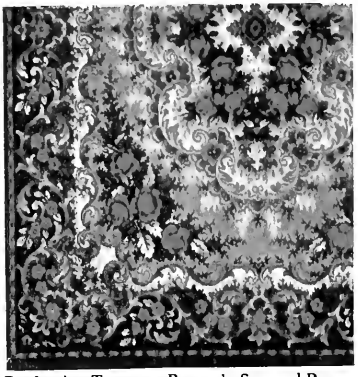
These Neirbo Brussels Rugs are a high class fabric made especially for our own trade. They cannot be purchased elsewhere. Construction of these rugs is exceptionally good, as they are made of unusually well selected yarn, thoroughly cleaned and well colored. Their appearance will quickly prove to you that Neirbo Brussels Rugs are greater values in style and quality than any other Tapestry Brussels rugs on the market elsewhere. You take no risk when you order these goods, as we guarantee them to please you in every way, and we will cheerfully refund the purchase price and any transportation charges you may have paid. Directly to the right of this description we show No. 37H8240, which is another design and color effect in this grade.

Perfection Tapestry Brussels Seamed Rugs.

No. 37H8120 [illegible] W [illegible] $5.75
No. 37H8121 [illegible] W [illegible] 7.00
No. 37H8122 [illegible] W [illegible] 9.45
No. 37H8123 [illegible] W [illegible] 11.50
No. 37H8124 Size [illegible] W [illegible] 15.75

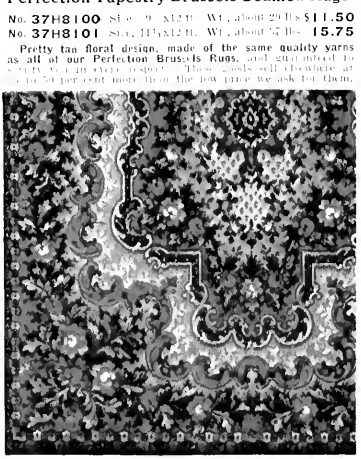
[illegible] of our most popular selling designs in this grade.



Perfection Tapestry Brussels Seamed Rugs.

No. 37H8100 Size, 9 x12 ft. Wt., about 29 lbs $11.50
No. 37H8101 Size, 11½x12 ft. Wt., about 37 lbs 15.75

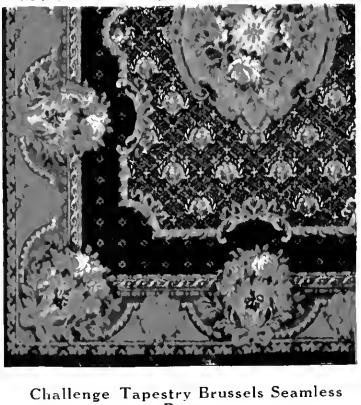
Pretty tan floral design, made of the same quality yarns as all of our Perfection Brussels Rugs, and guaranteed to [illegible] in every respect. These goods sell elsewhere at 40 to 50 per cent more than the low price we ask for them.



Neirbo Tapestry Brussels Seamed Rugs.

No. 37H8240 Size, 9 x12 ft. Wt., about 1 lbs $11.35
No. 37H8241 Size, 11½x12 ft. Wt., about 6 lbs 14.25

This is the same fine quality as our No. 37H8220 shown to the left. Made of selected fine yarns and guaranteed to give the best of satisfaction. While this style is sold only by us at a price, elsewhere the retail price for the 9x12 foot size would be $15.00.



Challenge Tapestry Brussels Seamless Rugs.

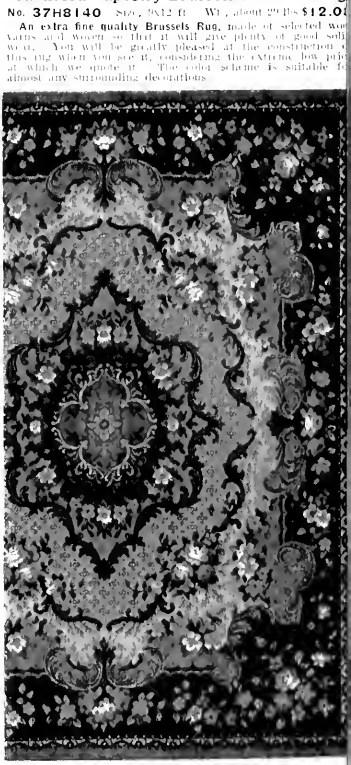
No. 37H8180 Size, 9 x12 ft. Wt., about 1 lbs $12.25
No. 37H8181 Size, 11½x12 ft. Wt., about 6 lbs 15.80

Handsome rugs at the low price. Constructed of fine [illegible] yarns in [illegible] at least $2.00 more this [illegible] We choose from to select our best grades as you can [illegible] at that we [illegible] you less for them than you [illegible] elsewhere for inferior qualities.

Frankford Tapestry Brussels Seamless Rug

No. 37H8140 Size, 9x12 ft. Wt., about 29 lbs $12.0

An extra fine quality Brussels Rug, made of selected wo[illegible] yarns and woven so that it will give plenty of good [illegible] wear. You will be greatly pleased at the consistency [illegible] this rug when you see it, considering the extreme low pri[illegible] at which we quote it. The color scheme is suitable [illegible] almost any surrounding decorations.



Challenge Tapestry Brussels Seamless Rugs.

No. 37H8200 Size, 6 x 9 ft. Wt., about 15 lbs $ 6.2
No. 37H8201 Size, 8½x10½ ft. Wt., about 26 lbs. 10.4
No. 37H8202 Size, 9 x12 ft. Wt., about 34 lbs 12.2
No. 37H8203 Size, 11½x13½ ft. Wt., about 49 lbs. 18.6

This Challenge Brussels Rug is one of the handsomest effects ever produced. Contains the very best worsted yarn, thoroughly scoured and carefully woven, thus insuring good service. We predict this will be one of the biggest sellers in our entire line of Brussels Rugs. While the colored illustration gives you an idea of the design and colors, it does not do justice to the fabric. We know that when you see these goods you will be more than satisfied, as a rug of this quality would cost anywhere from $5.00 to $7.00 more at ordinary stores.

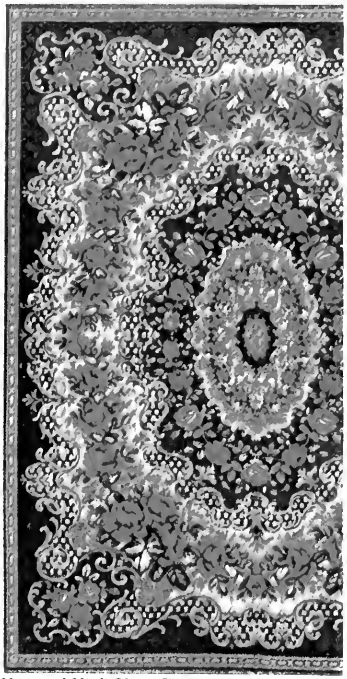
No. 37H8280	6 x9 ft.	Wt., about 18 lbs.	$ 8.25
No. 37H8281	8½x10½ ft.	Wt., about 27 lbs.	10.95
No. 37H8282	9 x12 ft.	Wt., about 34 lbs.	13.75

An extra fine wearing rug in a pretty color combination that is bound to please. A money saver at the price quoted.

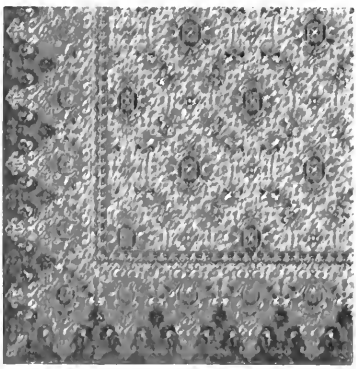
Harvard High Class Tapestry Brussels Seamed Rugs



Harvard High Class Tapestry Brussels Rugs.

No. 37H8300	6 x9 ft.	Wt., about 12 lbs.	$ 6.50
No. 37H8301	8½ x10½ ft.	Wt., about 28 lbs.	11.55
No. 37H8302	9 x12 ft.	Wt., about 34 lbs.	12.75
No. 37H8303	10½x12 ft.	Wt., about 38 lbs.	17.00

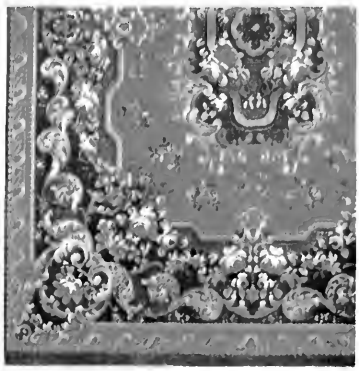
Your choice of four sizes. This is an exceptionally high class fabric, made only for us, and cannot be bought anywhere else. They are very strongly woven of very high class worsted yarns, and will give years of good wear. While a Body Brussels Rug is acknowledged as the best that money can buy, on account of its durability, if you do not wish to invest in a Body Brussels Rug, we highly recommend this quality.



Melrose Tapestry Brussels Seamed Rugs.

No. 37H8360	6 x9 ft.	Wt., about 18 lbs.	$14.00
No. 37H8361	7½x10½ ft.	Wt., about 27 lbs.	15.50
No. 37H8362	9 x12 ft.	Wt., about 34 lbs.	20.50

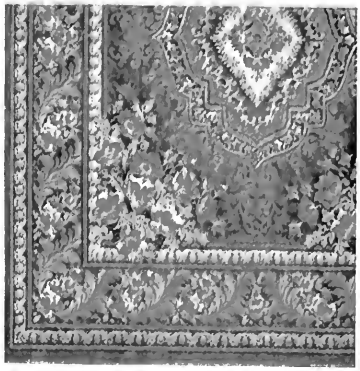
Extra fine quality Brussels Rugs that will give you many years of excellent wear. Only a small part of the difference in price between this and the cheaper grades of Brussels Rugs is represented in the actual cost of the rug itself. The balance is represented in the extra wear you get from the better grade.



Arcadia Tapestry Brussels Seamless Rugs.

No. 37H8260	9 x12 ft.	Wt., about 34 lbs.	$10.95
No. 37H8261	10½x12 ft.	Wt., about 41 lbs.	13.75

There are no better Brussels Rugs made, regardless of price. Body Brussels is the highest grade of Brussels Rug made. In the Body Brussels Rug the pile is woven through and through the back, making it extra heavy and durable. A splendid rug for almost any room in the house. Let us suggest the proper size for your room.



Garfield Tapestry Brussels Rugs.

No. 37H8380	6 x9 ft.	Wt., about 18 lbs.	$11.25
No. 37H8381	7½x10½ ft.	Wt., about 27 lbs.	$13.35
No. 37H8382	9 x12 ft.	Wt., about 34 lbs.	$17.35

Exceptionally well made Brussels Rugs of good quality. Take a look at the pattern.

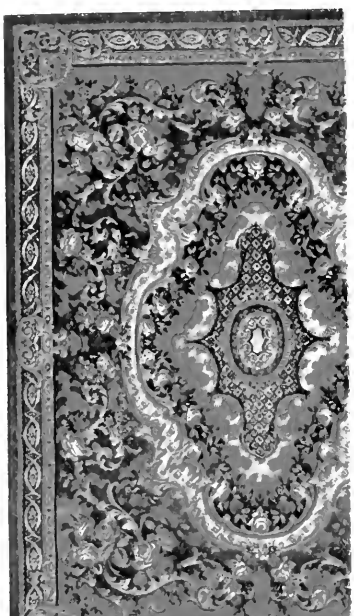
Melrose Tapestry Brussels Seamed Rugs.

No. 37H8340	9 x12 ft.	Wt., about 34 lbs.	$15.50
No. 37H8341	10½x12 ft.	Wt., about 41 lbs.	20.50

Another very beautiful design and color effect in this fine wearing Brussels quality. Nothing but the best of selected yarns are used in the manufacture of this rug, which insures the wearing qualities.

Beautiful Velvet and Axminster Rugs

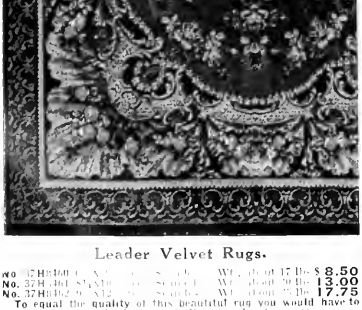
$8.50 to $26.00



Leader Velvet Rugs.

No. 37H8420 6 [illegible] Size, [illegible] Wt., about 17 lbs. $ 8.50
No. 37H8421 9 [illegible] Size, [illegible] Wt., about 30 lbs. 13.00
No. 37H8422 9 x12 [illegible] Size, [illegible] Wt., about 35 lbs. 17.75

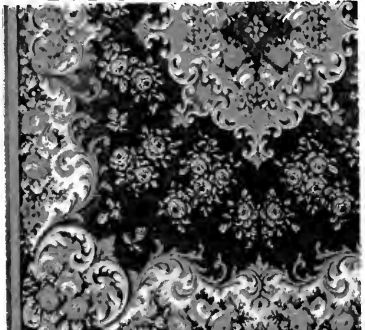
Our Leader Quality Velvet Rugs are one of the best investments for medium priced fabrics. The reason for this is that they are made of very good quality wool yarns, well constructed and designed. Unless you want to invest in one of our beautiful Wilton Rugs, we strongly recommend this Leader quality. We look for this number to be one of our best sellers in the velvet line, and know that you will be more than pleased when you see these goods. The color plate gives you a good idea of the general appearance of this rug.



Leader Velvet Rugs.

No. 37H8440 6 [illegible] Size, [illegible] Wt., about 17 lbs. $ 8.50
No. 37H8441 9 [illegible] Size, [illegible] Wt., about 30 lbs. 13.00
No. 37H8442 9 x12 [illegible] Size, [illegible] Wt., about 35 lbs. 17.75

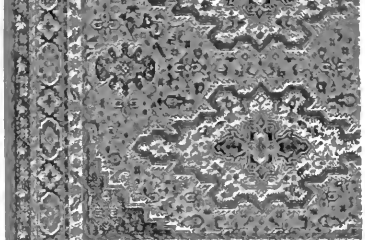
To equal the quality of this beautiful rug you would have to go, at least one third to one-half more elsewhere. Our price for this quality is unusually low because of the extra large number we sell.



Harvard Velvet Seamed Rugs.

No. 37H8400 Size, 9 x12 feet Wt., about 40 lbs. $13.75
No. 37H8401 Size, 11½x12 feet Wt., about 45 lbs. 17.75

The beauty of the floral pattern and the specially selected yarns used in weaving give these fine Velvet Rugs a much higher value than our low price indicate.



Supreme Velvet Seamless Rugs.

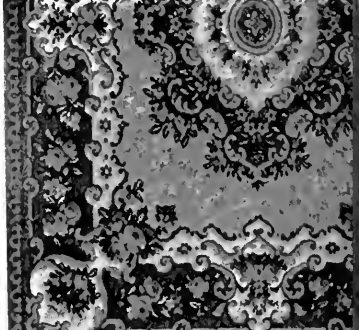
No. 37H8480 Size, 9x12½ feet Wt., about 50 lbs. $16.75
No. 37H8481 9 x12 feet Wt., about 40 lbs. 19.75
No. 37H8482 11½x12 feet Wt., about 45 lbs. 26.00

These extra quality Velvet Rugs will give you better service and satisfaction than any rug you can buy elsewhere at the same price. The design and color effect is considered very handsome and is much prized in fine homes.

Supreme Velvet Seamless Rugs.

No. 37H8520 Size, 9x12½ feet Wt., about 50 lbs. $16.75
No. 37H8521 Size, 9 x12 feet Wt., about 40 lbs. 19.75

You will make no mistake in buying our Supreme Quality Velvet Rugs as they are an exceptional value at the prices quoted. Carefully made of selected stock and guaranteed to satisfy you in every way. The design and color effect is refined and very popular nowadays.



Frankford Velvet Seamless Rugs.

No. 37H8440 Size, 9x12 feet. Wt., about 35 lbs. $15.75

If you are looking for a medium grade Velvet Rug at a very low price, we highly recommend the Frankford quality. This rug is well made of good quality yarns, and the design and color effect, as shown above, would be a credit to a high class Wilton rug. Suitable for any room. An excellent investment.

Model Axminster Seamed Rugs.

No. 37H8500 Size, 9x10 feet Wt., about 35 lbs. $14.3
No. 37H8501 Size, 9 x12 feet. Wt., about 40 lbs. 17.6
No. 37H8502 Size, 11½x12 feet. Wt., about 52 lbs. 23.5

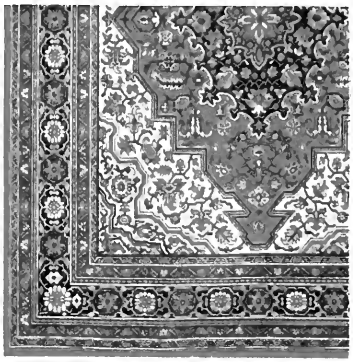
A heavy grade Axminster Rug in a combination of colors that has proven very popular. This quality has been very successful with us in the past seasons, and we show two more designs on page 437. Unless you want to invest in our better grades of Axminster Rugs, we recommend this quality as something that will suit your taste. If you do not think it is well worth the price quoted, you are at liberty to return it at our expense and we will return the purchase price, together with any transportation charges you may have paid.

Beautiful Assortment of Axminster Rugs, $8.35 to $26.25

Eclipse Axminster Seamed Rugs.

No. 37H8540 Size, 9 ft. x 12 ft. Wt., about 78 lbs. $16.50
No. 37H8541 Size, 11½ ft. x 12 ft. Wt., about 90 lbs. 21.40

Good grade Axminster Rugs that will wear and combine with almost any kind of furniture or decorations. Will surely please you.



Eclipse Axminster Seamed Rugs.

No. 37H8560 9 ft. x 9 ft. Wt., about 70 lbs. $ 8.35
No. 37H8563 9 ft. x 10½ ft. Wt., about 90 lbs. 13.50
No. 37H8561 9 ft. x 12 ft. Wt., about 95 lbs. 16.50
No. 37H8562 11½ ft. x 12 ft. Wt., about 110 lbs. 21.40

The beautiful design and color effect recommends itself. We think it is one of the most splendid values ever offered in Axminster Rugs and know that you will agree with us when you see the rug.

Garfield Axminster Seamed Rugs.

No. 37H8580 9 ft. x 12 ft. Wt., about 120 lbs. $17.00
No. 37H8581 11½ ft. x 12 ft. Wt., about 140 lbs. 23.75

A very pretty tan and green floral effect, carefully made and guaranteed to please you in every way.

Model Axminster Seamed Rugs.

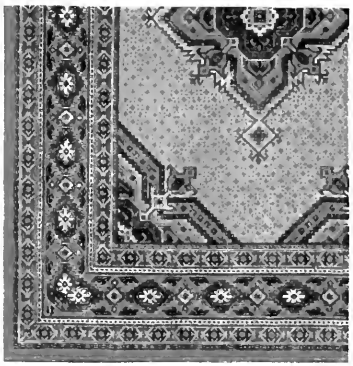
Green Background.

No. 37H8603 9 ft. x 9 ft. Wt., about 68 lbs. $11.00
No. 37H8600 9 ft. x 12 ft. Wt., about 90 lbs. 17.65
No. 37H8601 11½ ft. x 12 ft. Wt., about 52 lbs. 23.50

Red Background.

No. 37H8602 9 ft. x 12 ft. Wt., about 90 lbs. 17.65
No. 37H8604 11½ ft. x 12 ft. Wt., about 52 lbs. 23.50

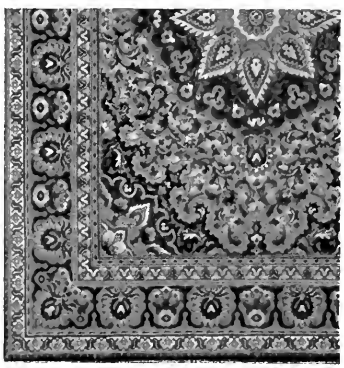
The small illustration shows the color effect of the red background. Extra heavy nap with silky finish.



Model Axminster Seamed Rugs.

No. 37H8620 9 ft. x 9 ft. Wt., about 70 lbs. $11.00
No. 37H8621 9 ft. x 10½ ft. Wt., about 90 lbs. 14.35
No. 37H8622 9 ft. x 12 ft. Wt., about 100 lbs. 17.65
No. 37H8623 11½ ft. x 12 ft. Wt., about 130 lbs. 23.50

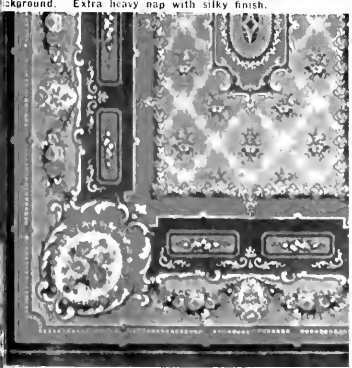
Same fine quality as our No. 37H8600, illustrated to the left. A quality that will please you.



Majestic Axminster Seamed Rugs.

No. 37H8640 9 ft. x 10½ ft. Wt., about 90 lbs. $17.35
No. 37H8641 9 ft. x 12 ft. Wt., about 110 lbs. 19.85
No. 37H8642 11½ ft. x 12 ft. Wt., about 130 lbs. 26.25

To equal the quality of these beautiful Oriental pattern Axminster Rugs you would have to pay one-third more than our price.



Majestic Axminster Seamed Rugs.

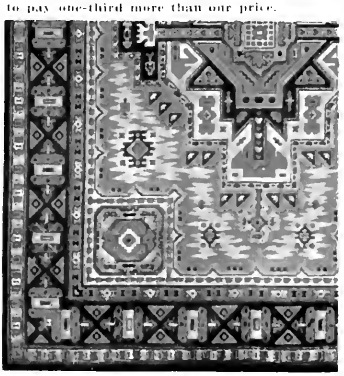
No. 37H8660 Size, 9 ft. x 12 ft. Wt., about 120 lbs. $19.85

A beautiful tan effect with artistic panel and floral border. Woven especially firm, and with thick silky pile. Nice enough for any parlor and priced very low for this quality.

Majestic Axminster Seamed Rugs.

No. 37H8740 [illegible] Wt. [illegible] $19.85
No. 37H8741 [illegible] Wt. [illegible] 26.25

Same fine quality as our other Majestic Axminster, but a large design that could be used to good advantage in a good many rooms that call for double size rugs.



Majestic Axminster Seamed Rugs.

No. 37H8760 [illegible] Wt. [illegible] $17.35
No. 37H8761 [illegible] Wt. [illegible] 19.85
No. 37H8762 [illegible] Wt. [illegible] 26.25

Majestic Axminster Rugs always give perfect satisfaction. They have a beautiful soft wool pile and will wear for many years.

High Class Axminster and Body Brussels Rugs

Serona Axminster Seamed Rugs.

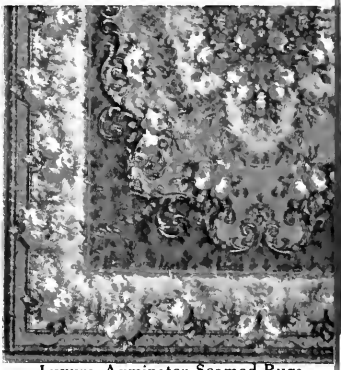
No. 37H8679 $8'4''x10'6''$ ft. Wt., about 36 lbs. $18.25
No. 37H8680 9 x12 ft. Wt., about 45 lbs. 20.75
No. 37H8681 $11'4''x12$ ft. Wt., about 56 lbs. 27.75

Our Serona Axminster Rugs are made especially for us and cannot be bought elsewhere. The yarns are the very best worsted and a rug of this quality would ordinarily retail at 6 per cent more than the prices we ask for it.

Imperial Axminster Seamed Rugs.

No. 37H8800 $8'4''x10'6''$ ft. Wt., about 36 lbs. $21.95
No. 37H8801 9 x12 ft. Wt., about 45 lbs. 23.95

A beautiful green floral design that will suit the tastes of a great number. We think this one of the best effects ever gotten up in a two-tone rug. Made of extra quality fine worsted yarns, and has a rich deep pile.



Luxura Axminster Seamed Rugs.

No. 37H8699 $8'4''x10'6''$ ft. Wt., about 36 lbs. $18.0
No. 37H8700 9 x12 ft. Wt., about 45 lbs. 20.0
No. 37H8701 $11'4''x12$ ft. Wt., about 56 lbs. 26.5

Our Luxura Axminster Rugs are made for our trade only and cannot be purchased elsewhere. They are closely woven from the very finest worsted yarns, well colored. Ordinarily a rug of this same quality would cost you 10 to 50 per cent more.

Imperial Seamed Axminster Rugs.

No. 37H8820 $8'4''x10'6''$ ft. Wt., about 36 lbs. $21.95
No. 37H8821 9 x12 ft. Wt., about 45 lbs. 23.95

Guaranteed to be the finest quality Axminster Rugs made. Some better can be had at any price. Furnished in a beautiful border design. Deep soft surface of fine wool yarns. The best examples of modern sanitary rugs and offer the most excellent grades. They certainly make good investments at these prices.

Luxura Axminster Seamed Rugs.

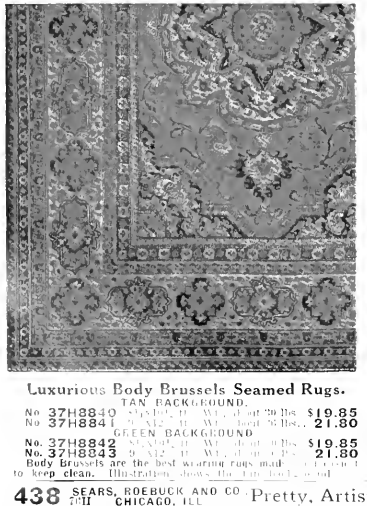
No. 37H8719 $8'4''x10'6''$ ft. Wt., about 36 lbs. $18.00
No. 37H8720 9 x12 ft. Wt., about 45 lbs. 20.00
No. 37H8721 $11'4''x12$ ft. Wt., about 56 lbs. 26.50

Another beautiful design in our Luxura Axminster quality. A rug that is made especially for our trade and guaranteed to give satisfaction. This one has a rich deep pile that would be a credit to rugs selling at about double the price.

Majestic Axminster Seamed Rugs.

No. 37H8780 $8'4''x10'6''$ ft. Wt., about 36 lbs. $17.3
No. 37H8781 9 x12 ft. Wt., about 42 lbs. 19.8
No. 37H8782 $11'4''x12$ ft. Wt., about 50 lbs. 26.2

The above illustration shows you one of the best design in Axminster Rugs. A richer effect cannot be produced. the highest grade French Wilton. Very firmly made high grade worsted yarns cleverly woven, giving this ru a beautiful luster.



Luxurious Body Brussels Seamed Rugs.

TAN BACKGROUND.

No. 37H8840 $8'4''x10'6''$ ft. Wt., about 30 lbs. $19.85
No. 37H8841 9 x12 ft. Wt., about 36 lbs. 21.80

GREEN BACKGROUND

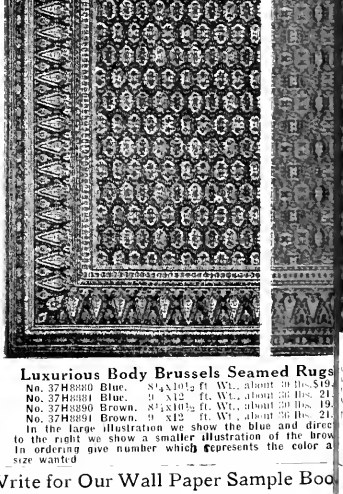
No. 37H8842 $8'4''x10'6''$ ft. Wt., about 30 lbs. $19.85
No. 37H8843 9 x12 ft. Wt., about 36 lbs. 21.80

Body Brussels are the best wearing rugs made. Green to keep clean. Illustration shows the tan background.

Superba Body Brussels Seamed Rugs.

No. 37H8861 6 x 9 ft. Wt., about 18 lbs. $15.00
No. 37H8862 $8'4''x10'6''$ ft. Wt., about 30 lbs. 22.00
No. 37H8864 9 x12 ft. Wt., about 36 lbs. 23.50

A very high class design and color effect that is bound to please. Guaranteed to wear well. Body Brussels are well known the world over for wearing qualities, and this is one of the very best of the kind.



Luxurious Body Brussels Seamed Rugs

No. 37H8880 Blue. $8'4''x10'6''$ ft. Wt., about 30 lbs. $19.
No. 37H8881 Blue. 9 x12 ft. Wt., about 36 lbs. 21.
No. 37H8890 Brown. $8'4''x10'6''$ ft. Wt., about 30 lbs. 19.
No. 37H8891 Brown. 9 x12 ft. Wt., about 36 lbs. 21.

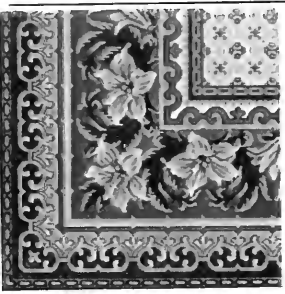
Floor Oilcloths and Linoleums

Linoleum is rapidly displacing every other form of floor covering for kitchens, dining rooms, bathrooms, vestibules, stores, offices, etc., because of its long wear, cleanliness, comfort, beauty of designs and colorings. We offer the newest designs in each grade at prices only a trifle over the actual cost of manufacture and guarantee the quality.



Oilcloth Stove Rugs.

Oilcloth Stove Rugs or Squares. Very fine quality, guaranteed to give good wear. Furnished in several neat patterns, one of which we here illustrate.

No. 37H5060 1½ yards square. Price, each.....**87c**

No. 37H5061 2 yards square. Price, each.....**$1.54**

Linoleum Cement.

Linoleum or oilcloth if properly cemented to the floor will give much better service. Our Linoleum Cement is inexpensive and easily applied. It prevents water and dirt from getting underneath the seams, and protects the burlap from decay.

No. 37H5020 1-pint can. Price **30c**

No. 37H5021 1-quart can. Price **58c**

Linoleum Brads.

Used for tacking linoleum to the floor. Sold only in 1-pound packages.

No. 37H5040 Price, per pound **13c**

CAUTION! **When buying linoleum in cold weather, always be sure it is thoroughly warmed through before unrolling, otherwise it is liable to crack and be ruined.** A safe way is to let linoleum stand in a warm room for one or two days, according to weather conditions, then it may be unrolled without danger. Do not use lye, ammonia, strong chemicals, soaps or powders when cleaning linoleum, as it destroys the surface of the goods. Ivory or castile soap is good.

Oilcloth Binding.

No. 37H5000 Brass Oilcloth Binding. To ornament, protect and fasten down the edges of oilcloth stove squares. Sold only in sets complete with corners and tacks, as follows:

Width in yards, 2, 2½, 4
Running yard $1.02 $1.30 $2.40

CAUTION When buying linoleum in cold weather be sure it is thoroughly warmed through before unrolling, otherwise it is liable to crack and be ruined. The safe way is to let linoleum stand in a warm room for one or two days, according to weather conditions, then unroll it. Do not use lye, ammonia, strong chemicals, soaps or powders when cleaning linoleum, as it destroys the surface of the goods. Ivory or castile soap is good. **CAUTION**

POPULAR LONG WEARING INLAID LINOLEUMS

In buying linoleums we always recommend the inlaid Linoleums, because they are the best values in the long run. The colors in inlaid linoleums run right through to the burlap, so that there is no chance of wearing off the surface or colors as there is in the printed goods. We give you a choice of eight different patterns and color effects on this page, and on page 442 we illustrate several others, including imported inlaids. All of our linoleums are made from the best possible quality, and we guarantee them to give the best of satisfaction.

Guaranteed Qualities and Exclusive Designs at Real Low Prices.

LACE CURTAINS

The Greatest Range of Designs, Materials and Prices From Which to Select.

Many of our designs are made for us exclusively by the leading lace mills of Europe and America and we call your attention to the large variety of patterns from which you can make your choice.

As we are larger buyers than most retail dealers or even wholesale dealers who supply the retail trade, we secure greater concessions from domestic and foreign manufacturers and therefore save you even more than retail dealers' profits and expenses.

Quality is our first consideration. We control quality to a larger extent than any other institution and guarantee better grades for your money than you can obtain elsewhere.

Our Window Shades

are made especially for us by two of the largest and best shade factories in the country, and we guarantee the very best material and workmanship possible in each grade. We could quote lower prices by furnishing inferior cloth and rollers, but we insist on the best, knowing that your future patronage depends on present satisfaction. All our shades are shipped complete with brackets and slats. The width given is width of cloth only; rollers from tip to tip are about 1 inch longer. Always state size and color wanted.

Plain Oil Opaque Window Shades
BEST QUALITY.

READ!
LENGTH OF WINDOW SHADES.

About 6 inches are required for hemming and mounting window shades, and as the lengths we give are manufacturers' measurements the finished shades will be about 6 inches less. For instance, where we give the length as 6 feet, the window shade measures only about 5½ feet long when finished.

READ!
To avoid any delay in filling your order be sure to give the catalog number, size and color of window shades desired.

READ!
Shades made to order cannot be returned if sent as ordered, therefore, be sure to give the right width and length, and specify whether the width is for the length of roller from tip to tip or for the width of cloth.

GILT LETTERING—Price for lettering window shades with gilt lettering is 35 cents a running foot extra.

Plain Opaque Window Shades

Plain Water Color Opaque Window Shades of good quality, mounted on patent spring rollers. While excellent shades and much better quality than you could get elsewhere for the same money, we recommend our Oil Opaque Shades for greater economy and service. Water Color Opaque Shades are furnished 36 inches wide, or less, and in the following colors: Light olive green, pea green, terra cotta, dark green, light buff, dark olive, slate or white. **State color and size desired.**

Art Panel Window Shades

BEST QUALITY WATER COLOR OPAQUE SHADE CLOTH MOUNTED ON PATENT SPRING ROLLERS.

Cluny Trimmed Hand Made Window Shades.

Made from the very best quality hand made oil opaque shade cloth and trimmed with three rows of insertion, two rows of narrow insertion 1-inch wide with a 4-inch insertion between. Mounted on Hartshorn spring rollers. We wish to draw your attention to the beauty and style of this design; also to the fact that the Cluny insertion used in these shades being the natural ecru cannot fade out, and will wear and look well as long as the shade cloth lasts. We furnish this shade in three colors: Dark green, dark olive, or buff. **State color wanted.**

Special Size Made to Order Window Shades for Stores, Offices and Homes.

These shades we make to order from the very best quality hand made oil painted opaque shade cloth. It usually requires about four days to have special size shades made to order. We require the full amount of cash with the order in every instance. **Shades made to order cannot be returned if sent as ordered. Don't fail to give size and color wanted.**

Colors—Special size shades are made only in the following colors: Dark green, light olive green, dark olive green, terra cotta, slate, pea green, white or light buff. Shade cloth 48 inches and wider is made of heavier fabric and will not always exactly match colors of smaller shades.

Be particular to state whether your measurement is for the length of roller from tip to tip or for the width of cloth. In the price list below, "width in inches" is the width of cloth. If the exact size you wish is not given in the following schedule the next larger size will be charged, but the shade will be made the exact size you order.

No. 24H1500½ Order by number, size and price, and be sure to **state color wanted.**

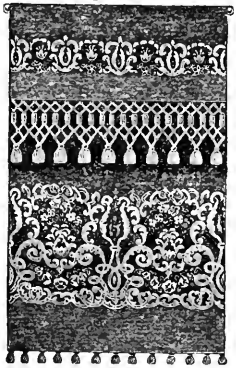
Remarkable Values in Chenille and Tapestry Portieres

In this line of Portieres and Draperies we have fully maintained our high standard of value giving. The designs shown include the newest ideas, and the quality of each grade is guaranteed to be better than you could buy anywhere else for the same money.

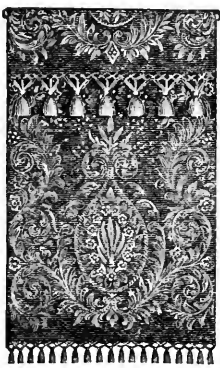
$1.98
A PAIR

No. 24H3000 Our Leader Chenille Portieres. A bright, cheerful drapery, made especially for us at a great saving in cost. Portieres of this quality are often sold at double our price. Made of heavy chenille yarn. Has a 17-inch floral border at bottom with a 4-inch border at top. Size, 3 yards long by 34 inches wide. Comes in red, green or brown. **State color wanted.** Weight, per pair, about 3¼ pounds.



$2.95
A PAIR

No. 24H3010 New Design Chenille Portieres, made of excellent quality chenille yarn, beautifully blended colors. We recommend them to anyone wishing chenille portieres at a medium price. A very rich border at top and bottom, finished with heavy tasseled fringe on throw-over. Colors, red, green or brown. **State color wanted.** Size, 3 yards long by 38 inches wide. Weight, per pair, about 4¾ pounds.



$1.49
A PAIR

No. 24H3020 New Design Tapestry Portieres at a price within the reach of all. These curtains are the best ever offered for this money. The design is a pleasing combination of scroll and floral work. Color combinations of red and green, brown and green, green and tan or two-tone red. **State color combination wanted.** Size, 34 inches wide by 3 yards long. Shipping weight, per pair, about 4 pounds.

$1.85
A PAIR

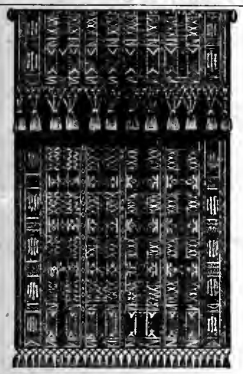
No. 24H3030 One of the most attractive of the new designs in Tapestry Portieres. The quality of these curtains will be a surprise to you. Nowhere else can you find such value in handsome tapestry portieres at this price. Colors are red, green or brown. **State color wanted.** Size, 3 yards long by 40 inches wide. Shipping weight, per pair, about 4¼ pounds.

$1.98
A PAIR

No. 24H3040 Medium Priced Tapestry Portieres. Excellent style, quality and finish. Very attractive portieres and a special bargain at our low price. Portieres of this quality and finish usually sell for about $3.00 a pair. Color combinations are red and green, brown and green, green and ecru, or two-tone red. **State color combination wanted.** Size, 3 yards long by 41 inches wide. Weight, per pair, about 4 pounds.

$2.45
A PAIR

No. 24H3050 Extra Heavy Well Finished Tapestry Portieres. Attractive in design and very reasonable in price. One of the best values in our catalog and for medium priced portieres cannot be equaled. Color combinations are red and green, brown and green, two-tone red or two-tone green. **State which color combination you want.** Size, 3 yards long by 48 inches wide. Weight, per pair, about 4½ pounds.

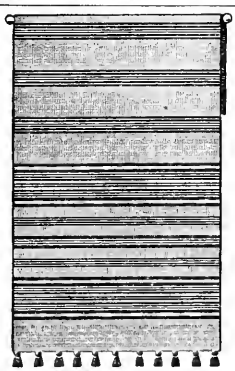


$3.75
A PAIR

No. 24H3060 Handsome Oriental Bagdad Tapestry Portieres. A most appropriate drapery for the door of any room. Rich Oriental color combination of olive, red, blue and tan. The heavy lattice knotted fringe adds much to its beauty. Width, 50 inches; length, 3 yards. Shipping weight, per pair, about 7 pounds.

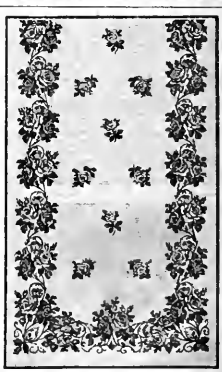
$2.98
A PAIR

No. 24H3070 Heavy Brocaded Tapestry Portieres. The design, showing lilies and cat tails on a brocaded ground, makes this a particularly attractive door tapestry. The yarn is highly polished, giving a rich effect. Color combinations of green and red, brown and green, or green and tan. **State color combination wanted.** Width, 50 inches; length, 3 yards. Shipping weight, per pair, about 6 pounds.



69c
A PAIR

No. 24H3080 Our Leader Cross Stripe Curtains, made of nice quality grenadine and used for window curtains or light door draperies. Washable fast colors. The retail price of these curtains has always been around $1.00 a pair. Come in cream ground only, with cross stripes of red, green, blue, pink or golden brown. **State color of stripes wanted.** Size, 2¾ yards long by 40 inches wide. Weight, per pair, about 16 ounces.



$1.09
A PAIR

No. 24H3090 A novelty in Dainty Scrim Curtains. Splendid quality that will wash and wear well. These curtains are particularly attractive for bedrooms, etc., where bright colors are desired. Comes in white ground with roses in pink, blue or gold. **State color wanted.** Size, 2¾ yards long by 39 inches wide. Curtains are not hemmed at top and bottom. Shipping weight, per pair, about 1¾ pounds.

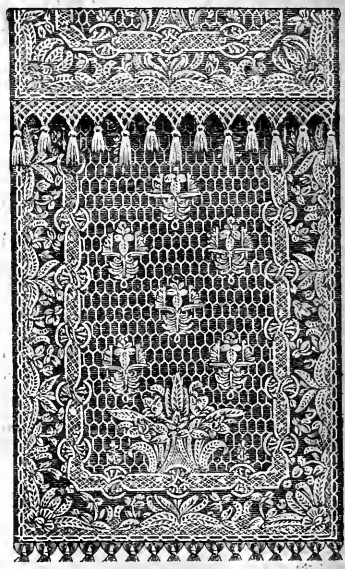
Splendid Values in High Grade Draperies

$3.98
A PAIR

No. 24H3100 Genuine Sunfast Overdrapery. While not a silk they have a rich silky appearance and are guaranteed not to fade when exposed to sunlight. When hung over lace curtains these draperies add an air of refinement and finish to any room, and are transparent enough not to exclude the light. Can also be used as a light drape at doorways. Come in attractive shades of green, gold, brown, rose or red. **State color wanted.** Size, 44 inches wide by 2¾ yards long. Shipping weight, per pair, about 2 pounds.

$4.45
A PAIR

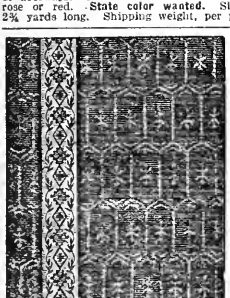
No. 24H3110 Rich and Lustrous Portieres. Mercerized to give the appearance of silk. Ribbon and floral design. One of the handsomest draperies we have ever listed. Color combinations, green and red, brown and green, olive and rose, or green and tan. **State color combination wanted.** Size, 50 inches wide by 3 yards. long. Shipping wt., per pair, 6¼ lbs.



$4.75
A PAIR

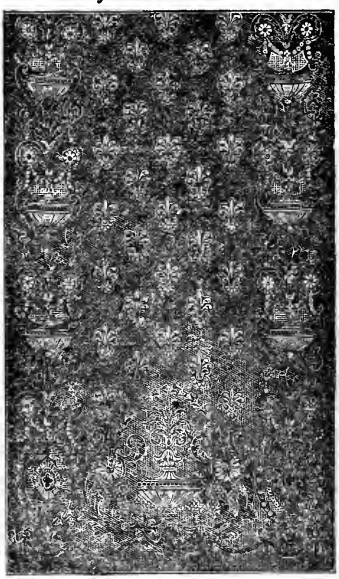
No. 24H3120 Brocaded Damask Portieres. Mercerized to give them the appearance of silk. The illustration does not do justice to this design, but the drapery is a triumph for the skill of designer and weaver, and we strongly recommend this curtain to our fastidious clients. Colors, forest green, claret, olive green, brown or tan. **State color wanted.** Size, 50 inches wide by 3 yards long. Shipping weight, per pair, about 6½ pounds.

Absolutely Sunfast and Washable



$2.98
A PAIR

No. 24H3140 Splendid Bordered Portieres at a low price. Have an attractive border of gobelin tapestry 2½ inches wide on a good grade of armure. Colors, red, myrtle green or brown. **State color wanted.** Size, 46 inches wide and 8 feet long. Shipping weight, per pair, about 6½ pounds.



$6.50
A PAIR

No. 24H3130 Exquisite transparent drapery. Something new and an article that combines beauty of design and coloring with splendid wearing qualities. These drapes, when hung at the window, show all the rich colorings of stained glass. Also very desirable when used as light weight portieres. Come in one color combination only, a green ground with figures in light green, red, black and gold. Size, 46 inches wide by 2¾ yards long. Shipping weight, per pair, about 3 pounds.

From Looms to Your Bed With Only One Small Profit Added

COTTON AND WOOL BED BLANKETS

QUALITY GUARANTEED

Greater Variety and Better Values Than You Can Find Anywhere Else

Our contracts for bed blankets are made a year in advance of our needs, allowing the mills ample time to make them strictly according to our particular specifications. We accept every possible cost reducing factor as a matter of business, but are really more particular about the quality. Our broad guarantee compels us to furnish the best quality possible in order that the millions of people who depend on us for their supplies may have goods that will please and satisfy. We must have dependable goods to protect our guarantee. Whether you select cheap cotton blankets at 59 cents, the finest wool blankets at $12.50, or any of the various grades between, you will receive the best blankets that can be made for the money. The better grades in blankets are cheapest in the end, and you will find it is true economy to buy the best you can afford.

Write for This Handsome New Catalog of Modern Lighting Fixtures

Newest Ideas for 1912 Practical Durable Artistic

Every Home Owner, Every Builder and Contractor Should Have a Copy of This Catalog

Be Up to Date. Before You Place Any Orders for Fixtures for Your Home or Other Building, Get This Catalog. It Shows the Very Latest Ideas in Modern Lighting and Means a Large Saving.

The artistic and decorative possibilities of artificial light are wonderful. The development of this new branch of art in the past few years has been rapid, as every reader of this page must know if he or she has inspected a recently built up to date home.

Are you going to buy or build a new residence? Do you realize that the value and attractiveness of any house, new or old, can be wonderfully increased at very small cost by means of new and modern lighting fixtures? Your home may be out of date in a dozen of its features, but new lighting fixtures of the latest 1912 designs would make it look like a new building.

We have just organized a new department to handle the output of a great modern factory making a complete line of gas and electric fixtures of the newest designs. To introduce this new department we have published a handsome catalog of its entire line of electric, gas and combination fixtures of every style, pattern and finish. This book will be mailed promptly upon request to anyone interested as a home builder, home owner or housekeeper.

Do not be discouraged by the high prices you have known others to pay for the beautiful fixtures that have displaced the old fashioned designs of a few years ago. While many manufacturers of these new fixtures are still charging the high prices demanded for them when they were first put on the market, the cost of manufacturing these goods has been greatly reduced and we have been able to contract for a complete line at prices that will surprise you. We know you cannot buy the equal of any fixture in this catalog elsewhere without paying 20 to 30 per cent more than our prices.

This brand new line of fixtures includes showers of 2, 3, 4, 5 and 6 lights, with crystal or beautiful stained glass work; leaded art glass dome tops, artistic 2, 3 and 4-light chandeliers, brackets, pendants, porch lights and ceiling lights. These fixtures are made for either electricity, gas (upright or inverted) or combination (both gas and electric). Our new department includes everything necessary for a complete installation of new fixtures throughout the house, electric wire for house wiring, conduit, plugs, sockets, wall plates and switches, gas cocks, tubing, burners and all other supplies.

Merely as an example of fine printing, this handsome new catalog will be prized by those who secure a copy. Over 200 fixtures are represented by fine halftone engravings, while the artistic polished and satin or spun brass finish, the shades of multicolored stained glass, frosted glass and crystal of many fixtures and lamps are reproduced in their actual colors.

Remember, there is nothing newer or more artistic in lighting fixtures than is shown in this catalog. Every fixture in this great stock is a new 1912 design. Write for the book.

DRUG DEPARTMENT

OUR POLICY IN REGARD TO DRUGS AND REMEDIES

All of our standard preparations will be found to be of the highest quality and strength, and capable of doing all that can be expected of such remedies. We have endeavored to indicate in each case the way in which they may be found useful.

We have also selected from the great array of preparations found on the market a list of proprietary remedies, which from their popularity would appear to be reliable, and which we believe may also be depended upon to do as much as is reasonable to expect of such remedies.

The reputation we have built up for selling goods and telling the truth about them, together with our desire to protect our customers against the possibility of being disappointed as to the results likely to be obtained, has led us to be very conservative in our claims for all of these products. If we have understated the value of certain remedies, our customers will find it out; we would rather have it this way.

The fact is well known that what may prove very useful in most cases may utterly fail in some others, either because of a difference in individuals or of a lack of knowledge as to the real nature and cause of the trouble. In describing the virtues of a medicine these facts are too often lost sight of. We accordingly feel like warning our customers against being misled by the exaggerated claims made for many so called patent medicines by their makers. The continued popularity of certain of these remedies, however, gives us sufficient confidence in them to keep them on our list. These we wish to sell strictly on their merits. Accordingly, in our catalog descriptions we have been guided by a desire to avoid all overstatements of fact, no matter how slight. If we do not claim as much for them as others do, it is not because they are in any way inferior. The fact is they are in every case the best of the kind that can be obtained.

Rainbow Dyes are the simplest, cleanest and most economical dyes to use. They enable you to dye cotton, wool, silk and mixed goods evenly and all in the same bath. Reliable and stainless. No more trouble dyeing cotton and wool separately. No more necessity of ripping the goods. No more indecision which dye to use. By means of the Rainbow Dyes all the work can be performed together and an even color obtained by following the simple directions accompanying the package. Rainbow Dyes are the best and most satisfactory dyes on the market, as well as the simplest. They produce bright fadeless colors and will not stain hands or the container. One package will color from 1 to 6 pounds of goods, according to shade desired. Rainbow Dyes can be successfully used for coloring dress goods, coats, carpet rags, ribbons, feathers, yarns, silk fabrics, etc. Furnished in the following eighteen beautiful shades and standard colors:

Black, Orange, Yellow, Cream, Pink, Rose, Maroon, Cardinal, Scarlet, Green, Dark Green, Gray, Baby Blue, Navy Blue, Dark Brown, Tan, Heliotrope, Violet.

Write and ask for our Booklet of Rainbow Dyes, mailed free on request. It contains complete and valuable information; shows the ease with which goods can be dyed, gives full directions how to dye various articles, treatment of stains, effect of dyeing one color over another, colors that harmonize, etc. In ordering be sure to state color of dye wanted. Shipping weight, 2 ounces.

La Salle Fly Spray.

Spray your stock with La Salle Fly Spray and flies will let them alone. Largely used by dairymen, horseshoers and horsemen. La Salle Fly Spray is a great comfort at milking time, no switching the tail, no side stepping, no upturned milk pails.

Biting, stinging, bothersome flies are a never ending torment to your stock. Use La Salle Fly Spray on your cows and their milk flow will increase; all animals gain flesh if given its protection. No more injuries from kicking, or blemishes from stamping on hard floor.

La Salle Fly Spray is a great boon to tortured animals and at the small cost every stock owner should keep 5 to 10 gallons on hand. Every animal should be sprayed each day regularly to give it full protection. Satisfaction guaranteed or your money returned. Shipping weight, per gallon, 10 pounds. Regular price, per gallon, $1.00 to $1.25.

This spray is best applied with the "Deluge Spray Pump," shown on page 484.

Protect Your Home, Stables and Property With the Liberty Fire Extinguisher

One of the best, simplest and most reliable of all fire extinguishers. Never gets out of order. Always ready. It effectively and instantly extinguishes, by scientifically smothering, all kinds of fire, whether the fire originates from gasoline, naphtha, benzine, excelsior, rubbish, electricity, or from your own burning clothing. Simply dash **"Liberty"** Dry Chemical into the flames and the fire is out.

The "Liberty" is perfectly safe and can be as easily used by women and children as by an expert fireman. Merely pull the tube from the hook and throw the powder on the base of the flames. **"Liberty"** is harmless to person or fabrics. No dangerous acids, no explosives.

Don't leave your family, your home and your property unprotected from fire! Six **"Liberty"** Extinguishers (at a cost of $15.00) hung at convenient points about your house and stables will afford abundant protection and will extinguish fires which otherwise might destroy property worth thousands of dollars, or even cost the life of a loved one. Shipping weight, 3½ pounds. Regular price, $3.00 each.

and ask for our Sprays and Spraying Machine Booklet. It is free and may save you hundreds
thousands of dollars on your crop. Send for this booklet at once.

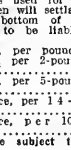
Paris Green, Powder Form.

Paris Green is recognized as one of the most important insecticides and is used for destroying insects of all kinds, either in wet or dry conditions, but in all cases it is first largely diluted. When it is used in the dry or powder form, it should be mixed with plaster, sifted wood ashes or flour. The strength of the mixture should depend upon the plants and insects to which it is to be applied, but at no time should more than 1 pound of Paris Green be added to 50 pounds of mixture, as that is usually sufficient. Care should be taken when using Paris Green mixed with water that the liquid is constantly stirred as it is used for spraying; otherwise the Paris Green will settle and the last quantity in the bottom of the cask will be so strong as to be liable to do serious damage.

No. 8H2002	Price, per pound	.18c
No. 8H2003	Price, per 2-pound package	.35c
No. 8H2004	Price, per 5-pound package	.85c
No. 8H2005¼	Price, per 14-pound kit	$2.30
No. 8H2006¼	Price, per 100-pound keg	$15.50

The above prices are subject to market changes.

Arsenate of Lead Paste.



Arsenate of Lead Paste has many advantages over all other spray insecticides. Absolutely harmless to foliage and will adhere to it for a period during which two or three sprayings with Paris Green would be necessary to secure same effect. Will kill all leaf eating insects. The only material for garden or greenhouse, as it is perfectly safe in inexperienced hands. Remains in suspension for a long time without stirring. Secures a uniform distribution of poison over the plants and trees. This is one of the best grades on the market.

No. 8H2010	1-pound jar. Price	$0.16
No. 8H2012	5-pound jar. Price	.69
No. 8H2013	10-pound jar. Price	1.15

No. 8H2011½	100-pound keg. Price	9.35

Bordeaux and Arsenate of Lead Compound.

A combined insecticide and fungicide. Thoroughly tried and recommended by both federal and state agricultural colleges and experiment stations. Successfully used for killing all leaf eating insects and bugs which attack fruit trees and vines of all kinds. Preferable to Paris Green as it mixes much easier with cold water, does not clog spray nozzles and sticks to the foliage like glue. Prevents fungi; will not burn the foliage. Save your fruit trees and vines, your potatoes, cucumbers, asparagus, cabbage, etc. Helps produce larger fruit and more of it. By preventing blight it gives potatoes longer to mature, which means a larger tuber. Full directions on can.

No. 8H2055	1 pound. Price	$0.23
No. 8H2056	5 pounds. Price	.87
No. 8H2057	10 pounds. Price	1.65

Scale Killer.

Positively kills and prevents San Jose and oyster shell scale. San Jose scale is the most pernicious and serious pest the fruit grower and orchardist has to fight. The only approved method of fighting is by spraying. This Scale Killer not only kills the scale, but protects the tree from reinfestation. The formula is recommended by the Connecticut Agricultural Experiment Station. One gallon makes 12 to 15 gallons by mixing with cold water. It will kill every scale covered with it when sprayed according to the directions on the can. Work should be done in fall or winter, or before buds open in the spring. No fruit grower can afford to be without this product.

No. 8H2041	1-quart can. Price	$0.34
No. 8H2042	1-gallon can. Price	.87
No. 8H2043¼	5-gallon can. Price	3.45

Prices on larger quantities furnished on application.

"INSURE YOUR CROPS"

QUICK DEATH

IMPROVED BUG KILLER AND FERTILIZER

TRADE MARK

ABSOLUTE DEATH TO ALL INSECT LIFE.

After years of experience in handling bug killers, we offer QUICK DEATH as an improvement over other insecticides. It is positively the quickest and surest death to all insects, worms, beetles, bugs and other pests preying upon vegetation that has ever been manufactured.

QUICK DEATH is cheaper than any other insecticide known; a good fertilizer; any child can apply it; not dangerous to handle; ready for immediate use, no mixing or preparation required.

QUICK DEATH means bigger crops. If your vines and plants are kept free from the ravages of insects and bugs they will be green and growing long after your neighbors' vines and plants are dead. This gives the vegetables an opportunity to properly mature and insures larger and better potatoes, cabbages, etc. Every dollar invested in Quick Death may mean fifty times that amount in increased profit when your crops are harvested.

QUICK DEATH is prepared by many farmers because of its invigorating and fertilizing qualities, its cheapness and ease of application, and safety to those handling it.

QUICK DEATH kills all leaf eating insects. It will positively kill potato bugs, squash bugs, pumpkin bugs, watermelon bugs, cabbage worms, etc.

We purchase Quick Death by the carload. Our product enjoys a tremendous sale. Each year shows an enormous increase in the demand. We supply it to every section of the United States. We receive orders for barrels upon barrels of Quick Death from owners of large truck gardens who have purchased it from us in previous seasons, and who write that they would not be without it. Every market gardener, every greenhouse owner who purchases Quick Death will never fail to reorder it. Every grower of flowers or vegetables should give Quick Death a fair trial. If it is once used it will always be used.

QUICK DEATH is easily applied. The ease and speed with which Quick Death can be used makes it preferable to other insecticides. Simply shake on the vine dry (never mix with water). Apply early in the morning when the plants are damp with dew, never when the plants are dry. Can be used with a sifter or with small burlap bag or sack made of meshy coarse cloth. Costs but 2c per bag each application. By filling up of the first arrivals you will have no further trouble. Dust the leaves of the plants at the first appearance of the bugs, and save your crop from destruction. For sifter with which to apply Quick Death, see No. 8H2045 at lower right hand corner of this page.

The most effective remedy known for San Jose scale, oyster shell scale, scurvy, peach leaf curl, scorched and bitter rots, smuts, scabs, leaf spots, rust, etc. Highly effective as an insecticide against caterpillars, canker worms, moths and other insects.

LIME AND SULPHUR WASH

Agricultural Experiment Stations recommend Lime and Sulphur Wash in preference to all other sprays, including dusts, not only because it is cheap and most effective, but because it has no bad after effects. Many authorities state that trees repeatedly sprayed with oil sprays are injured and sometimes killed. Lime and Sulphur Wash can be used with safety up to the time fruit begins to color. Millions of fruit trees are being destroyed annually by the San Jose scale, and millions of others are infested with it. Trees should be sprayed first in March or April, and a few weeks later go over them a second time to be sure every part is covered.

Lime and Sulphur Wash is entirely free from sediment, will not clog in spraying, securing an even distribution of the liquid; will keep indefinitely and is reasonable in price. It is always ready for use by simply adding cold water. No heating is necessary. It is not only valuable as a wash for the trunks of fruit and shade trees, but it acts as a repellant of the pests and prevents their ascending to the branches.

Directions are furnished with each package, showing quantities to be used for various trees. This preparation contains the maximum amount of lime and sulphur that will remain in solution under varying conditions. It will be found cheaper and more effective than any home made spray.

This is best applied with the Deluge Spray Pump shown on this page.

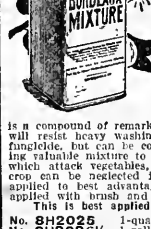
LIQUID BORDEAUX.

ONE OF THE BEST KNOWN REMEDIES AND PREVENTIVES ON THE MARKET FOR FUNGUS GROWTH, SUCH AS LEAF BLIGHT, BLIGHT, ROT, MILDEW, RUST, ETC., AND THE ACTUAL COST OF SPRAY IS LESS THAN 1 CENT A GALLON.



It controls and prevents scab, leaf spot and sooty mold of the apple, anthracnose of the bean, blackberry, raspberry and currant, leaf spot of the beet, cherry leaf spot, the beetle, various rusts, leaf blights of the current and gooseberry, celery and pear blight, mildew of the cucumber, melon and squash, potato blight, as well as fungus diseases, blights and leaf spots of shade trees. The importance of compounding Bordeaux properly cannot be overestimated. Careful selection of materials and great care in its preparation are essential to the best results. This Bordeaux Liquid is prepared by experienced chemists, and can be absolutely relied upon. It is a compound of remarkable adhesive properties. When once it becomes dry on the foliage it will resist heavy washings of rain for a long time. It is particularly recommended as a fungicide, but can be combined with poison, such as lead arsenate, Paris green, etc., making valuable mixture to be used in killing insects, bugs, worms, moths, maggots, slugs, etc., which attack vegetables, vines and trees. Insects and fungi are now so abundant that no crop can be neglected if profitable returns are to be secured. Easy to use, and can be applied to best advantage with any spray pump, but if pump is not available it may be applied with brush and pail. Complete directions on each can.

This is best applied with the Deluge Spray Pump shown on this page.

No. 8H2025	1-quart can.	Price	.25c	No. 8H2027¼	5-gallon can. Price $2.25

Prices on larger quantities furnished on application.

LIQUID FORMALDEHYDE.

An insecticide too well known to need extended description. Try it on your seeds and cereals before sowing; kill the smut on the corn, oats, barley or rye, and note your increased yield. Every up to date farmer uses it. Full directions on package. For information and prices on Formaldehyde, full 40 per cent strength, see page 479.

Kerosene Emulsion.

One of the most valuable remedies for soft and all soft bodied sucking insects, such as plant lice, leaf aphis, thrip, celery aphis, squash bug, leaf hopper, mealy bug, cabbage worm, etc. It kills the green plant louse scale and other sucking insects as does Kerosene Emulsion is endorsed by leading agricultural and experimental stations as a reliable and superior preparation for every respect. It is a product of wide varied usefulness. With many of the so called emulsions, part of the kerosene separates when diluted with water and in spraying you get clear kerosene in some parts of the water in others. The clear water has no effect, and the clear kerosene damages the plants or leaves. Soap safe, reliable and effective emulsion, which is made from kerosene and whale or fish oil soap and water. Do not go without this valuable remedy or waste time trying to make something like it. Always effective, easily diluted. Very cheap. A gallon can is sufficient for 50 gallons of wash for general use. Full directions on packages.

This is best applied with the Deluge Spray Pump shown on this page.

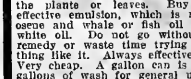
Deluge Spray Pump.



This is best applied with the Deluge Spray Pump shown on this page.

Good quality tin, very serviceable, and reasonable care will last for years. Can laid down to be filled, and after being filled will not spill the contents. In this respect it is superior to most hand sprayers, the thing for spraying like killers, disinfectant fluids, fly killers, kerosene emulsion, lime and sulphur wash, Bordeaux mixture, etc. Shipping weight, 3 pounds.

There Is Beauty in Every Jar of Ingram's Milkweed Cream

The well known and highly advertised beautifier. A toilet cream that has proved its merits. It is nature's own aid to beauty, a skin tonic. Apply a small amount to the face, neck and hands night and morning and note the pleasing result. Good for all complexions as it is absorbed by the skin, stimulating, nourishing and beautifying. Dainty, fastidious and refined. A largely used toilet luxury. Regular price, per large jar, $1.00. Shipping weight, 21 ounces.

No. 8H3044 Price.....79c
NOTE—We do not carry the small 50-cent size jar as it holds only one-third the amount of the $1.00 size jar. It is therefore more economical to buy the large jar.

Are You Troubled With Freckles?

USE DR. C. H. BERRY'S FRECKLE OINTMENT.

Dr. Berry's Freckle Ointment is a dainty, fragrant, snow white cream, easily and quickly applied; no massage necessary. It has been the standard of all freckle ointments in America for fifteen years, and is guaranteed by the manufacturers never to have injured the most delicate skin, but has given the most universal satisfaction. For ladies affected by freckles, that great enemy of beauty, it is highly essential that a reliable remedy be used. Satisfaction guaranteed or your money back. Shipping weight, 14 ounces.

No. 8H3073 Regular $1.00 jar. Price.....79c

"DON'T ENVY A GOOD COMPLEXION; USE POMPEIAN AND HAVE ONE."

POMPEIAN MASSAGE CREAM

You will never know how good looking, clean looking and attractive you can be until you use Pompeian Massage Cream, which you have read about in many magazines for so many years. Rub Pompeian on your moistened face and well into the pores. Massage the face for a few moments. Out comes the cream darkened and dirt laden. You never knew that so much dirt could stay in the pores despite soap and water scrubbing. Glance in your mirror. The old sallow dead skin look has begun to go. In its place comes a skin that has the healthy clearness and freshness of youth. Pompeian is used in a million homes. It is not a rouge or cosmetic. No. It is just a natural cleanser that makes the face pores cleaner then ever before. In pores which are Pompeian Cream cleaned lie skin health. A Pompeian massage also exercises the muscles of the face in a most helpful way. Pompeian is wholly different from cold creams in purpose, use and results. Pompeian is a massage cream that enjoys a larger sale than any other face cream. Full directions with each jar. Shipping weight, small jar, 6 ounces; large, 18 ounces.

De Miracle Liquid Depilatory

FOR REMOVING SUPERFLUOUS HAIR FROM FACE, NECK AND ARMS.

Endorsed by Physicians, Surgeons, Medical Journals and Prominent Magazines.

This widely advertised depilatory has been upon the market for many years and from the testimonials on the product and on the guarantee of the manufacturers is one of the very best of its kind. There is no depilatory, in our opinion, that will permanently stop the growth of hair, but the depilatory should be used every time the hair grows out and it will always remove it. The main feature of a good depilatory is to be non-poisonous and to remove the hair without irritating the skin, and this is the advantage of De Miracle. Properly used, it usually removes the hair without irritation. There are many products sold that are really dangerous, and where a good depilatory is required, this is, on the guarantee of the manufacturers, the best one on the market. It is also largely used by physicians for removing hair around scalp wounds, proving its non-irritating property. The use of De Miracle Cream after using the depilatory is recommended by the manufacturers. Full directions accompany package.

NOTE THESE PRICES.

On account of our arrangement with the manufacturers we are enabled to offer our customers these articles at the following reduced prices: $1.00 bottle, 79c; $2.00 bottle, $1.69. Keeps indefinitely.

No. 8H3104 Large $2.00 bottle. Shipping weight, 11 ounces. Price, per bottle $1.69

No. 8H3103 Regular $1.00 bottle (⅓ the size of the $2.00 bottle). Shipping weight, 8 ounces. Price, per bottle ..... .79

YOUR MONEY WILL BE CHEERFULLY RETURNED IF NOT ENTIRELY SATISFACTORY.

Read These Testimonials

Medical Journals and magazines also endorse De Miracle highly. A few extracts from them. Canadian Medical Journal: "Does the work and does it well." Annals Gynecology and Pediatry: "The claims made for it are true." The Medical Council: "It is well to use." The Chicago Clinic: "Action is exceedingly rapid and entirely non-irritating." New Albany Medical Journal: "Editor effectually removed mustache of woman with one application." Toilettes: "Has proved itself superior to electricity, X-rays or anything else." Menorah Monthly: "I believe it to be the best method yet presented the public." Vogue: "I know of none better than that under review." Pictorial Review: "It has been many years since I have had occasion to speak with such praise." L'Art de la Mode and Le Charme: "The best method yet presented to the public." Elite Styles: "I have found a method I can recommend." The American Dressmaker: "We would recommend this to our readers as the best." Theatre: "I can recommend it as being far superior to electricity, X-ray or any other method." Modes: "I am now free to admit that there is a safe and sure way of removing superfluous hair." The American Journal: "To all our readers I recommend this as the most trustworthy and reliable ever offered woman-kind." Men and Women: "I should surely recommend trying." Le Bon Ton: "Would not think of adding my endorsement if I were not convinced that this is the best method in the world today."

POPULAR GAMES AND TOYS

NOTICE—If you are interested in any kind of toys which you do not find here send for our Special Catalog showing our full assortment at all prices. This catalog is free.

Perfection Reversible Combination Game Board.

100 GAMES CAN BE PLAYED ON THIS BOARD.

The board is 28½ inches square, reversible, with good net pockets. Furnished complete with 109 pieces of equipment, including twenty-nine rings (four colors), two cues, fifteen numbered discs, ten pins, backstop, two dice boxes, four dice, thirty-eight pawns (four colors), direction book, two boxes for men, three removable legs and revolving stand. Only the very best basswood is used. No warping. Not like some boards, sold with two or three different colored woods on each face, making it more difficult to play and of bad appearance. All the squares, circles, diagrams, decorations, checker board and stencil work are in high polish, varnished and rubbed. Very artistic finish. Result of many years' experience. One hundred separate games can be played, including such popular games as Auto Race, Chuck-a-Luck, Chess, Checkers, Fortune Telling, Fox and Geese, Go-Bang, Nine Pins, Pool games, Backgammon, Shuffle Board, Crokinole. Twenty-five cue games can be played. Makes young people enjoy staying home evenings. Each board guaranteed perfect and complete. Separate parts can always be furnished at small nominal cost. Largely sold for progressive parties. After once seeing and trying it, and finding out for yourself the immense amount of enjoyment derived from such small investment, you will thank us many times for urging you to buy this beautiful board. No other game board contains so many new and interesting games. Shipping weight, 14 pounds. Regular price, $3.50.

FINEST QUALITY PLUSH TEDDY BEARS.

Plush Bears are not a fad, but are actually more popular than ever before. No toy brought out in recent years will hold the interest of the child so well as the bear, besides giving most splendid service, as they are almost indestructible. The quality we offer is of celebrated German manufacture, the best that money can buy. Beautiful long silk plush, perfectly featured bodies, very true to life, full jointed, allowing the bear to assume countless comical positions. All sizes are fitted with the very latest improved automatic growling voice, which requires no pushing or pressing to operate. The bear growls when the body is tilted. Comes in natural cinnamon color only. Priced according to size and proportion as given below.

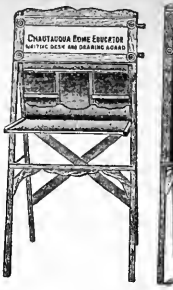
Chautauqua Home Educator Blackboard and Writing Desk, $2.25.



The result of the maker's effort to produce the very highest class and finest educational chart. Nothing has been spared to make it the very best. The blackboard has a special slated surface, and can be written on with chalk and easily erased. The chart stands 4 feet high and 22 inches wide. The desk and blackboard surface measure 16x18 inches. Chart is built of white oak, golden oak finish, handsomely varnished. The cabinet and five-compartment desk top are nicely colored, the desk being highly polished, and both chart and desk are made in a practical substantial manner. The chart scroll contains thirty-three plates, nearly twice as many as most charts on the market. The subjects are of the widest range, including lessons in penmanship, both English and German script, arithmetic, drawing, landscape and marine sketching, music writing, tables of standard weights and measures, interest rules, single and double entry bookkeeping, shorthand, telegraphy and a variety of others. A practical education for all, from the little tot beginning its A B C's, to the mature child eager to learn mysteries of mechanics, telegraphy, shorthand, etc. A fascinating amusement, yet not a plaything or toy. Can be folded to thickness of 2½ inches. Size, 47x22 inches. Shipping weight, 22 pounds.

No. 49H3012¼ Price..... **$2.25**

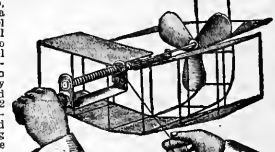
No. 49H1198 Price, 6 for..... **25c**

A Real Airship for $1.65.



It actually flies through the air. A good reproduction of the famous new model biplane, and will fly about 15 yards high, and for a distance of 50 yards. Made of the best steel spring wire and therefore very substantial and unlikely to get out of order. Practically no danger to the framework if machine should fall in a tree or strike a wire. The planes are covered with light silk material, so if through an accident they should get torn, they can easily be replaced. The mechanism is very simple, and can be operated by a child. Entire length, 12 inches; height, 7 inches. The momentum is produced by pulling a cord wound around patented starting handle. A most delightfully interesting and instructive toy for boy or girl. Complete with starting handle and cord. Shipping weight, 2 pounds.

MAGIC OUTFITS AND BEST SEPARATE TRICKS AT POPULAR PRICES

The Magic Outfits and Tricks shown below are high class and have been carefully selected and represent the secrets of the world's best magicians. A most ingenious collection of very good tricks, put up in fancy boxes and are the best known today. By a little practice you can entertain your friends with these mystifying tricks, which are easy to perform and your friends will wonder how the tricks are possible. Full directions with each trick, making them very easy to learn.

The outfits represent the best values possible at the price, but the magician should have a box as container and then buy separate tricks. Note our special separate tricks listed below. The X-Ray and Peerless Card Decks should be included in your order, as they are a great source of amusement.

High Class Outfit for Only 45 Cents.

Consisting of seven first class tricks, including Indian Magic Ball, Grandmother's Necklace, the Disappearing Marble Vase, the Mysterious Bucket and Ring for disappearing money, the Mysterious Discs, the Chinese coin and wood disc and Phantom Card Trick. All put up in fancy hinged cover wood edge box, 9x13 inches, with full directions. Shipping weight, 20 ounces. **45c**

No. 49H1301 Price.....

Our Nine Card Trick Outfit.

Consisting of nine high class, very mystifying card tricks, including Wonder Color Change Cards, the Disappearing Spots, the Knock Out Card Trick, the Sphinx Card Trick, the Phantom Card Trick, Pick It Out Cards, the famous Fade Away Cards, the Startling Card Tumbler Trick, and the Spotted Cards. Full and simple directions. Put up in neat fancy hinge box, 4⅜x6 inches. Shipping weight, 9 ounces. **35c**

No. 49H1306 Price.....

Best Outfit on This Page, 89c

Consists of thirteen separate and distinct tricks, including Herrmann's Multiplying Billiard Balls, the Obedient Ball, the celebrated Marble Trick, the Magic Ball and Vase, the Mysterious Ring and Block for disappearing money, the new Chinese Coin and Wood Disc, the Mysterious Discs, Grandmother's Necklace, the Phantom Card Trick, and four other equally popular mysterious card tricks. This outfit has been carefully prepared, and the largest value ever offered for this price. Fancy hinged cover wood edge box, size 10¼x16 inches. Shipping weight, 25 ounces. **89c**

No. 49H1300 Price.....

A Popular Outfit for Only 22 Cents.

Five first class mystifying tricks, including the celebrated Grandmother's Necklace, the Mysterious Discs, an apparently impossible mind reading effect, the Magic Dissolving Coin Ring, the Phantom Cards, and the new Chinese Coin or Wood Discs. Put up in hinge cover paper box, with full directions. Shipping weight, 9 ounces. **22c**

No. 49H1302 Price.....

$1.00 Mammoth Combination Card Trick Outfit for 69 Cents.

In our opinion the best outfit ever offered at anywhere near this price. Consists of nine carefully selected very best card tricks, as follows: Disappearing Spots, Knock Out Card Trick, Pick It Out, celebrated Fade Away Card Trick, Phantom Card Trick, Sphinx Card Trick, Startling Card Trick, Spitter and Wonder Change. To the above we have added two regulation size decks (52 cards each) trick cards; consisting of the celebrated Stripper cards and the famous X-Ray cards, fully described below. Each of these decks retail from 25 to 50 cents each. Packed in fancy hinge cover box. Size, 5x8⅜ inches. Shipping wt., 13 oz. **69c**

No. 49H1305 Price.....

Our Six Card Trick Outfit for Only 22 Cents.

No. 49H1307 Price.....

Magic X-Ray Cards.

The mind reading deck. Full pack of fifty-two cards. Per-

mit any spectator to choose a card, place it in deck, and shuffle and mumble over, the performer can instantly call out the chosen card. Shipping weight, 5 oz. **21c**

No. 49H1310 Price.....

The Magician's Peerless Deck.

Pack of fifty-two cards without marks. Enables an amateur to draw desired card from middle of deck. Call any number of persons to select cards, place in different parts of deck and shuffle pack themselves. You can draw all the cards at one cut. Shipping weight, 5 ounces.

No. 49H1311 **21c**

Price.....

Great Panel Trick.

Remarkable little trick that will astonish anyone. Place a coin on center of panel, covered by a plain tin cover. On removing cover it has vaulshed. Can be made to reappear while the cover is held down by spectator. A well made, neat popular trick. Shipping weight, 3 ounces.

No. 49H1312 **19c**

Price.....

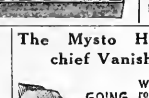
The Remarkable Spirit Slate.

No trick has ever puzzled the spectators more and created greater sensation than the famous so called "spirit writings," which appear between sealed slates that have been shown, cleaned, carefully tied together, and given to a spectator to hold. Full simple directions sent with each slate; no chemicals required. Shipping wt., 22 oz.

No. 49H1313 **45c**

Price.....

The Mysto Handkerchief Vanisher.



With sleeves rolled back, the performer takes a silk handkerchief, rolls it into a small ball, until finally it entirely vanishes. The hands never approach the body. Rapid movements required. Most mysterious trick to perform. Highly popular with magicians. Shipping weight, 5 ounces.

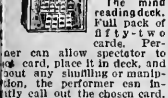
No. 49H1314 Price..**21c**

Phantom Cards.

A trick that will fascinate and bewilder any spectator. From five cards three are mentally selected by spectator, placed under an ordinary handkerchief. Performer withdraws two cards, the ones not selected. The performer invites anyone to remove the others, and to the great astonishment of all, they have disappeared. No sleight of hand. One of the most ingenious card tricks invented. Shipping weight, 2 ounces. **8c**

No. 49H1315 Price...

Magic Coins.

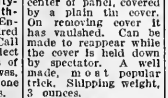


A mystifying and amusing trick. With this machine you can stamp out three bright new dimes from smooth, examined metal discs. A real money

...er. A fine pocket trick. Shipping weight, 2 ounces. **12c**

No. 49H1316 Price.....

Pass Pass Coin Trick.



This is without doubt one of the most brilliant and deceptive experiments ever devised. The performer shows seven coins, which he counts upon the table, one pile of four and one of three coins. Placing one of the nickel covers over each pile and instantly removing them, but two coins are found in one pile while the other is increased to five. This is repeated until all the seven coins are found under one cover. This trick can be performed anywhere under the very eyes of the spectators, and with the famous Mysto coins the trick is almost undetectable. Highly recommended as one of the best things to be had. Regular price, $1.50. Shipping weight, 4 ounces. **89c**

No. 49H1318 Price.....

Vanishing Coins.

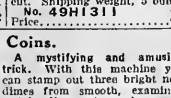
A coin held in the palm of the hand is made to vanish when the hand is closed. Only one hand used. No practice required. A very wonderful effect. Shipping wt., 2 ounces.

No. 49H1319 Price..**19c**

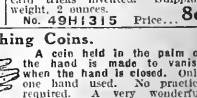
Mysto Cigarette Vanisher.

The latest and unquestionably one of the cleverest new things in this line. This undetectable and astonishing trick consists in causing a lighted cigarette to vanish with the sleeves rolled to the elbows and hands outstretched away from body. Harmless; easy to perform. Shipping wt., 2 oz.

No. 49H1317 Price..**21c**



Magic Ball and Vase.



A beautifully turned red polished vase containing a handsome enameled ball which can be made to appear and disappear right before one's eyes. A splendid low priced trick. Shipping weight, 2 ounces.

No. 49H1320 Price..**9c**

Multiplying Tray.

A capital trick with the use of coins. A number of coins are counted on a tray, and then visibly placed in the hands. A spectator is then requested to recount them and when once he finds they have mysteriously increased in number. Used by magicians throughout the world. Shipping weight, 10 ounces.

No. 49H1322 **65c**

Price.....

Vanishing Half Dollar.

A marked half dollar is placed under a handkerchief and a spectator is requested to drop the same into a glass of water. The coin is distinctly heard to drop, yet, upon removing the handkerchief, the half dollar has entirely disappeared.

Note—Without doubt the most practical and pretty coin trick. Shipping weight, 6 ounces.

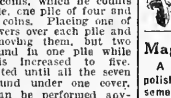
No. 49H1323 Price..**21c**

The Siberian Transport Chain.

Effect—A strong chain is thoroughly examined, also a "padlock" which can only be locked or unlocked with a key. The chain is locked on anyone's wrists and the person is unable to get the chain off and you always have to release them. Then you are secured by them in like manner. When tightly locked you may be thoroughly examined and the lock sealed. In an instant your escape is made. The most effective of the latest sensations for parlor or stage. Easy to perform and wonderfully effective. Shipping weight, 1 pound.

No. 49H1321 Price.....**65c**

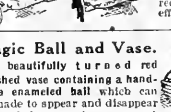
Ink to Water—Water to Ink. Ink Vase.



Two glasses, one filled with water and one with ink are made to actually change, the ink to water, the water to ink. Very fine. Shipping weight, 4 ounces.

No. 49H1324 Price..**45c**

Peerless Monte Christo Cards.



One of the greatest magic card tricks ever created. The effect is that the deck is shuffled, and without any exchange of cards, forcing or stacking, any person is deliberately allowed to look at any of the cards, and yet you know beforehand the card he will select. You can use these cards in any trick where forcing is required and they will produce a marvelous and astonishing effect. No complicated system. Nothing but the cards. Can be learned in a moment. Shipping weight, 5 ounces.

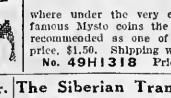
No. 49H1325 Price.....**45c**

New Remarkable Handkerchief Trick.

The finest handkerchief production ever invented, the most mystifical tube in existence, handkerchief made, and can be worked under the nose of the audience. Everything examined. Visitors make a drum head with paper on the end of the metal tube. This is done with the assistance of a metal ring, exactly fitting over the tube. With the tube still in their hands the paper is broken and two or more silk handkerchiefs, having been previously made to disappear, are withdrawn. Great for close work. Regular price, $1.00. Shipping weight, 8 ounces.

No. 49H1326 Price.....**89c**

The Palming Coins.



Particularly useful to magicians for palming purposes. Made of German silver that does not tarnish. Beautiful design. Acknowledged by magicians the world over to be the best conjuring coin ever manufactured. Shipping weight, 2 oz.

No. 49H1327 **23c**

Price, 3 for.....

Silk Handkerchiefs.

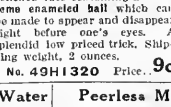
No. 49H1328 Red silk. Price.....**22c**

No. 49H1329 Blue silk. Price.....**22c**

Multiplying Billiard Balls.



This popular trick is accomplished with one hand only. One of the best billiard ball tricks in existence. Four different balls. Can be made to appear or vanish. A trick we know will please you. Regular price, $1.00. Shipping weight, 6 ounces.

No. 49H1330 Price..**83c**

Buy This Great Egg Bag Trick.

The greatest of all egg tricks done with the same of all egg bags. Not to be compared with imitations of this excellent and wonderful trick. Almost every principle new. The bag, egg, everything examined, the performer either with coat removed or cuffs rolled back to the elbows, right in the midst of his audience causes the egg to vanish, reproducing it in the bag at will. The audience can actually feel in the bag or search the performer. This trick is immense. Regular price, $2.50. Shipping weight, 1 pound. **89c**

No. 49H1331 Price.....

If mail shipment, SEND POSTAGE EXTRA, 1 CENT AN OUNCE, according to shipping weight.

$3.00 TO SPEND ON OTHER THINGS—You Save It on Our $11.95 Felt Mattress

YROGRAPHY OR THE ART OF WOOD BURNING

WELL SELECTED LINE. While the pyrographic goods we have shown in the past were the best possible to secure at that time, and have given satisfaction, we have this season been able to secure an entirely new line, the latest, highest finish, and most excellent quality ever offered; each piece representing exceptional t, and a product of painstaking experience. We have secured for our customers the latest, t line of pyrographic materials.

E VERY HIGHEST QUALITY MANUFACTURED. There is probably handise which so readily permits unscrupulous manufacturers and dealers to dispose of "seconds" and shoddy material as in pyrographic goods. The various stamped pieces we show are absolutely fresh new stock, beautiful white basswood, three-ply to prevent warping, and entirely free from knots, cracks, and other imperfections. Many dealers hide these defects under the designs, so they can hardly be detected.

PYROGRAPHY OR WOOD ETCHING is the art of burning decorated stamped designs on wood, leather or cardboard, by means of a heated point. The heat is produced by rubber bellows and attachments. Full instructions accompany each outfit. It requires but little experience—and no great talent—to produce very satisfactory work.

Good Pyrographic utfit for Only 98c.

is outfit contains all the neces- articles for the beginner, well ed in a fine clearly stamped wood box, fitted with brass and hinges. Includes a good ed tested platinum point, plain handle, imported red rubber ble bulb, metal screw cap, alco- amp complete with wick, metal in cork and benzine bottle, t of directions and book com- ng a complete course of instruc- t. Size, 6¾x4¾x1 inches. Ship- weight, 20 ounces.

. 8H4601 Price 98c

An Excellent Outfit for Only $2.69.

The quality of the articles in this outfit is the best and everything is guaranteed to give perfect satisfaction. The point furnished is heavier and more durable than points in less expensive outfits; the bulb is the same good quality imported red rubber but larger size, making the work easier; the benzine bottle is larger and in addition, the outfit contains a metal screw cap alcohol lamp, extra length of red rubber tubing, plain cork handle, metal union cork, also one bottle of wood filler and one bottle of stains for coloring burnt articles. The box is made of the finest white basswood clearly stamped and ready for burning, fitted with brass clasp and hinges and is divided into five partitions for keeping the respective articles separate. Also a sheet of directions and a book containing a complete course of instructions. Size, 10x1½x4½ inches. Shipping weight, 2¾ pounds.

No. 8H4603 Price.....$2.69

Our Best Outfit $3.85

This outfit is the best we carry and we are confident that you cannot duplicate it at anywhere near the price we ask, quality considered. The heavy platinum point is the best and has been carefully tested before packing. The handle has a patent swivel attachment which prevents it from twisting. The bulb is the largest made, extra large, thus requiring less than half the amount of labor to keep the point heated. There are seven partitions in the box, containing an alcohol lamp, large benzine bottle, one bottle wood filler and a complete set of water colors for coloring in natural colors the burned articles, in addition to a direction sheet and illustrated book of instructions, showing how to procure the different effects in burning. All packed in an exceptionally strong and well made box, stamped with a beautiful design for burning. Extension top and bottom, fitted with brass clasp and hinges and brass handle on cover. A practical and useful set and one that we recommend. Size, 9¾x7¾x4¾ inches. Shipping weight, 3½ pounds.

No. 8H4604 Price.....$3.85

Our $1.29 Outfit.

This outfit is more complete than No. 8H4601 in that it contains two bottles of stains for coloring the articles when burned, in addition to the regular and necessary pieces. Thoroughly tested platinum point and all the other articles will give equal satisfaction, including the first class plain cork handle. The double bulb is made of the best imported red rubber and there are also a metal screw cap alcohol bottle, metal union cork and benzine bottle, extra piece of red rubber tubing, direction sheet and a book comprising a complete course of instructions. All well packed in a very fine white basswood box, clearly stamped for burning and fitted with brass clasp and hinges. Size, 8½x6½x5¾ inches. Shipping wt., 1¾ lbs.

SYRINGES AND WATER BOTTLES

NOTICE—We are the only concern, to our knowledge, which sells syringes and water bottles that actually hold the amount given on the label, the average 2-quart packages only holding about 2 quarts. These short measures are sold to reduce the price. We are glad to say we do not sell short measure rubber goods. but all are guaranteed to hold the quantity the label specifies. Our prices are very low and you must realize we sell you a 2-quart bottle that actually holds 2 quarts as a 2-quart bottle, while it is sold in the trade as a 3-quart size and priced accordingly. When your doctor advises a 2-quart syringe, you want one that holds 2 quarts, and you get full capacity in the following line.

OUR GOODS, PRICES AND MEASUREMENTS ARE RIGHT.

89c **Sanitary Fountain Syringe.**

Fine medium priced white rubber syringe. Made of high grade rubber and contains vaginal, rectal and infant slip pipes, good rubber regular flow tubing and patent shut off. Packed complete in neat box. By far the best syringe ever offered at the price. Shipping weight, 17 oz.

Veno-Star Household Red Rubber Gloves.

Ladies! If you wash dishes, scrub floors, blacken the stove, develop photographic negatives, wash windows, trim plants, work in the garden, dye fabrics or do a hundred and one other household duties which roughen and soil the hands, then buy a pair of Veno-Star Red Rubber Household Gloves and protect your hands.

Never waste time and money on cheap household gloves. They look nice for a short time but do not wear. In rubber gloves, as in nearly all other commodities, it pays to buy the best. The Veno-Star Red Rubber Household Gloves are among the very best and highest class household gloves manufactured. They are as good as fine material and expert workmen can produce. They keep the hands soft and white and are unequaled for ladies' use in doing general housework. They are strong, soft and pliable and can be worn without the slightest inconvenience in doing work of the most delicate nature. Every pair fully guaranteed. Follow closely the directions for keeping them clean found on cover of each box. Especially note effect of oil and grease. Shipping weight, 8 oz.

DIRECTIONS FOR MEASURING—Take measurement loosely around hand over the knuckles and add ½ inch to amount for correct size. For example, if measurement around hand is 7½ inches add ½ inch and order size 8 glove.

No. 8H2496 Price, per pair.....89c

No. 8H2147 Price, 3 for..13c

Hygeia Nursing Bottle.

The Hygeia Nursing Bottle consists of two parts—breast and cell. The food is first put into a bottle, put into an open, wide mouth cell. This can be filled without a funuel, and cleaned without a brush. The interior can be wiped out with a towel. The other portion of the bottle is the nipple, but a breast, which is seamless, reinforced, reversible, and in form and function is like a mother's breast. It is yielding like an air cushion, yet noncollapsible, and is turned inside out with perfect ease for cleansing, so that both bottle and breast can be readily cleaned. The breast resembles mother's breast, so that when breast milk fails, or time for weaning has arrived, there is little difficulty in transferring baby from mother's breast to the breast of the Hygeia Bottle, or feeding from the bottle, while feeding from the breast, to make up the deficiency in the natural supply. Capacity, 8 ounces. Breast Shipping weight, 8 ounces. Retail price, 35c.

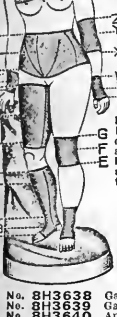
Elastic Stockings, Abdominal Belts and Shoulder Braces

Elastic Stockings, Etc.



Very best that skill, finest material and experience can produce. Prices only about one-half what other firms charge. We guarantee quality and workmanship to be the best. You can get nothing better at double the price at which we sell these goods. For the relief of varicose veins; weak, swollen or aftermated limbs; corpulency and abdominal weakness. As rubber goods spoil with age, these Elastic Stockings and Belts to wear well should be made of fresh material. As soon as we receive an order from a customer for elastic stockings, or other special make elastic goods, we at once send it to the factory and have the article manufactured exactly according to measurements given. We guarantee perfect fit and goods that are actually satisfactory. Anyone who has had trouble in obtaining either serviceable or good fitting stockings is requested to give us a trial.

Take measurements carefully at each letter as indicated in the illustration; also give the length from the lowest letter to the highest. For example: For a garter stocking you would take circumference at A, B, C, D and E; also the length from floor to E inside limb. For stockings extending above and below knee BE SURE TO TAKE SIZE AT A; ALSO LENGTH FROM LOWEST POINT TO F, AND FROM F TO HIGHEST POINT. For thigh knee cap give circumference at E, F, G, H and I; also length from E to F and from F to H. For thigh piece give circumference at U, V, W, and length from U to W; also state whether for right or left hand. Give us the exact measurements, which should be taken, if possible, in the morning. We allow for expansion. Shipping weight, 8 ounces.

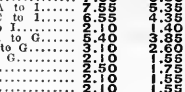
No. 8H3652 Sizes, 44 to 68 inches, 12 inches wide. Price.....$1.48

Moleskin Cloth Obesity Belt.



Made of very fine strong moleskin cloth, thereby giving comfort in the support required. Used to advantage by corpulent people, both ladies and gentlemen. They will give shape to the pendulous or relaxed abdomen. Its use leaves no room for surplus fat to accumulate. They are fitted with strong elastic side straps and stays. In sending your order be sure to give your measure at the largest circumference around the abdomen. Shipping weight, 14 ounces. Regular price, $3.00 to $5.00.

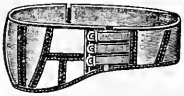
No. 8H3705 Heavy extra high grade moleskin cloth, leather protected stays to keep from working out of belt and an extra fine high grade belt made especially for us. The best one to buy. Price.....$2.45
No. 8H3704 The same belt sold by others and a good belt in every respect but of cheaper material and finish than belt above. Price.....$1.45

Pink Abdominal Supporters.

Made of the best covered mercerized Sea Island Thread with two stays to prevent wrinkling, and with four attachments for understraps if desired. Stays and backs of best white leather. Especially knit much wider in front than back, thereby preventing any tucks in back to hurt the body. Heavier elastic but similar construction to above supporter. Recommended for patients with large abdomens. We allow for pressure. Sizes, 32 to 56 inches. Give measurements around the abdomen. Shipping weight, 13 ounces.

No. 8H3695 Sizes, 30 to and including 38 inches, 8 inches wide. Price....$1.75
No. 8H3696 Sizes, 40 to 46 inches, 10 inches wide. Price.....$1.95
No. 8H3697 Sizes, 46 to 56 inches, 12 inches wide. Price.....$2.45

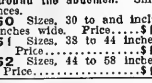
Perfection Maternity Belt.



The latest and most approved belt made. Material of two fine meshes of cloth, laces at sides, has extra lift up attachment at front. In our opinion it is one of the finest, softest and easiest worn belts made. Can be washed and kept cleanly and antiseptic. Should be worn by every expectant mother. For ordering specify size 6 inches larger than abdominal measurement, to allow for greatest expansion in belt. For example, for 38-inch abdomen you should order 44-inch belt, as measurement of belts in all cases count on greatest expansion. Shipping weight, 14 ounces.

No. 8H3708½ Price.....$2.65

Dr. Diemel's Lift-Up Supporter.

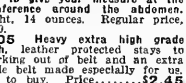


Linen Mesh.

Soft, light, cool, comfortable, perfectly ventilating. Will not unravel. Superior to muslin, flannel, silk or other fabrics. Strong and can be washed like underwear. Three adjusting straps on each side, and the special lift up strap at bottom to give extra support when needed. Sizes, 30 to 48 inches. In ordering give measurement around body at largest part of abdomen. Shipping weight, 15 ounces. Regular price, $2.50.

No. 8H3706 Price.....$1.95

Full Fashioned Abdominal Belts.



The finest made. Very best thread knit double at top and bottom, full fashioned, fine leather trimmed, silk stitched, full length leather chamois lined back pad, with eyelets for attachment of under straps, if desired. Made to order by hand. Shipping weight, 18 ozs.

No. 8H3702 Best Egyptian thread, all sizes, 10½-inch front. Price.....$6.00
No. 8H3703 Same as above, but made of finest silk. Price.....$8.50

Old Comfort Body Brace.

Why pay others $5.00? This style brace has been handled by us for many years, and is one of the most popular, and, in our opinion, one of the best supporters for the purpose intended on the market. Made from specially prepared material, adjustable, so trouble in getting a perfect fit. Upper portion of belt and shoulder straps of strong elastic webbing. Lower belt is non-elastic. Only white material is used throughout. Easily laundered. Can be worn under corset or over vest. Shoulder straps is furnished free of charge, to be used when first set is in laundry, so that brace can be worn when most needed. The genuine Old Comfort Body Brace is an abdominal supporter and shoulder brace combined, and in addition to possessing many of the good points of each, its special construction makes it very desirable for women needing a support of this nature. When ordering give number of inches around body about 2 inches below the tops of the hip bones. Shipping weight, 20 ounces. Regular price, $5.00.

No. 8H3500 Price.....$1.75

If mail shipment, SEND POSTAGE EXTRA, 1 CENT AN OUNCE, according to shipping weight.

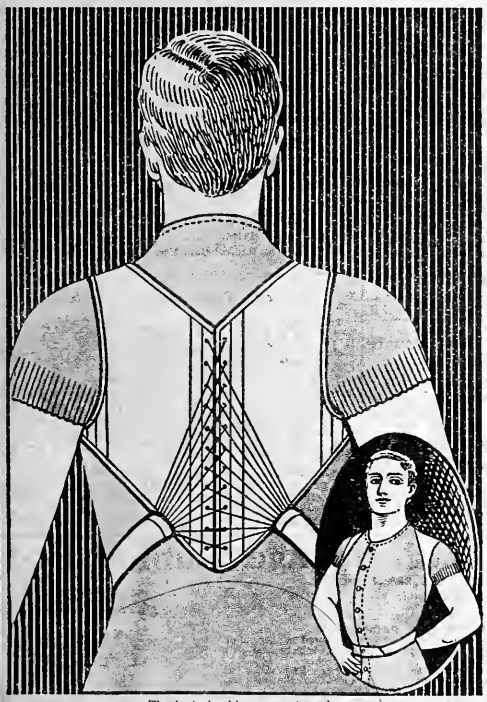
BREATHING GOVERNS YOUR HEALTH

PROF. CHARLES MUNTER'S

NULIFE

PATENTED

——MAKES YOU BREATHE CORRECTLY



The best shoulder garment made.

The Health Garment For Man, Woman and Child.

Everyone who has worn a NULIFE garment has shown immediate improvement in health and appearance. Every man, woman and child should wear a NULIFE, because every NULIFE wearer is a living testimonial of health.

NULIFE is recognized the world over as the best and most beneficial garment ever invented for compelling deep breathing, expanding the chest, straightening round shoulders, reducing the waist and making you stand naturally, sit and walk correctly all the time.

Gives man a military appearance, gives women the grace, symmetry and poise demanded by health and fashion, rounding out the hollows of the neck and chest, and causes weak, round shouldered and delicate children to improve rapidly and grow up healthy and strong.

NULIFE is not made of steel or rubber, but is a thin washable garment as light as a feather, but very strongly made, fits the body smoothly and responds easily to every movement of the wearer. One trial will convince you of its wonderful merits. Gives the same benefits to athlete or invalid, young or old.

Deep breathing is Nature's method for ventilating and purifying the human body, exhausting the gases created by foodstuffs and carries oxygen or life giving atmosphere throughout the entire system, creating perfect circulation and preventing decay.

Deep breathing keeps the lungs in proper action all the time, which purifies the blood and creates new life throughout the system.

Deep breathing increases the capacity of the lungs, which are the storage batteries of energy and the reservoir of strength for the body.

Fresh air is Nature's natural medicine for the body and gives proper benefits without any fear of harm.

Deep breathing straightens round shoulders and sunken chest by developing the upper structure of the body to its natural formation.

Deep breathing creates proper pressure that stimulates heart action and gives it energy to promote circulation.

Deep breathing keeps the body in a normal temperature and prevents colds, coughs, throat and lung trouble brought about by improper breathing, and renders the body less susceptible to disease.

Deep breathing gives all the benefits of physical culture without loss of time or exercise.

Deep breathing makes the weak strong, and the strong more healthy and vigorous.

NULIFE is not a mechanical restriction, but a health garment made on scientific principles, whose good results are positive and permanent.

For more than seven years NULIFE has been recommended and sold the world over by eminent physicians, physical and vocal instructors, military authorities and teachers of breathing exercises, at $3.00 a garment, complete. At our price you save over one-third.

Try NULIFE First and Avoid Experiments and Dissatisfaction

No garment is a genuine NULIFE unless the name is woven in the belt.

In ordering be sure to give height, weight and measurement, clear around the body at chest, and state whether for man or woman, boy or girl.

No. 8H3800 Regular price, $3.00. Our price **$1.92**

Shipping weight, 8 ounces.

Every school child should wear a NULIFE.

NULIFE holds up the shoulders and makes the child grow erect and strong.

NULIFE makes you sit and stand correctly.

NULIFE rests you while you work and gives you a graceful and stylish appearance.

Men's and Women's Hosiery Guaranteed Six Months at Large Saving.

THE BEST TRUSSES At Reasonable Prices

TRUSSES

THE LARGEST TRUSS Business IN THE United States

WE HANDLE ONLY THE VERY BEST MAKES. TRUSSES OF EXCEPTIONAL QUALITY AND FINISH.

OUR UNQUALIFIED GUARANTEE. We guarantee every truss we ship to be strictly as represented and of the highest grade manufactured. We guarantee that our prices are much lower than those charged by others for trusses of like quality. Make an investigation for yourself and prove our statement.

IN ORDER TO PROVE TO EVERY PERSON who wears a truss that we can fit your condition, that we can save you half the retail price you formerly paid, and in order that the truss may meet your every requirement, we will allow you to purchase any truss shown in our catalog, with the distinct understanding that you may compare it with trusses from other houses and that you may try it on, adjust it, and wear it for a reasonable time as a trial, in order to prove its value and that it is just the truss you require. A few hours' wear will easily prove to you whether or not the truss fits your particular case. If, however, you find after trying it on that it causes pain, that it does not hold the rupture, or, in other words, is not satisfactory, then **DO NOT WEAR IT ANY LONGER,** but return it to us and we will either exchange it for another form of truss or will gladly return your money.

EVERY TRUSS WEARER should wear a "Nulife" Shoulder Supporter (see page 509). It holds up the shoulders and abdomen, which is of great importance in keeping the rupture in place. We urge you to buy a "Nulife" and you will thank us many times for the suggestion.

Elastic Trusses

Trusses with elastic bands are excellent styles for use at night to continue the support given by a spring truss during the day. Remember, to elastic as well as spring trusses, it pays to buy the best.

A rupture can only be cured by giving continuous support and not allowing protrusion at any time. An elastic truss worn at night and a spring truss during the day gives such support and help nature to contract and heal the opening in the shortest possible time.

J. Ellwood Lee's Genuine New York Elastic Truss.

SINGLE, 59c
DOUBLE, 98c

Made of an extra good quality web elastic 1¾ inches wide, of great strength and durability. Fitted with nickel fasteners, solid front and fine enamel pad, which is reversible, so it can be arranged for either right or left side. Remember that this truss is fitted with the very best improved safety clutch fastenings, the most reliable fastener made. The price of this style of truss elsewhere is usually from $1.00 to $2.50. We guarantee our trusses to be of high quality workmanship and finish, and to cost you much less than usual prices. Shipping weight, single, 6 ounces; double, 8 ounces.

No. 8H3510 J. Ellwood Lee's New York Elastic Truss, reversible, single. (Be sure to state size and side.) Price.....59c

No. 8H3511 J. Ellwood Lee's New York Elastic Truss, reversible, double. Price.....98c

The above truss can be furnished in youths' and adults' sizes at the prices quoted. **Be sure to send with your order measurement around body on a line with rupture.**

Do not fail to state on which side the rupture is located.

Walker's Approved French Pad Single Elastic Truss.

A HIGHLY RECOMMENDED TRUSS.

SINGLE, $1.75

Composed of fine strong extra wide elastic, to which is attached the improved Walker pad or pads combined with strong elastic understraps. It is one of the best elastic trusses made. This truss is fitted across the body, the full part of the pad being the center. The advantages of this style of truss over other elastic trusses are as follows:

First—By fitting across the body and fastening on the center steel posts on the back of pad a center draft over the top of pad is produced, insuring inward and upward pressure.

Second—By hooking on the tie strap the pad tips produce upward and inward pressure at the same time. **Walker's Approved French Pad Elastic Truss is, therefore, especially adapted for rupture which comes out egg shape, usually known as inguinal hernia, or light cases of scrotal rupture, where the intestines go down into the scrotum, called inguinal scrotal rupture.** Fitted with rubber tubing understraps. Can be furnished in stuffed pad or water pad. In ordering state which kind is desired. Made of the finest extra wide and heavy web elastic. This truss is reversible and adjustable. Shipping weight, 8 ounces.

No. 8H3512 Walker's Approved French Pad Single Elastic Truss. (Be sure to state size and side.) Price.....$1.75

Lee's Lever Elastic Truss. Double, $2.95.

Lee's Lever Elastic Truss has many valuable features, the most important of which is the fact that by means of the lever appliance extra pressure may be obtained, in cases of severe rupture. Can be used in both single and double rupture. The belt is 2 inches wide, made of good grade web elastic. Solid leather casing and brass trimmings. Fine enameled finish double pads on one plate, as shown in illustration. Shipping weight, 14 ounces.

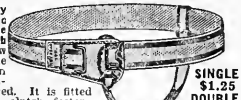
No. 8H3525 Lee's Lever Elastic Truss. (Be sure to state size and side.) Price, complete.....$2.95

No. 8H3526 Lee's Lever Elastic Truss, with Water Pad. (Be sure to state size and side.) Price.....$3.40

No. 8H3527 Lee's Lever Elastic Truss, with Radical Cure Center Spring Pad, for adults only. (Be sure to state size and side.) Price.....$4.50

NOTICE—The Radical Cure Spring Pad is for use of adults.

Lee's Special Elastic Truss.



SINGLE $1.25
DOUBLE $2.25

A superior quality high grade elastic truss, made of a fine quality of heavy web elastic. It has a new style belt, adjustable at both ends so it can be lengthened or shortened as may be desired. It is fitted with improved safety clutch fastenings. Complete with the well known leather covered water pads. These water pads are very popular and comfortable and are reversible, so they can be arranged for either right or left side. This class of truss is seldom sold by others for less than $2.50 to $4.00, single, and as high as $4.00 to $6.00 for the double truss. Shipping weight, single, 8 ounces; double, 12 ounces.

No. 8H3514 Lee's Special Elastic Truss, youths' or adults' size, single. (Be sure to state size and side.) Price...$1.25

No. 8H3516 Lee's Special Elastic Truss, youths' or adults' size, double. Price.....$2.25

Be sure to send with your order measurement around the body on a line with rupture. also state whether leather or silk covered pads are desired.

Walker's Approved French Pad Double Elastic Truss, $2.75.

DOUBLE, $2.75

The Walker Double Elastic Truss has all the advantages as explained in the description of the single truss, but has two pads instead of one and is furnished with double rubber tubing understraps. Shipping weight, 13 ounces.

No. 8H3519 Walker's Approved French Pad Double Elastic Truss. Price.....$2.75

Keystone Appendicitis Supporter.

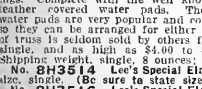
$2.95

This newly perfected truss now meets a long felt want. It affords good pressure and protection needed for all persons subject to attacks of this disease. The large soft white kid pad is attached to body by means of the very best 3-inch white elastic. The understrap is of best material and prevents slipping. The pad is of celluloid face with white kid pad, is adjustable, is soft, easy and comfortable and affords a good surface protection. This truss can also be used for holding difficult ruptures and for protection after operation on abdomen or lower parts. We believe this truss will give you satisfaction. Shipping weight, 10 ounces.

No. 8H3570 Price.....$2.95

Patented Akron Elastic Trusses With Sponge Rubber Pads

IN OUR OPINION THE VERY BEST ELASTIC TRUSSES MADE.



All manufactured from the very best 1¾-inch elastic, with genuine leather and nickel plated improved safety clutch fasteners and popular patented Akron soft sponge rubber pads. The Akron soft rubber pad trusses cost a little more than others, but for comfort and satisfaction are well worth the difference.

AKRON PATENTED SPONGE RUBBER PADS.

Just what the name implies, pads made from a special compound of the finest red rubber made in molds and blown to a perfect porosity, fine and firm, yet soft and resilient, velvety and soft to the skin, and a comfort and relief to truss wearers.

The Akron sponge rubber pads are the most comfortable so far produced. Pad yields at every point, adapting itself to the ruptured parts and covers instead of spreading the rupture. PAD WILL NOT SLIP, BUT STAYS WHERE IT IS PUT. Can be easily removed from the truss and can, without injury, be washed with soap and warm water, keeping them clean, odorless and aseptic. We strongly suggest to truss wearers that they give this pad a trial. Satisfaction guaranteed or your money back. These pads are supplied only on the Akron trusses.

SINGLE ELASTIC TRUSS WITH SPONGE RUBBER PAD.

This truss has double end straps which admit of different adjustments; drawing up the lower strap gives inward and upward pressure in building the rupture firm for all motions of the body and limbs.

DOUBLE ELASTIC TRUSS WITH SPONGE RUBBER PADS.

Same grade elastic as the single, but with double pads and double understraps. Easy adjustments and a truss that gives satisfaction.

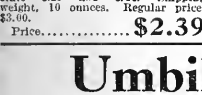
No. 8H3545 Akron Elastic Truss, single, reversible. Be sure to state size and side. Shipping weight, 10 ounces. Regular price, $3.00. Price.....$2.39

No. 8H3546 Double Akron Elastic Truss, with two rubber sponge pads and the same adjustment as the single truss. Shipping weight, 12 ounces. Regular price, $6.00. Price.....$3.95

Umbilical Trusses for Adults and Infants

Akron Umbilical Truss With Sponge Rubber Pad.

FOR INFANTS AND YOUTHS.



Flat and navel pad made from sponge rubber, soft and comfortable to the flesh. Buckle for adjusting and fastening bend is on the outside of pad, eliminating all danger of hurting the child. Easily cleansed with soap and warm water and perfectly sanitary in every way. Far superior to the old style hard pads. Will not slip. Made in all sizes. In ordering give size around abdomen. Shipping weight, 3 ounces.

No. 8H3547 Price.....89c

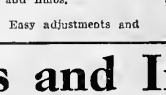
Akron Umbilical Truss With Sponge Rubber Pad.

FOR ADULTS.

Flat and navel pad made from sponge rubber, soft and comfortable to the flesh. Wide high grade elastic and a very fine truss. Pads can be easily cleansed with soap and warm water and kept perfectly sanitary in every way. Preferred by many to the hard pad style belts. These pads will not slip, and are highly recommended. In ordering give size around abdomen. Shipping weight, 15 ounces.

No. 8H3548 Price.....$2.55

Infants' Umbilical Truss.



Soft Rubber with an inflatable pad. An excellent truss for very young infants. Sizes, 10 to 17 inches inclusive. It consists of a short rubber belt with laces in the back. The pad, which covers the navel, is inflated through the rubber tube and when filled the tube is tied with a soft string to prevent the escape of air from the pad. Be sure to give size around body when ordering. Shipping weight, 3 ounces.

No. 8H3602 Price.....89c

Umbilical Trusses.

Infants, $1.50
Adults, $2.10

Genuine Elastic Umbilical Truss, recommended by physicians as a very good truss for umbilical rupture. It is made of the strongest quality of elastic truss webbing, calf and kid pads. If in need of such a truss send to us for it and examine it. You will be satisfied and save money upon it. Shipping weight, 12 ounces.

No. 8H3604 Adult's size. (Be sure to give size around body.) Price.....$2.10

No. 8H3605 Infant's size. (Be sure to give size around body.) Price.....$1.50

If mail shipment, SEND POSTAGE EXTRA 1 CENT AN OUNCE, according to shipping weight.

FINE SPRING TRUSSES AND SUSPENSORIES

LEATHER COVERED FRENCH SPRING TRUSSES.

A very serviceable spring truss at a price within the reach of everyone. A high grade spring truss, but covered with a medium grade of leather, and attached instead of movable pad, single instead of double stitching, and without some of the more expensive attachments of the higher priced trusses. This truss cannot be duplicated at any price near our quotation, considering the quality of the truss, and although we supply them to our customers at a nominal figure, they are high grade, well made, leather covered spring trusses and give good satisfaction. Even at our low prices we sell this truss with a guarantee that it will fit perfectly and if not entirely satisfactory when you receive it you can return it at our expense and we will return your money. Shipping weight, 11 oz.

No. 8H3528 Leather Covered Spring French Truss, single. (Be sure to state size and side.) Price.....**77c**

Double Truss. The style, material and finish of this truss are the same as the single truss, except that it has two pads which with the additional feature of spring back pad which is soft and pliable, make the double truss very comfortable. Shipping wt., 20 oz.

No. 8H3529 Leather Covered Spring French Truss, double. Price.....**$1.75**

WALKER'S APPROVED FINE FRENCH LEATHER COVERED SPRING TRUSS.

A Very High Grade Medium Priced Truss. SINGLE TRUSS.

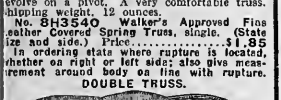
Single, $1.85

This truss has fine Russia calf covering and is furnished with fine water pad, stuffed and to make it soft and comfortable for wearer. This truss has a special feature by which it may be adjusted to any angle to suit the position of the rupture, by releasing the thumbscrew that goes through the nickel steel neck into the pad, thereby allowing pad to revolve on a pivot. A very comfortable truss. Shipping weight, 12 ounces.

No. 8H3540 Walker's Approved Fine Leather Covered Spring Truss, single. (State size and side.) Price.....**$1.85**

In ordering state where rupture is located, whether on right or left side; also give measurement around body on line with rupture.

DOUBLE TRUSS.



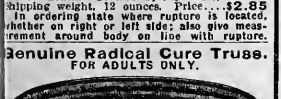
Double, $2.85

The style, material and finish of this appliance is the same as the single Walker's Fine Leather Covered Truss, except that it has two pads and with the additional spring back pad, as shown in the illustration, which is soft and pliable, makes this double truss very comfortable.

No. 8H3550 Walker's Approved Fine French Leather Covered Spring Truss, double. Shipping weight, 12 ounces. Price....**$2.85**

In ordering state where rupture is located, whether on right or left side; also give measurement around body on line with rupture.

Genuine Radical Cure Truss. FOR ADULTS ONLY.



Single, $3.75 Double, $4.75

The finest spring truss made. Fitted with the most reliable and long tried radical cure pad, used so extensively for the more difficult cases of rupture.

The Radical Cure Truss is made of best spring steel with a wide orange calfskin leather cover, padded inside, top and bottom edges of the new style roll finish, preventing the edges from cutting into skin. A handsome practical truss made of the best material, in the most approved manner, for which many truss fitters everywhere charge from $10.00 to $15.00. Our price is $3.75, full adjustment, so that the pad can be placed in the exact position required; that is, higher up, or lower down, or to the right, or to the left, making it possible to shift the pad to any position within reasonable limits, so that you can fit yourself and save from $5.00 to $10.00, which truss fitters usually charge for fitting.

This Radical Pad has a soft leather covered outer rim with a stationary hard rubber inner pad on metal plate back, adjustable in every direction and can be used for either side. Shipping weight, 20 ounces.

No. 8H3598 Radical Cure Truss with stationary hard rubber center pad, single. (Be sure to give size and side.) Price....**$3.75**

No. 8H3599 Radical Cure Truss with stationary hard rubber center pad, double. Price.....**$4.75**

Our Leader Scrotal Truss. A Truss That Meets Nearly All Requirements. As Good as Money Can Buy.

Single, $3.95

Double, $5.95

WE HAVE SELECTED

as a leader the genuine full cavil covered scrotal truss, manufactured by J. Ellwood Lee Co., the celebrated truss manufacturers of America. It is a truss that can be used either for regular or scrotal rupture. This truss is sold by nearly every surgical instrument and physicians' supply dealer in the country at practically double our prices.

EVERY PART OF THE TRUSS

is selected with special care. The springs are the very best steel and carefully tempered. The covering over the spring is heavy calfskin, padded inside and fine casing, double silk stitched, with hand made pad, preventing its cutting the body and making the truss easy and comfortable. The pad is especially constructed, hair stuffed, covered with soft leather, large in size and will hold a rupture where every other form of pad has failed. It has a rubber covered elastic understrap which keeps the pad in perfect shape and prevents its slipping or shifting. This truss is the very best truss that can be made and we guarantee will give satisfaction in every case. We offer you the single truss for $3.95 and the double truss for $5.95. We offer you this excellent truss at these low prices in order to bring the best truss within the reach of all.

IT PAYS TO BUY THE BEST

Fine German Scrotal Truss.

Single, $2.25 Double, $3.35

In cases of rupture which are exceedingly difficult to be held in position the Fine German Truss has proved very successful. This is a spring truss, leather covered, with scrotal pad. It is fitted with an additional understrap which holds the pad in position and which prevents the moving of the pad. Consequently it will hold the rupture better than most any other style of belt, yet it is comfortable and effective in the treatment of rupture.

is difficult to hold, single. (Be sure to give size and side.) Price.....**$2.25**

No. 8H3554 Fine German Truss for double rupture. Price.....**3.35**

If mail shipment, postage extra, 14 cents.

In ordering the Single Fine German Truss be sure to state the side on which the rupture is located, whether right or left; also give measurement around body on a line with rupture in all cases.

Vim Athletic Supporter and Suspensory Combined.

Combines all the convenient and essential features of an athletic supporter and suspensory. The materials used are the very best and workmanship par excellence.

As an Athletic Supporter. The leg bands are attached in front, not to the waistband, but to the bandage itself, and for this reason there is no downward pull to cause the supporter to slip over the hips, nor will the leg bands get out of place to cause chafing.

As a Suspensory. The Vim is light, cool and comfortable. It fits perfectly without adjustment. There are no buckles to cause discomfort and the comparatively wide bands lie flat so they cannot possibly cut into the flesh. Especially adapted to athletes and as a combination suspensory, can be changed in a moment's time while being worn from a reinforced athletic supporter to a light, cool suspensory. Regular price, $1.00. Furnished in three sizes, small, medium or large. State size. Shipping weight, 5 ounces.

No. 8H3780 Vim Athletic Supporter and Suspensory. Price.....**79c**

Draw String Suspensory.

Something new in the line of draw string suspensories. Exceptionally neat in appearance and embodies features and advantages in construction not found in many suspensories. Durable, comfortable, easily washed and elastic in bands and very serviceable. Shipping weight, 4 ounces.

No. 8H3783 Lisle Suspensory.....**33o**

No. 8H3784 Silk Suspensory.....**49o**

Heavy Elastic Truss Webbing.

Heavy Elastic, for trusses, artificial limbs, etc., furnished only in 1 or 2-yard lengths. 2 yards just double the 1-yard price. Shipping weight, per yard, 2 ounces.

Get the Benefit of Fresh Air While You Sleep

The Perfection Window Tent in Use, With Portion of Wall Cut Away to Show the Relation of Tent to the Bed.

The Perfection and Monarch Window Tents are the most sanitary window tents yet devised. They are adjustable, not only to fit the windows but the bed as well, and can be put up or removed on a moment's notice. Require no nails, hooks or screws to put in place, and all covering can be removed for cleansing and disinfecting by the release of a single spring.

Open Air Window Tents are furnished in two grades as follows:

THE PERFECTION. The best open air window tent it is possible to manufacture. Highest grade material, very best connections. Satisfaction guaranteed. Regular price, $20.00. Weight, crated, 20 pounds.
No. 8H4015¼ Perfection Open Air Window Tent. Price.....$10.50

THE MONARCH. By eliminating a few features which are incorporated in our Perfection Window Tent, without sacrificing any of the essential features, the Monarch Window Tent has been constructed.
Regular price, $15.00. Weight, crated, 15 pounds.
No. 8H4020¼ Monarch Open Air Window Tent. Price.....$8.50

Turkish Bath Cabinets

The following line of Turkish Bath cabinets is the best made. This same line is highly advertised under another name and sold much higher than our prices. They are all of the latest steel spring construction, are all patented, extra well made, larger in size than most cabinets and are the most satisfactory bath cabinets sold today.

The vapor bath is a very reliable means for effectively opening the pores, thereby aiding elimination through the pores of the skin.

With a steam cabinet you can take a Turkish bath in the privacy of your own home just before retiring, consequently there is no exposure afterward. You avoid any danger from this source and also save much valuable time and have the bath ready for immediate use when most needed, save the expense of public baths, and most important of all, breathe fresh air while bathing, air not polluted with poisons exhaled from others.

If you desire a home treatment for opening the pores of the skin, for aiding the production of a clean, healthy body, buy a good bath cabinet. It is an investment you will never regret. We carry four grades of bath cabinets, depending upon the covering material and appliance desired, as follows:

$12.50 Imperial Bath Cabinet for Only $9.15.

The Very Finest Money Can Buy. The only cabinet made with double faced rubber goods. There is no better bath cabinet construction possible. It possesses features of great value not embodied in the construction of any other cabinet on the market.

The Special Patent Features. We direct special attention to the four-piece top, which enables the occupant to cool off gradually, a feature especially desirable for those whose conditions would not permit of a too sudden change in temperature; the tops are fastened by metal patented turning knob buttons; the corners have patented double wall stitched protectors, preventing the corners from tearing or wearing out when cabinet is folded. Cabinet also has patented side wall fastener.

The Extra High Grade Material. The top is of very extra heavy rubber coated canvas, the side walls are made of double coated rubber canvas placed back to back, making it sanitary and easily cleaned. The goods will not stretch or crack when on the frame, and are antiseptic, germ proof, heat and cold not affecting the material.

The Special Alcohol Heater and Vaporizer, furnished free with this cabinet is an improvement over any other, and has patented flame reflector, enabling user to heat cabinet quickly with minimum amount of alcohol.

The reliable heater furnished with Imperial and Chicago Cabinets.

The Very Superior Face Steamer, sold separately at $1.00, is furnished free with this highest grade cabinet. (See illustration of face steamer at bottom of page.)

We Recommend This Cabinet to be the very best made, regardless of price. Easily handled. A child can operate it. When not in use, can be folded into space 1¼ inches thick. Size, set up, 28¼x30½x41½ inches. Regular price, $12.50 to $15.00. Shipping weight, 18 pounds.
No. 8H4008¼ Our special price..$9.15

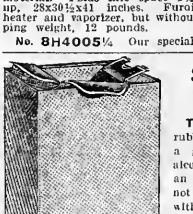
$10.50 Chicago Bath Cabinet for Only $7.85.

An extra high grade cabinet, usually sold for $10.50 to $12.00. Lined inside, making it double walled, no cloth showing on either side. Double faced rubber drill; all material of the best; heat and cold not affecting the goods. Will never soil. Has the four-piece patent top with buttons, as described above, and with the patented corners, but without the special side fastener. Furnished complete with patented heater and vaporizing pan and with the high grade face steamer, illustrated at bottom of page. Folds into space 1¼ inches thick. Size, set up, 28x30¼x41½ inches. Sufficiently large for one to take foot bath while taking Turkish bath. A cabinet for those who wish the very best quality cabinet possible to secure at this price. Shipping weight, 18 pounds.
No. 8H4010¼ Our special price.....$7.85

$7.50 La Salle Cabinet for Only $5.25.

The finest medium priced cabinet made. It is constructed with one thickness of goods, rubber lined, so it can be easily cleaned; checked material on outside. Has the four-piece patented top construction; the same as the two above, with same style buttons, but less expensive, patent side wall fastener, reinforcing it. A cabinet which sells at retail for $7.50. Thoroughly waterproof material. Folds into space 1¼ inches thick. Size, set up, 28x30½x41 inches. Furnished with good alcohol heater and vaporizer, but without the face steamer. Shipping weight, 12 pounds.
No. 8H4005¼ Our special price.....$5.25

$5.00 UTILITY CABINET FOR ONLY $3.75.



The best low priced cabinet. One single thickness of goods, rubber lined. Has the four-piece top, with large eyelet clasps, a good quality of rubber cloth. Furnished complete with alcohol heater and vaporizer, but without the face steamer. While an unusually fine cabinet for this low price, it, of course, cannot compare in appearance, general efficiency and durability with the higher priced cabinets. Folds into 1¼-inch thickness. Size, set up, 28x30x41 inches. Regular price, $5.00. Shipping weight, 12 pounds.
No. 8H4000¼ Our special price.....$3.75

Wire Metal Vapor Bath Stool.

Fancy heavy twisted wire stool with varnished hardwood seat, 9½-inch diameter metal rim. All metal parts oxidized finish. Size, 11¾x11¾x18½ inches high. Shipping weight, 5 pounds.
No. 8H4011¼ Wire Metal Vapor Bath Stool. Price $1.45

Improved Face Steamer.

This Face Steamer furnished free with the two higher priced cabinets, and for $1.00 if purchased separately. Shipping weight, 12 ounces.
No. 8H4012 Improved Face Steamer. Price $1.00

Taroleum Ointment.

A scientific chemical preparation for the feet. Keeps them tough, elastic and healthy. Stimulates a rapid healthy growth, removing inflammation and soreness in a few days so the horse will go better, overcoming the tendency to travel short and sore; he will then drive bolder, stride farther, have more speed and in a hard drive better. Valuable for race horses that sore up. Is an antiseptic dressing and used for old sores, scratches, grease heel, bruises, galls, mange, etc.

Nutriotone.

Bring the pasture to the stable. A record of thirty-seven years of success. Used regularly year after year by thousands of horse owners. Horses when worked or driven regularly, or kept in the stable, need something in addition to hay and grain to keep them in condition. Nutriotone meets the need perfectly. It is not a stock food, but a tonic, containing in condensed form the properties which animals running at large get from pasturage, and this tonic, used in connection with regular feed, keeps the digestive organs working properly, and enables the horse to extract the greatest possible nourishment. Nutriotone expels worms quickly and safely, aids digestion, prevents colic, regulates and cleanses the bowels and blood, and removes blotches and eruptions of the skin. Nutriotone is especially valuable for horses used for breeding purposes. Weaned colts thrive when Nutriotone forms part of their rations. If you own horses you cannot afford to do without this splendid tonic. If you are interested in securing a free booklet giving list of some of the largest concerns in the world using Nutriotone, write and ask for our Nutriotone Horse Tonic Booklet, mailed free on request.

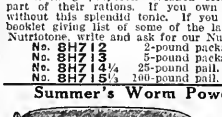
Summer's Worm Powders. For Sheep, Horses and Hogs.



Fed to millions of animals every year. Thirty years the standard American worm remedy. Combines the necessary qualities of perfect worm destroyer with such tonics as will regulate digestion, stimulate the appetite and restore the stock to normal condition to the minimum of time. Summer's Worm Powders destroy stomach and intestinal worms, including tape, twist, stomach and others, and are very easily administered. Simply mix with feed or salt. Makes a very pleasant and effective medicated salt. Summer's Worm Powders should be kept before stock mixed with salt at all times as a preventive. Worms never attack stock receiving this treatment. Satisfaction guaranteed or your money back.

Poultry Roup Remedy.

POULTRIOTONE.

HOW TO MAKE MORE PROFITS FROM YOUR POULTRY.

There is money in poultry, but it takes just as much time, trouble, feed, labor and care to keep hens that lay sparingly as it does to keep hens that lay 200 eggs a year. Poultriotone is highly recommended by the makers as the best poultry conditioner and toner made, claiming it increases the appetite, aids digestion and tones up the general condition of the fowl. This preparation has been highly advertised and has many excellent testimonials of its benefit and value. Guaranteed by its manufacturers as purely vegetable and very beneficial for invigorating breeding fowls and increasing the fertility of the eggs. Equally well adapted for turkeys, chickens, geese, pigeons and other fowl. Easy to give by mixing it with the feed or water. A heaping teaspoonful for a dozen fowls.

CAPONIZING SET.

POULTRY RAISING PAYS.

Poultry raising if properly conducted is very profitable, and every good raiser knows that he can double his profits by caponizing his chicks. The operation is very simple, the instructions being so explicit that anyone, after a careful reading, can do it with these instruments. The complete caponizing set contains the best instruments, and at the price at which they are offered no one who keeps chickens can afford to neglect this opportunity of increasing his profits. Shipping weight 8 ounces.

No. 8H823 Price, per set, in velvet lined case, with book, "Instructions for Caponizing".....$2.35

Guaranteed **Standard Stock Dips** Approved

Cooper's Fluid Cresol Dip

Permitted by U. S. Government for Official Dipping. Strength, 1 to 120. Mixes clearly with water 1 to 10 as now required by law.

One of the most popular and effective liquid dips in America. The product of the largest dip makers in the world. Cooper's Fluid Cresol Dip represents the combination of strength and purity with effectiveness. It is perfect and complete in composition, free from crude substances, contains no tar oils, and requires no addition except water. No sediment, no stirring or shaking. Will not injure sheep or wool. Owing to the purity and concentration 1 gallon of Cooper's Fluid Dip goes farther than most other dips. Each gallon of Cooper's Fluid Dip makes 120 gallons of dipping fluid for scab and 200 gallons for ticks. Figure this carefully when comparing cost—it's where you make the saving.

Cooper's Fluid Dip has been in use for a number of years; it was the first Cresol dip recognized by the Government; there's no doubt as to its effectiveness. Uncle Sam has permitted its use in all official dipping for sheep scab. This alone assures a dip of certain worth and reliability.

Cooper's Fluid Dip absolutely destroys scab, kills lice and ticks on sheep and goats, kills lice on hogs and is unequaled for general disinfecting purposes. For use as a disinfectant 1 gallon of Cooper's Fluid Dip makes 300 gallons of antiseptic fluid. It will also be found very satisfactory for ringworm, thrush in horses, etc. When mixed with water Cooper's Fluid Dip makes a water clear solution; no emulsion containing insoluble and wool staining oils; no sediment, no stirring. Mixes easily with water.

Cooper's Fluid Dip cleanses and heals, stimulates growth of wool and destroys disease without any setback to animals. A splendid dip for hogs, cattle and goats, and a powerful disinfectant and insecticide for all purposes. Satisfaction guaranteed or your money back.

Hunt's Cresol Dip

Permitted by U. S. Government for Official Dipping. Strength, to 124. The best, strongest, and most efficient Cresol Dip produced by any manufacturer. A reliable, up to date, standardized, efficient dip for sheep scab, and for hogs and cattle and all stock.

A sample of this product has been submitted to the Department of Agriculture for examination. The makers guarantee the contents of this package to be of the same composition as the sample submitted to the Department, and that when diluted according to the directions for the treatment of sheep scab, as printed on the package, it will give a dipping fluid of the composition required of a cresol dip by the regulations of the Secretary of Agriculture governing sheep scab.

Just note this strength. One gallon of this dip makes 124 gallons of official dip, enabling you to dip your sheep cheaper than ever before, and with a guaranteed strength dip. Strength, concentration and quality considered, this is the best Cresol Dip made. Clear in color, mixes easily and quickly in either hot or cold water, forming a sparkling clear solution that penetrates the fleece, softens the skin and does not injure sheep or wool. Contains no rosin, no coal tar, no caustic soda; just pure linseed oil and Cresol saponified by the latest and most approved methods. Each barrel of this dip makes 6,200 gallons of official dip while a dip strength 1 to 120 makes only 6,000 gallons and a dip 1 to 101 makes only 5,050. Consider the cost and you will see that Hunt's Cresol Dip makes 200 gallons more official dip than Cresol dip, strength 1 to 120 and 1,150 gallons more per barrel than Cresol Dip, strength 1 to 101. We have thoroughly investigated the many dips, and we offer you the very best. Satisfaction guaranteed or your money back.

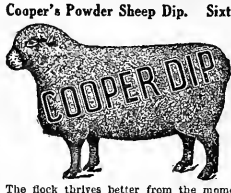
The Famous English Dip

Cooper's Powder Sheep Dip. Sixty Years' World Wide Record.



Used on two hundred and fifty million sheep annually. Merit has made it famous. A sheep dip made for sheep. Eradicates insects and disease, protects the flock from fresh attack, assists the natural functions of the skin in the production of an ideal fleece, and promotes the general appearance and condition of the flock. **Cooper's Powder Dip hurts nothing but the disease.** It positively increases both the quality and quantity of wool and preserves its natural color.

The flock thrives better from the moment of dipping. It is a powder, soluble in cold or tepid water, has no smell, does not stain and is easily prepared. Insects cannot live on a Cooper dipped sheep. Cheapest because best.

Cresyline Dip and Disinfectant

STANDARDIZED. EFFICIENT. STRENGTH, 1 TO 70.

A SAMPLE OF THIS PRODUCT HAS BEEN SUBMITTED TO THE DEPARTMENT OF AGRICULTURE FOR EXAMINATION.

The makers guarantee the contents of this package to be of the same composition as the sample submitted to the Department, and that when diluted according to the directions for the treatment of sheep scab, as printed on the package, it will give a dipping fluid of the composition required of a coal tar creosote dip by the regulations of the Secretary of Agriculture governing sheep scab.

Permitted by the Government for official dippings for sheep scab. Also good for cattle, hogs and all stock. Makes a milky white solution in strength 1 to 70, kills and destroys all parasites, lice, ticks and fleas, at the same time cures scab and mange. It does not injure the animal in the least, prevents attacks of insects, and in the case of sheep improves the wool, strengthens the animal and facilitates succeeding clips.

NOTICE—Stock dips are sold elsewhere at prices ranging from $1.00 to $1.50 a gallon, depending upon the strength.

We guarantee that this same dip is put up by its manufacturers for many concerns in this country and that it is sold under various other names for $1.50 a gallon. It does not matter under what name it is sold, the strength is what decides its value.

For use as a stable disinfectant and general purifier. Merely dilute Cresyline Dip with water. It pays for its use a hundredfold. Satisfaction guaranteed or your money back.

Cresotol Dip

STANDARDIZED. GUARANTEED. EFFICIENT. DIP AND DISINFECTANT. STRENGTH, 1 TO 72.

A SAMPLE OF THIS PRODUCT HAS BEEN SUBMITTED TO THE DEPARTMENT OF AGRICULTURE FOR EXAMINATION.

The makers guarantee the contents of this package to be of the same composition as the sample submitted to the Department, and that when diluted according to the directions for the treatment of sheep scab, as printed on the package, it will give a dipping fluid of the composition required of a coal tar creosote dip by the regulations of the Secretary of Agriculture governing sheep scab.

DIRECTIONS—For Sheep Scab—Use 1 gallon of Cresotol Dip to 72 gallons of water previously heated to a temperature of 160 degrees Fahrenheit. Immerse sheep from two to three minutes, loosening up the scab while sheep are immersed.

The rules and regulations governing the enforcement of The Insecticide Act of 1910 require that the names and percentage of inert substances shall be stated on the label.

Inert substances: Water, 9 per cent; hydrocarbons, 56.66 per cent; combined with phenols (absolute acid content, 14 per cent), pyridin, rosin acids and soda.

We declare the carbolic coefficient (by the Rideal-Walker method) to be 6.25, or 6¼ times as strong as carbolic acid. Only pure phenol (carbolic acid) is used as a standard and the germicidal value of a disinfectant is made by comparison with it. The coefficient is arrived at by dividing the degree of dilution of the disinfectant that kills the organism in a given time by the degree of dilution of carbolic acid under the same conditions.

Cresotol Dip is permitted by the Government for official dipping in strength 1 to 72. This is one of the strongest solutions made, and when you consider the dilution it is by far the cheapest for you to buy. If the consumer requires 300 gallons of diluted dip and he pays $1.50 a gallon for the fluid dip and the grade he purchases is 1 to 50, the cost of the diluted dip would be $9.00. Had the consumer purchased the same grade approved 1 to 72, the cost of the diluted dip would be $6.25, or a saving of $2.75 on this small quantity.

We guarantee that carloads of this same dip are sold by other concerns under various labels at $1.50 a gallon. We sell you the same dip for $1.15 a gallon in 1-gallon cans and 65c a gallon in proportion for the larger containers. Why pay your retail dealer $1.50 a gallon for this article when we guarantee you strength 1 to 72 at $1.15 a gallon? The only way to buy a disinfectant is by the comparative cost based on 100 units of efficiency and the strength of all dips depend entirely upon the dilution strength as permitted by the U. S. Government. This dip is permitted for official dipping in strength 1 to 72 and is by far the cheapest dip for you to buy. We guarantee satisfaction or your money returned.

No. 8H893¼ 1-gallon can. Shipping wt., 1 gal., 10 lbs. Regular price, $1.50. Price.**$1.15**

Our Harness Pages Save You Real Money on Most Anything in Stable Supplies.

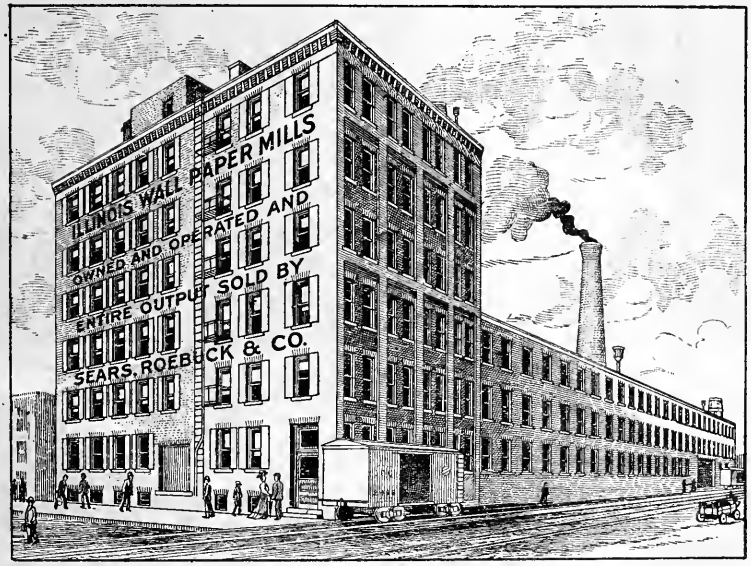
Just ONE Profit to Pay on Wall Paper

Because We Make It in Our Own Mill

Here is the Result

The Best Wall Paper in All the New Fashionable Designs at 3 to 35 Cents a Double Roll of 16 Full Yards

Our free Wall Paper Sample Book shows samples of over eighty designs cut direct from the rolls in our stock.



Write for our free Wall Paper Sample Book. It tells you the story of quality and money saving better than words.

THIS large wall paper mill, equipped with the **LATEST IMPROVED** modern wall paper machinery with a capacity of over twelve million rolls of wall paper a year, owned and operated exclusively by us, easily explains why we can market the best wall paper **DIRECT TO YOU** at 3 to 35 cents a double roll of 16 full yards.

The reason for our **REMARKABLE SUCCESS** in the wall paper field is due to the striking **DIFFERENCE** between our method of marketing the product and the methods employed elsewhere. The wall paper industry outside of our share in it is in the hands of **A FEW** manufacturers who have enjoyed, and still enjoy in a large measure, **A MONOPOLY** of the business. Their products marketed through jobbers, agents and dealers are **BURDENED WITH SELLING EXPENSES** and **LARGE PROFITS.** Extra selling expenses and extra profits added to the manufacturing cost **DO NOT ADD TO THE VALUE** of the paper nor to the beauty of the designs. We offer you the best obtainable at very low prices. Positively you can get nothing more for your money by paying more elsewhere.

We control the quality of our papers. We have gone to the very **SOURCE OF SUPPLY** to make our control complete. We have employed the foremost artists in this field in order to insure the **BEST DESIGNS** in wall paper for the various rooms of the home. We will not take your time to tell you all about our papers, because our samples, cut direct from the rolls in our stock, tell you **BETTER THAN WORDS** just what we offer. Write for our Wall Paper Sample Book. It will be mailed to you free and postpaid. Then you will **KNOW** and will be **CONVINCED.**

Colored Burlap for Decorating.

Our Burlap for decorative purposes is the best manufactured. It is sized and ready to put on the wall, a coat of special sizing being on the back. Burlap is now extensively used for high class decorating, being principally used for lower parts of wall or wainscoting. It is pasted on the wall, same as wall paper, with any good wall paper paste. The material is 36 inches wide.

No. 53H25 Dark Red. Per yd. 18c
No. 53H12 Dark Green. Per yd. 18c
No. 53H47 Brown. Per yd. 18c

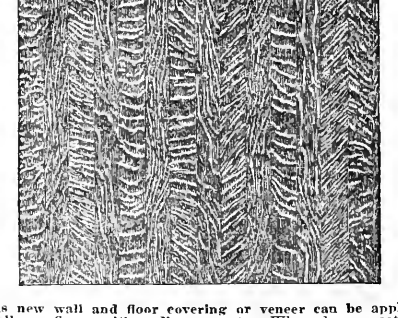
Burlap is recommended for schools, churches, stores, also halls, dining rooms and vestibules or residences.

Samples mailed on applicatioo.

Your Choice of 85 New Designs in Wall Paper at Half Usual Prices.

Your copy of our new Wall Paper Sample Book is waiting for your request to send it to you. Read about it on page 519. It comprises VERY LATEST DESIGNS, THE MOST ARTISTIC COLORINGS AND BEST QUALITIES to be obtained on the market and yet the prices are just about half and in many cases less than half regular retail prices. The papers are made in our wall paper mill and sold direct to you, just one profit added to actual manufacturing cost. Write for our Wall Paper Sample Book today.

Fiber Veneer for Floors and Walls.



This new wall and floor covering or veneer can be applied to walls or floors with ordinary paste. When dry a coat or two of varnish applied over it results in a surface that has the appearance of genuine oak wood. Splendid effects may be had with this material; for instance, you can have a parquetry floor effect at a small cost that will look like the natural oak wood and wear well. Dining room walls may be treated as follows: Paste the border beneath the plate rail, then finish the bottom of the wall with the body veneer and when dry apply one or two coats of varnish, which will give you a surface that may be washed or polished the same as any woodwork or furniture. Should the border be too wide it may be trimmed to any width desired. Full directions sent with each roll. Each roll contains 11½ yards, 36 inches wide.

No. 53H1170 Light Oak. Per roll.....$1.15
No. 53H1171 Dark Oak. Per roll.....1.15
No. 53H1176 Border, Light Oak. Per yard.....10
No. 53H1177 Border, Dark Oak. Per yard.....10

One roll will cover 100 square feet.

We cannot fill orders for less than 3 yards of border.

Use No. 30H2720 Durable Floor Varnish for floors and No. 30H2716 Sereco Cabinet Varnish for walls, both listed on page 540 of this catalog.

Lincrusta-Walton.

Nos. 53H1007, 53H1008, 53H1009.

A high class decoration, resembling carved leather, used in hallways, dining rooms, libraries, vestibules, public halls and churches. This is the original Lincrusta-Walton, all others are imitations. Width, 19½ inches. If you wish to see illustrations of the different patterns in which we furnish this material, write and ask for our Wall Paper Sample Book. It contains illustrations and complete descriptions.

Wall Paper Sample Book Free

Large samples measuring 6½x9 inches of our entire line of eighty-five designs and colorings will be mailed to you free on request. The samples are cut direct from the rolls in our stock and are of the same weight and quality as the full rolls of paper we ship to our customers.

The Back of Each Sample in our Free Wall Paper Sample Book has an illustration showing a section of a room papered with side wall, border and ceiling. These illustrations give you an excellent idea of the designs and decorations in the borders and ceilings, and serve to show how your rooms will look when papered with any of these patterns.

15c FOR THIS SPECIAL BOOK OF WALL PAPER SAMPLES.

This Special Sample Book contains samples measuring 9x15 inches of all our side wall papers, independent ceilings and oatmeal papers. This book is made up especially for customers who have considerable papering to do and who prefer to see larger samples than we can afford to show in our free 6½x9-inch sample book. This Special Sample Book, including the postage, which we pay, costs us about 50 cents each, but we are perfectly willing to send it to all interested customers on receipt of 15 cents. Send stamps if you wish. A separate price list accompanies the book, which also contains full directions for hanging paper and illustrations of our room moldings, plate rails, paper binders, Linecrusta-Walton and burlap; everything needed for modern home decoration.

Write to us and say, "Send me your Special Wall Paper Sample Book with 9x15-inch samples, for which find 15 cents enclosed," and we will at once mail you this large book postpaid.

All the Latest Designs and Shades on the Best Grade Papers at 3 to 35 Cents a Double Roll of 16 Full Yards.

This free Wall Paper Sample Book comprises one of the most complete lines of wall papers to be found on the market, a choice variety for every room in the home—vestibule, reception room, parlor, living room, library, den, dining room, kitchen, pantry, bedroom, nursery and bathroom. We can suit all tastes as our papers range from floral designs with rich pronounced colorings to plain effects with subdued tints. We have added the new dainty striped bedroom paper with cut out floral borders. You cannot appreciate what pleasing decoration these plain striped papers make until you see them in our sample book.

Our Wall Paper Sample Book makes it a pleasure to select your home decorations, permitting you to do it at your leisure right in your own home. It is full of valuable suggestions because our Wall Paper Department has had an exceedingly wide experience as decorators. This Sample Book also illustrates our complete line of picture moldings, chair rails, plate rails, Linecrusta-Walton, wall decorative burlap, oilcloth wall covering and paperhangers' tools and supplies—tables, trimmers, pastes—everything required for the work.

We undersell everybody, whether large firm or small dealer, for the reasons given on page 519. This free Wall Paper Sample Book tells its own story so convincingly that you will be glad you sent for it. Write and ask for our free Wall Paper Sample Book today.

How to Hang Wall Paper.

Our free Wall Paper Sample Book contains information which will enable anyone without experience to hang wall paper. These instructions are clearly outlined and accompanied with illustrations showing every step in the work. It will surprise you how easy and simple it is to hang your own wall paper and thus enable you to save, if you so desire, the expense of hiring a professional paperhanger.

OUR WICKLESS OIL STOVES ARE IDEAL FOR SUMMER USE.

Paint Color Samples and "How to Paint"

THESE SPLENDID BOOKS SENT FREE ON REQUEST

ALONG with these color samples we give you valuable advice about the proper combinations of colors for body and trimmings of houses, and illustrate a number of houses in their actual colors to give you an exact idea of colors and show you the cost of painting each house. We tell you what colors go well together. In fact, this book is worth a great deal to anyone who has painting to do. The big complete list of colors, beautiful shades and tints and the information it contains have been found to be so valuable that the book is prized by thousands of professional painters throughout the country who make us their headquarters for everything in the painting and decorating line. **This book is free. Paint From Manufacturer to You

We Make Seroco Paint, Guarantee It Not to Peel, Blister, Chalk or Rub Off, and Sell It for About Half the Price of Other Brands

Seroco Paint is manufactured under our direct supervision in our own factory, one of the largest paint factories in the world. Every ingredient that is used in its manufacture is thoroughly tested by expert chemists employed in our Paint Department. By putting every ingredient to a chemical test we insure a uniform quality of paint, nothing is used that fails to come up to the standard of quality. Seroco Paint is made by our own secret formula and is a combination of materials that produces a long wearing paint which has been proven by years of actual weather tests. Seroco Paint is not a cheap mixture, but a strictly high grade scientifically prepared paint that is guaranteed not to peel, blister, chalk or rub off. New paint will be furnished if found otherwise than represented.

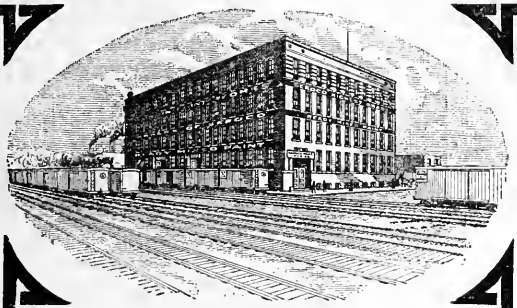
Guaranteed House Paint

$1.05 TO $1.18

A GALLON

ACCORDING TO QUANTITY

The result of making our own paint in our own factory and selling direct to you.



This picture shows our great paint factory, the Illinois Paint Works, just across the tracks of the Baltimore & Ohio-Chicago Terminal Railroad Co. from our great buildings. We own and operate this entire plant and use the entire output exclusively. The building is four stories high, 125 feet long and 60 feet wide with large basement, and has an output of over a million gallons a year, and arrangements are made so that the output can be largely increased when demanded. It is equipped with the very latest and most scientific paint making machinery, huge grinders and mixers and color mixing machinery of the latest improved type. It is the most modern, up to date paint factory in existence, barring none, and is thoroughly in keeping throughout with the high quality of our famous brand Seroco Paint.

Guaranteed Barn Paint

69c TO 84c

A GALLON

ACCORDING TO QUANTITY

The result of making our own paint in our own factory and selling direct to you.

Two great benefits are secured for our customers by our being paint manufacturers as well as paint sellers. First: A quality so good that we are safe in guaranteeing the paint, a step which no other manufacturer has been so far willing to take in regard to his paints. Second: A large money saving because there is only one profit for you to pay on the actual manufacturing cost.

Anyone can see at once that our method is the logical one to adopt for money saving. Great numbers of people through pure custom keep paying retail prices for paint; their neighbors do it, many painters do it, and they do it largely because others do it. Middlemen's profits and expenses added to the manufacturers' prices certainly have nothing to do with the quality of paint. Remember, our prices are manufacturers' prices. If we were to sell this paint to a dealer and he were to add 50 cents a gallon to our prices, it would not make Seroco Paint any better. The same is true of any other brand of paint. In paying higher prices elsewhere for different brands of paint you do not get any better quality whatever. Every cent of this extra money is absolutely lost. We are convincing the public very rapidly. These facts are so apparent to our customers who buy our paint that they become enthusiastic and tell of their good fortune to others. So much of this is done among our customers that our paint business increases with great rapidity. You can form some idea of this from the fact that our factory now has an output of more than a million gallons a year with arrangements already made for a large increase in capacity. We wish every reader of this page would point out these facts to others. It is certainly unfortunate for people to keep on paying high prices asked elsewhere for paint when this opportunity lies before them. Let your neighbors know about our guaranteed paint and about our prices.

Keep Your Buildings Painted and Save Costly Repair Work

Everybody knows the importance of keeping buildings or other structures well painted from the standpoint of appearance. It adds value to any property and in case you wish to sell, you will not only find it easier to sell, but your property will bring a higher price when well painted. But no one should overlook the great danger in the failure to keep buildings well painted. If you leave buildings or other structures to the mercy of the sun and the rain, decay is hastened and it will only be a short time before costly repair work is urgently needed. It should be scarcely necessary to remind you that lumber and repair work are now very costly. All large corporations, railroad and steamship companies, municipalities, private and public utility concerns, invariably give every structure of wood, iron or steel a coat of paint immediately on completion and make provision for repainting periodically. They know it means economy and you can't do better than follow their example. Our paint is being used everywhere, because it is absolutely reliable and because it is guaranteed, the only guaranteed paint on the market. You can't afford to neglect any building or structure you own when we sell guaranteed paint at such prices.

PAINT COLOR SAMPLES AND HOW TO PAINT.

We send two paint books free on request—our Paint Color Sample Book and our book on "How to Paint." On page 529 we list all the colors in which we carry Seroco Ready Mixed Paint and you can order direct from this catalog, but if you prefer to see samples of these colors before ordering, write for our free Paint Color Sample Book. With this book we also mail our book on "How to Paint" with simple instructions on how to paint, varnish, kalsomine and do other kinds of decorating.

Seroco Paint, Manufactured and Sold Exclusively by Us, Is a Long Wearing Paint. The Test of Service Proves It

No paint offered by any other firm or individual at any price surpasses our Seroco Brand in the qualities which go to make a high class, satisfactory paint for houses, barns, fences, wood and iron, for exterior or interior work, where a paint of extra quality and wonderful durability is required. Seroco Ready Mixed House Paint is manufactured by us in our own paint factory under the supervision of expert paint chemists, and it is because this paint is made by us from tested materials of our own selection that we are able to give a binding guarantee on every gallon sold by us. It is ground and mixed in the finest equipped paint factory in this country. There is just the right proportion of each ingredient necessary to give an extra high grade, free working paint.

Full Measure and Full Weight

When you pay us $1.05 to $1.18 a gallon for Seroco Ready Mixed House Paint, according to the quantity ordered, remember that you get absolutely full weight and full measure, and at these remarkably low prices, which are based on the cost of materials and labor in our own factory with but one profit added, we give you a paint guaranteed not to peel, blister, rub or chalk off, a paint that for preserving qualities and length of wear cannot be excelled by any paint, regardless of the price or ingredients used in its manufacture. Our colors have great strength. We use only the best colors in tinting our paints; in fact, stronger colors could not be had at any price. Remember, when you buy from your local dealer you pay the profits of the manufacturer, jobber and retailer, and above all you have very little or no protection should the paint go wrong. On the other hand, when you buy Seroco Ready Mixed House Paint you pay but one profit, and that is the manufacturer's, which is ourselves, and you are thoroughly protected by the strongest guarantee that was ever put on a can of paint.

You Can Order Direct From This Catalog

Select the color wanted from the colors named on opposite page, with our guarantee that the color and quality will please you, or we will return your money; but if you prefer to see the exact colors before ordering, write us and we will mail you our Special Paint Color Sample Book free with our compliments. The book shows samples of the actual colors of all the different paints we handle. With our Paint Color Sample Book we will include a book entitled "How to Paint." This book gives full information on how to prepare all surfaces for painting, how to preserve your brushes, how to kalsomine, and contains valuable information for the novice as well as for the expert painter.

GUARANTEE

We hereby guarantee that this Seroco Paint is composed of the highest grade ingredients, is a perfect preservative, contains nothing injurious, will cover from 250 to 300 square feet, two coats to each gallon, and will not peel, blister, chalk or rub off. We agree to furnish new paint free, should our Seroco Paint fail to come up to our guarantee.

SEARS, ROEBUCK AND CO.

Directions

For first coat of new or unpainted surfaces, thin the paint with boiled linseed oil in the proportion of ½ gallon of oil to 1 gallon of ready mixed paint; for surfaces in fairly good condition the proportion of oil used for thinning first coat need not be so great. For second coat, use the paint as received, unless it should be very thick, when a little boiled linseed oil may be added.

How to Find How Much Paint You Require

To find out the quantity of paint you require, measure the length, width and height of the building. In measuring the height you can measure it at one corner, as it is not necessary to measure it at the highest point of the gable. Add together the total number of feet of the two sides and two ends of the building that you want to paint. This will give you the total length of the surface you wish to paint. Then multiply this by the height of the building in feet, which gives you the number of square feet of surface to be covered with paint. One gallon of **Seroco Ready Mixed Paint** will cover from 250 to 300 square feet of surface two coats, according to the condition of the surface. Some surfaces are very porous and absorb more paint than others; therefore, in figuring we suggest that you take the basis of 250 square feet to the gallon. Then divide the number of square feet you get by 250 and that gives you the number of gallons required for the building.

For example, suppose your building measures 20 feet wide, 30 feet long and 20 feet high, you would figure it as follows:

Front	20 feet
One side	30 feet
Rear	20 feet
Other side	30 feet
Total	100 feet
Multiply this by height	20 feet
Total	2,000 sq. ft.

Divide this by 250, which represents the approximate number of square feet that 1 gallon of our paint will cover the surface two coats. You will find this gives you the result 8 gallons, so that it will be necessary for you to buy 8 gallons to cover the surface of a building of the size given two coats. If the surface is in good smooth condition, you can easily see that it will not require even that much. By multiplying the price per gallon by the number of gallons wanted, you can easily see exactly what it will cost you. We sell our **Seroco House Paints** in 5-gallon kits and in 1-gallon cans; thus for a building of the size given, you would require a 5-gallon kit and three 1-gallon cans of paint. If you wanted 3 gallons all one color. It costs $1.15 per gallon for Seroco House Paint in 5-gallon kits and $1.18 per gallon for three 1-gallon cans, so that the total cost would be $9.29 for all the paint you would require for such a building. If you want to paint a barn or fence, measure in the same way and figure the cost of our Mineral Barn Paint accordingly.

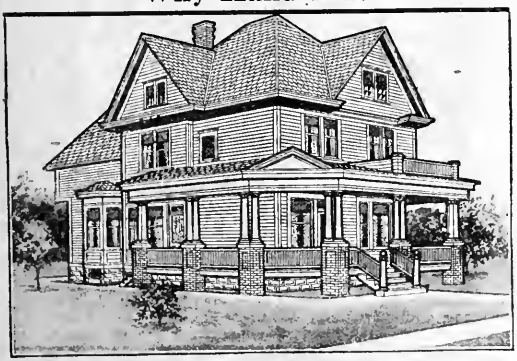
Why Hand Made Paint Is Not Reliable

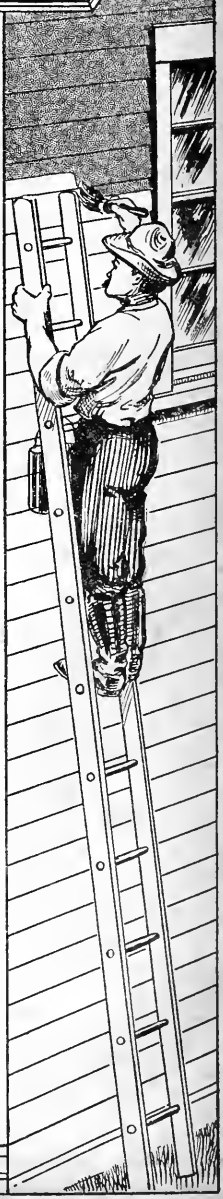


$19.76 Buys Enough Guaranteed Paint for This Big House

THIS HOUSE MEASURES 33x47 FEET, 22 FEET HIGH.

Body, 14 gallons.	10 gallons at $1.15 per gallon	$11.50
	4 gallons at $1.18 per gallon	4.72
Trimming, 3 gallons at $1.18 per gallon		3.54
Total		$19.76

Don't attempt to make your own paint, and don't depend upon painters' hand made paint because of the very nature of the materials it cannot be reliable. It is practically a physical impossibility for any painter to mix properly by hand the lead, oil and colors thoroughly and accurately enough to secure a paint that will give good service. In order to obtain a perfect shade of any color it is necessary to be accurate. If a painter mixes a small quantity he seldom hits exactly the same shade a second time if necessary to increase his supply for the same job; or if, to be on the safe side, he mixes too large a quantity, he wastes the paint. Besides, he will take much time to mix it, for which time you have to pay. You are also likely to get a poor job. Why attempt something that has uncertain results, especially when it costs more to do it that way? We offer you a certainty—a paint guaranteed not to peel, blister, chalk or rub off, which either you or a painter may use with equally satisfactory results.



Longlife Master Painters'

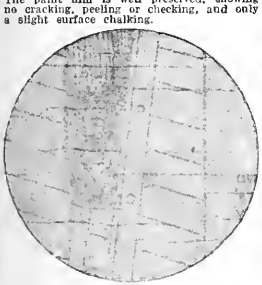
$1.45 TO $1.58

A GALLON, ACCORDING TO QUANTITY

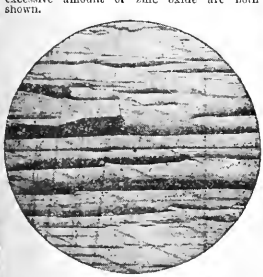
is all you need pay for the BEST pure paint made, BECAUSE it is made in OUR OWN FACTORY, sold direct to you with just one PROFIT added to actual manufacturing cost.

These illustrations are reproduced from actual photographs of surfaces from the panels of the test fence illustrated in the middle of these pages.

A surface painted with Sublimed White Lead and zinc oxide ground in pure linseed oil in proportions on which we based our formula and exposed for nearly five years. The paint film is well preserved, showing no cracking, peeling or checking, and only a slight surface chalking.



A surface painted with so called strictly "pure" paint containing Corroded White Lead and zinc oxide in equal parts ground in pure linseed oil and exposed about five years. The checking tendency of Corroded White Lead and the cracking caused by an excessive amount of zinc oxide are both shown.



A surface painted with Corroded White Lead and zinc oxide ground in pure linseed oil, the zinc oxide in an excessively high percentage. Observe the way the paint peels, due to brittleness of the film, caused by too much zinc oxide.

Specially made in our own factory to meet the demands of master painters and journeymen painters, composed of sublimed white lead, zinc oxide, linseed oil, turpentine and japan dryer, the selection and proportion of these materials based on results of weather and other tests conducted by master painters' and paint dealers' associations, by our own and other leading chemists.

Formula of Longlife Brand Pure Paint.

FORMULA FOR OUTSIDE WHITE.

	Total	Solid Materials	Liquids
Sublimed White Lead	42.1%	75%	....
Zinc Oxide	14.0%	25%	....
Linseed Oil	40.0%	....	91%
White Turpentine Japan	1.8%	....	4%
Turpentine	2.1%	....	5%
	100.0%	100%	100%

FORMULA FOR LIGHT COLORS OR TINTS.

The light colors or tints are made of a base of 64 per cent Sublimed White Lead and 36 per cent Zinc Oxide. Whatever quantity of color is necessary to produce the desired shade is deducted from the percentage of White Lead and Zinc. For example the formula for No. 30H318 Buff reads as follows:

	Total	Solid Materials	Liquids
Sublimed White Lead	30.0%	54.7%	....
Zinc Oxide	16.8%	30.7%	....
Color	8.0%	14.6%	....
Linseed Oil	41.0%	.....	91%
Turpentine Dryer	1.7%	.....	4%
Turpentine	2.5%	.....	5%
	100.0%	100.0%	100%

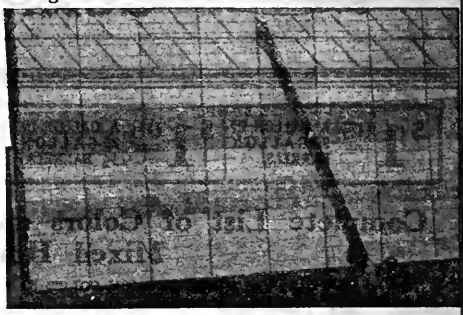
The reason for our choice of sublimed white lead for Longlife Brand Pure Paint is easily gleaned from the comparison table on the opposite page. It is just as **opaque**, that is, has the same covering capacity as corroded white lead, but has other qualities which make it vastly superior to corroded white lead. Sublimed white lead, being a fine powder, makes a more compact and weatherproof film than the crystalline particles of corroded white lead, since the latter do not fit in so tightly together. Fineness is **essential** because the paint film of a single coat of paint is about 1-400 of an inch thick.

Sublimed white lead is difficult to decompose, and being practically inert, has almost no chemical action on the oil, while corroded white lead does react on the oil, chalking a great deal, finally taking the life out of the oil, causing the paint to check and admit moisture; therefore poorly protects the surface.

Sublimed white lead when used in paint is practically unaffected by exposure to hydrogen sulphide gas, which is plentiful in smoke, sewer gas and the gases given off by decaying animal and vegetable matter; while corroded white lead so exposed turns a dirty gray or black, which explains why many buildings on which it is used soon turn dirty looking as if they had been painted a long time.

Sublimed white lead has little effect on tinting colors, with the result that paint which it is used retains its original shade very much longer than paint in which corroded white lead is used, for the latter acts on tinting colors, causing the colors to fade or darken.

Sublimed white lead is NON-POISONOUS, while in using corroded white lead there is more or less danger from lead poisoning, a fact which has caused some European governments to compel dealers to label it "White Lead—Poison." Tests also prove that zinc oxide in certain quantities is a necessary ingredient in high grade paint, for while its covering capacity is not as great as white lead, it counteracts the tendency of all white leads to chalk, making a harder film and a more glossy finish and does not darken on exposure to hydrogen sulphide gas. It also makes the paint work more easily under the brush. But zinc oxide must not be used in too large a proportion, as it then develops brittleness and causes the paint film to check, which explains the trouble with paint containing too large a proportion of zinc oxide.



One of the Test Fences Showing Result on Which

This fence is 75 feet long and 14 feet high, made like the walls of a frame house, clapboards on both sides, air space between and arranged in panels. On its surface every straight paint pigment and thirty-six combinations of pigments were tested, being exposed from four to five years, monthly inspections being made. Every test conclusively showed the superiority of sublimed white lead over cor-

In our big General Catalog, for the past two seasons, under the heading of "Pure Paint or Guaranteed Paint," we have shown that our Seroco Brand Ready Mixed Paint (quoted on other pages of this catalog) is much superior to the so called "pure" paint. For the benefit of those who may not have read our former explanation of this subject, let us say that Seroco brand is a combination ready mixed house paint perfectly adapted to general needs; a paint scientifically developed through years of experimenting and practical service; a paint that does not peel, check, chalk or rub off with years of exposure; a paint in which we have so much confidence that we guarantee to furnish new paint free if it fails to do what we claim. However, there has always been a persistent demand from master painters, journeymen painters and some home owners for so called "pure" paint, due to long established use of corroded white lead as the standard paint pigment and the fact that its manufacturers have spent millions in advertising it. This led us to offer, during the past two years, "pure" paint made according to the regulation formula. We gave our customers the choice and explained that if they preferred so called "pure" paint we could save them money on it. At the same time we showed it to be a decidedly inferior paint, due to the fact that its chief pigment, which is **pure white lead, made by the "Old Dutch Process" of corrosion** is a very weak compound, as shown by tests presented in the comparison table on the opposite page.

There has been a great deal of DISCUSSION about paint, and a great deal of EXPENSIVE ADVERTISING has been paid for to convince the public that pure paint made with corroded white lead and linseed oil is the only material to use, but these statements have been largely based on mere theories and customs not thoroughly investigated. In the last ten years a great number of experiments and weather tests have been made which absolutely disprove the widely advertised claims for corroded white lead and the so called "pure" paint in which it is used. In the face of the facts developed by these tests, corroded white lead is still being made and marketed. Why? Simply because costly advertising has established a demand for it: because corroded

Ready Mixed Pure Paint

We use sublimed white lead made by the modern fire process in place of white lead made by the "Old Dutch Process" of corrosion, because sublimed white lead is vastly superior. Read the facts brought out in our comparison table on this page, facts which cannot be successfully disputed and which flatly contradict the widely advertised claims for "Old Dutch Process" white lead.

Our Formula of Longlife Pure Paint Is Based.

roded white lead. If all master painters, journeymen painters and delegates to conventions interested in paint, who prefer "pure" paint could see even this one test fence, we doubt if we could supply the demand for Longlife brand with all the manufacturing facilities we can command.

white lead is the advertised standard. Let the actual facts, as here stated, prove which kind of paint is the real standard.

Our business policy is CONSTRUCTIVE, not destructive. We build up rather than tear down. When we discard an established article we offer something better; so in proving the fallacy of widely advertised claims for corroded white lead, in exploding the old theories about "pure" paint, we accepted the obligation to provide a better article for the same purpose. We have found it in pure sublimed white lead. With pure sublimed white lead as its principal solid ingredient, we now offer our Longlife Brand of Master Painters' Ready Mixed Pure Paint, the first paint to combine highest quality with chemical purity. Its ingredients and their proportions are evolved from practical tests—tests of time, tests of sun, wind, rain, cold, heat, as well as scientific tests for chemical changes. The result is a "pure" paint that is also a perfect paint. The formula tells the story.

To our numerous friends, home owners and unprofessional painters who need a good high grade ready mixed house paint, many of whom are familiar with Seroco brand, quoted elsewhere in this catalog, we still recommend Seroco Ready Mixed House Paint. It is also based upon a scientifically developed formula and has proved by years of service to be a paint that does not peel, check, chalk or rub off. But if you are a master painter or journeyman painter and for any reason prefer to use a so called "pure" paint, if you do painting for others and your customers demand a white lead paint, we don't want you to lose money, as you surely will if you buy your paint elsewhere; we don't want you to get the "pure" white lead paint, lacking in real quality, as you surely will if you follow established custom. We want you to get the only "pure" paint that is perfect paint, we want to help you please your customers and we want to save you a lot of money as well!

Longlife brand costs you only $1.45 to $1.58 a gallon, according to quantity, just because we manufacture it ourselves, base our prices on actual manufacturing cost—cost of materials and cost of manufacturing in large quantities with just one profit added. There is not a dollar of unnecessary expense or profit in our price. You get the maximum value for every dollar you pay.

Comparison Table Showing the Properties of the Two Varieties of White Lead.

These are the results of chemical analyses, microscopic tests and weather tests of years' duration conducted by various agencies, among them associations of paint manufacturers, paint dealers, master painters and journeymen painters, industrial and public institutions, leading chemists of the country and our own chemists.

Corroded White Lead.	Sublimed White Lead.
A Corroded White Lead is a basic CARBONATE of lead, crystalline in structure and highly opaque, made by the "Old Dutch Process" of corrosion of metallic lead.	A Sublimed White Lead is a basic SULPHATE of lead, is an exceedingly fine powder and is highly opaque, made by the fire process of subliming lead ore at a temperature of 3,000 degrees.
B Acid tests show Corroded White Lead dissolves readily. Fire tests, such as the blowpipe test, show it is changed readily to metallic lead, proving it to be a weak compound.	B Acid tests show Sublimed White Lead does not dissolve readily, resists fire and is exceedingly difficult to change in any way.
C On exposure to hydrogen sulphide gas, more or less plentiful in air everywhere, corroded white lead turns black.	C On exposure to hydrogen sulphide gas Sublimed White Lead turns slightly yellow but quickly turns white again.
D Used in paint and spread on a surface exposed to weather, Corroded White Lead chalks and checks in a short time, admitting moisture to the surface to which it is applied.	D Used in paint and spread on a surface exposed to weather, Sublimed White Lead chalks slowly, but does not check, and maintains a watertight surface.
E Corroded White Lead acts on the oil, which is the life of paint, and causes breaking down of the paint.	E Sublimed White Lead is practically inert, has almost no action on the oil; therefore prolongs the life of paint.
F Corroded White Lead, because of its alkaline nature, acts upon tinting colors and results in fading or darkening.	F Sublimed White Lead, being practically inert, has little effect on tinting colors, with the result that the paint holds its original shade very much longer.
G Corroded White Lead is of a poisonous nature.	G Sublimed White Lead is non-poisonous.

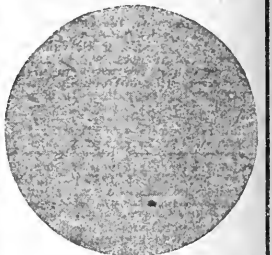
Bear in mind that WE GUARANTEE our Seroco Ready Mixed House Paint, listed on pages 528 and 529 of this catalog, to be in every way a satisfactory paint for houses, barns, fences (wood and iron), for exterior or interior work. We guarantee it to be a high grade paint; a perfect preservative. We guarantee that it will not peel, chalk, blister or rub off, and we agree to furnish new paint free should our Seroco Paint fail to fully come up to our guarantee.

$1.45 TO $1.58

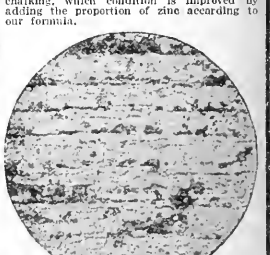
A GALLON, ACCORDING TO QUANTITY

is all you need pay for the BEST pure paint made. BECAUSE it is made in OUR OWN FACTORY, sold direct to you with just one PROFIT added to actual manufacturing cost.

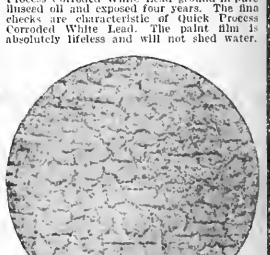
These illustrations are reproduced from actual photographs of surfaces from the panels of the test fence illustrated in the middle of these pages.



A surface painted with pure Sublimed White Lead ground in pure linseed oil and exposed five years. It shows no checking, cracking or peeling, but does show some chalking, which condition is improved by adding the proportion of zinc according to our formula.



A surface painted with strictly pure Quick Process Corroded White Lead ground in pure linseed oil and exposed four years. The fine checks are characteristic of Quick Process Corroded White Lead. The paint film is absolutely lifeless and will not shed water.



A surface painted with strictly pure "Old Dutch Process" Corroded White Lead ground in pure linseed oil and exposed five years. Note the checking of this white lead. The checks are deep and go through to the wood. The paint film is lifeless and will not shed water.

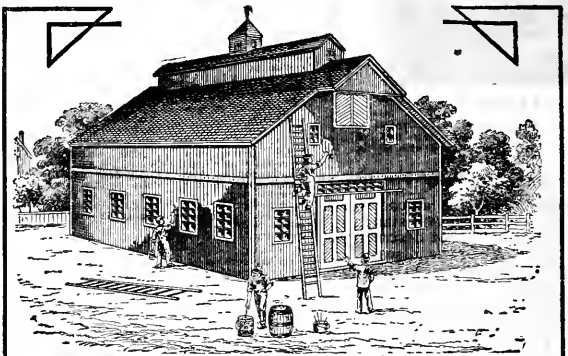
SEROCO MINERAL BARN PAINT

WEATHERPROOF

69c a Gallon in 50-Gallon Barrels	74c a Gallon in 25-Gallon ½-Barrels	79c a Gallon in 5-Gallon Kits	84c a Gallon in 1-Gallon Cans

Compounded by an Expert Chemist

Our Seroco Weatherproof Mineral Barn Paint is compounded by one of the most expert paint chemists in the country and possesses peculiar properties not common in ordinary barn paint. It is a high class, unexcelled preservative which we recommend specially for structural iron work, barns, grain elevators and the like. It is absolutely weatherproof, having been tested under most trying conditions. It is acknowledged by all who know it to be the most durable preservative of wood. It is ground to unusual fineness by the most modern up to date machinery, both minerals and oils being thoroughly ground and reground together. You may use it with the confidence that it is the best possible mineral paint on the market regardless of name, make or price of other brands. By paying higher prices elsewhere you cannot secure a better paint. Higher prices mean larger profits and expenses of middlemen, really a waste of money to you.



$11.26 Paints This Big Barn

A large modern barn like this, painted with our Seroco Weatherproof Mineral Barn Paint, two coats, for $11.26.

This large barn measuring 30 feet wide by 50 feet long and 22 feet in height will require

12 gallons for body, 10 gallons at 79 cents per gallon	$7.90	
2 gallons at 84 cents per gallon	1.68	Total
2 gallons for trimming at 84 cents per gallon	1.68	$11.26

Covering Capacity and Economy of Seroco Mineral Barn Paint

One gallon of Seroco Weatherproof Mineral Barn Paint covers about 250 square feet of surface two good coats and in many instances it will cover 300 square feet and over two coats depending on the condition of the surface. You cannot make nor buy a better paint for finish and wearing qualities no matter how much you pay for the paint. It is therefore by far the most economical paint to use. Give this paint a trial on the next job, you will never regret it and you take no chances, you are protected by our guarantee.

Free Color Sample Book

We quote prices on six different colors on this page, but if you prefer to see the actual colors before ordering we will be pleased to have you write and ask for our Paint Color Sample Book, which will be mailed free and postpaid at once.

OUR GUARANTEE

We guarantee our Seroco Weatherproof Mineral Barn Paint to be composed of the highest grade ingredients and that no better wearing mineral paint is made. When two coats are applied to old surfaces, or three coats to new wood, it will produce a first class surface and the paint will not peel, blister or rub off. We will furnish new paint free and pay all transportation charges if not as represented.

IMPROVES APPEARANCES, SAVES COSTLY REPAIR WORK

Keep your barn, dairy, corn crib, granary or any other building on your premises well painted. It immensely improves appearances, and in case you ever wish to sell your place it will sell more readily and bring a better price because of the condition of your buildings. These advantages should be apparent to anyone, and the cost of paint for the purpose is a mere trifle. But appearances do not furnish the only reason for painting. It is absolutely necessary to paint to prevent decay and to save costly repair bills. Neglecting to paint a building has cost many a man hundreds of times the cost of the painting job, and it is now more urgent than ever because of the high price of lumber and the increased cost of labor. You can do your own painting with the help of our book on "How to Paint," which will be mailed free with our Paint Color Sample Book. It tells you all about our paints, how to apply them, what brushes and tools are necessary, and enables you to do as nice a job as a practical painter. Paint is a necessary investment, a paying investment, and we offer you the best. It is guaranteed.

New Process Mineral Barn Paint

Our Second Quality Mineral Paint

A high grade paint is a cheaper paint to use on your buildings than a cheap or low priced paint. You cannot expect the best wearing materials in a cheap paint, nor can you expect the manufacturer, the jobber or the paint dealer to sell his paint below cost. When you buy a low priced paint from the ordinary paint dealer you must remember that there are two or three profits included in the price you pay for the paint and you can draw your own conclusions as to the quality of the ingredients used in its manufacture. Such paints are not worth the labor of putting them on your buildings; they may last about six months or a year and then you are obliged to repaint.

For years we have been experimenting with different oils and pigments with the object in view of making a low priced paint that would look well and wear better than many cheap, worthless, low priced paints that are now on the market. In our New Process Mineral Barn Paint we have succeeded in making a paint that, while not guaranteed, we claim will wear longer and look better than any cheap mineral barn paint you can buy on the market at anything like our price. It is manufactured in our own paint factory and we know every ingredient that it contains; we know that the oil and pigments used in its manufacture are of better quality than is contained in most of the low priced paints on the market.

Our Guaranteed Seroco Weatherproof Mineral Barn Paint, listed on opposite page, is by far the cheapest and best paint to use, considering its high quality and wonderful wearing qualities; the labor of putting on the paint is also an important consideration—you do not want to be bothered with painting every few years, but if a second quality paint will answer your purpose, and if you want a paint that will improve the appearance of your buildings where length of wear is only a secondary consideration, a paint that costs but very little and that will brighten up the buildings and sheds on your premises for a reasonable length of time, and where repainting is done every season or two anyway to brighten up the surroundings, then order our New Process Mineral Barn Paint and we will send you a better paint than you can buy elsewhere at anything like our price. Remember, we manufacture this paint ourselves, and by purchasing from us several profits are eliminated.

Seroco Shingle Stain and Preservative

Our Shingle Stains are made in our own paint factory and every package leaving our factory contains full measure and is guaranteed as to quality. Strong in color with the highest preserving qualities.

Too much stress cannot be laid on the necessity of preserving your roof and protecting it against the elements. It is just as important to keep your roof in good condition as it is to keep the rest of the house well painted at all times. Don't leave your roof to the mercies of the rain and sun without any protection, but insure against decay by using our Shingle Stain. Remember, a few dollars spent now may be the means of saving a few hundred later on, for new shingles will cost you considerably more money than the cost of enough stain to protect your roof for years to come. **Water will not penetrate shingles coated with our stains, rendering them practically immune from decay.**

The prices quoted below are based on the actual manufacturing cost with but one percentage of profit added, therefore do not be deceived by paying a higher price elsewhere. Send us your order; we guarantee satisfaction or money returned. The shingles can be dipped in the stain or it may be applied with a brush. When applied with a brush, 1 gallon will cover about 150 square feet of surface one coat, or 100 square feet two coats. When dipped, 2½ to 3 gallons will cover 1,000 of the regulation 16-inch shingles. Two-thirds the length of the shingle only need be dipped.

S. R. Carbolineum

(IMPORTED FROM GERMANY.)

The Greatest Preserver of Wood and the Only Sure Destroyer of Lice, Mites and Insects

No. 30H1946 S. R. Carbolineum has been on the market over twenty-six years and has received the severest test in its preserving qualities. Telegraph poles that were treated years ago are as good as new today. Thousands of dollars have been saved by its use. S. R. Carbolineum is recommended for wooden fence posts, poles, sills, joists, wooden curbings and steps, trestle work and bridges, railroad ties, water tanks, silos, wharves and docks, ships, boats, barges, dams, plank walks, windmill and water towers, piles and boats to keep off the teredo; all wood exposed to moisture or other climatic influences and insects. If your chicken house is infested with lice and mites, give the interior a coat of this preserver; it will kill all lice and mites and will keep your chicken house free from such pests. Nearly all railroads use this material for treating ties. Moisture or insects will have no effect on fence posts that are properly treated with S. R. Carbolineum.

S. R. Carbolineum is a heavy dark brown oil stain which impregnates all kinds of wood. It is not explosive or inflammable, nor does it evaporate. It is applied with a brush like paint, or the posts or timbers may be dipped or immersed in the liquid. One good heavy coat is enough, as it penetrates very deeply. A gallon will cover about 250 square feet one coat. Just the material for preventing decay.

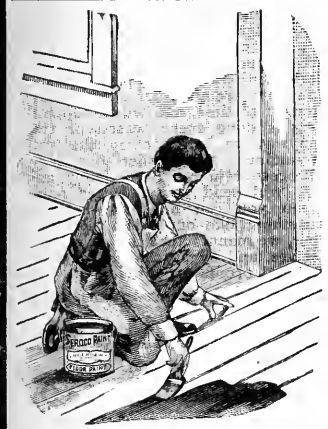
SEROCO FLOOR PAINT

READY MIXED

$1.08 A GALLON

FOR PAINTING FLOORS OF

Kitchens, Dining Rooms, Bedrooms, Porches and Steps



Seroco Ready Mixed Floor Paint is without a doubt the very best wearing floor paint manufactured; it is the result of many years of experimenting and is made by our own secret formula. It must not be classed with the many heavy, worthless floor paints offered elsewhere, for even though our price is lower the quality is unsurpassed. We are so confident that you will be well pleased with Seroco Floor Paint that we agree to return your money if you do not find it everything we represent it to be.

It Makes Old Floors Look Like New

Applied to the floor in the kitchen, the dining room or the bedroom, it will give long and satisfactory service; for our floor paint will stand more foot friction and general wear than any other paint; furthermore, it is easily applied, dries hard and is readily kept clean. It adds immensely to the appearance of a room. If your floors are worn and disfigured, we urge you to give our Seroco Ready Mixed Floor Paint a trial. An old discolored bedroom floor can be made clean and sanitary with two or three coats at a very small expense. After this paint has been applied and becomes dry it is very easily scrubbed and washed without affecting the paint in the slightest degree. It is also highly recommended by us for porch floors, steps and board walks. Its application preserves the wood and will save many a repair bill.

New or old floors which have not been previously painted require three coats. One gallon will cover from 300 to 350 square feet two coats and from 200 to 250 square feet three coats. It will dry in a single night. These are the most attractive colors in which floor paints come:

S. R. SUBSTITUTE TURPENTINE

This is a perfect substitute of turpentine when used for thinning paints and varnishes. It is not only a perfect substitute but it is better than the pure spirits of turpentine when used for this purpose.

S. R. Substitute Turpentine is free from benzine, will not yellow and is free from stain or grease. It will not cause paint to run, crawl or remain tacky. Painters everywhere are making a great saving by using S. R. Substitute Turpentine in place of the pure turps and we positively guarantee that the material will not injure the woodwork on which it is used. There is absolutely no necessity of paying high prices for turpentine used by painters and varnishers when you can purchase a perfect substitute at the prices quoted below. Try it. If not as we say, your money will be returned.

WHITE COLD WATER PAINT

This paint comes in powder form and is ready for use when mixed with cold water. Recommended for coating interiors of barns, basements, chicken houses, granaries, sheds, factories, warehouses, summer cottages, etc. It is a sanitary paint and should be used in place of whitewash, because our Cold Water Paint cannot readily be rubbed off when once dry. It increases the light in basements, barns, or wherever used. Applied with a whitewash, kalsomine or wide paint brush or spraying machine. A 10-pound package will cover from 600 to 800 square feet.

No. 30H2630

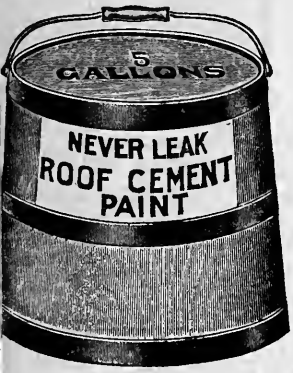
White Cold Water Paint. 25, 50 or 100-pound drums, per pound	5½c
White Cold Water Paint. 200-pound barrels, per pound	4c

Neverleak Roof Cement Paint

WILL STOP THE LEAKS IN YOUR ROOF

Neverleak Roof Cement Paint Is the Best Substance Known for Repairing Roofs and Keeping Them in Good Condition. It Preserves Shingles, Tin, Iron or Felt From the Action of the Elements and Will Make an Ordinary Roof Last Many Years Longer.



LEAKY ROOFS, EITHER TIN, IRON, COMPOSITION FELT OR OLD SHINGLES,

made watertight with our Neverleak Roof Cement Paint. No other roof paint will do what you can accomplish with this remarkable paint. It is a combination of oils, gums, etc., that is more durable than any other paint made for this particular purpose. You can patch holes with this material by following our simple directions.

OUR NEVERLEAK ROOF CEMENT PAINT DOES NOT CONTAIN AN OUNCE OF COAL TAR.

Coal tar products will soften during very hot weather, causing them to crawl and expose parts of the roof. Our **Neverleak Paint,** after once dry, will not soften during the hottest weather. It is a heavy rubberlike, waterproof liquid cement that will make an old roof watertight with one application. In most cases one coat will be sufficient to stop leaks.

Suitable also for all iron work, bridges, smokestacks, water tanks, iron pipes, etc., that are exposed to heat, acid, electricity or the weather. One gallon will cover from 250 to 275 square feet one coat on smooth surfaces. A boy can apply 10 gallons easily in a day. Full and simple directions on each package; use any flat or round paint brush. Made in dark colors. **Black and maroon.**

Guaranteed to Stop Leaks in Your Roof if Directions Are Followed. Money Returned if It Does Not.

No. 30H3076 Round Paint Brush. This is a good strong brush, especially recommended for rough work. Suitable for tar paints, roof cement paints or for any job where an all bristle brush is not required. May be discarded when through painting, as price is so low that it would hardly pay to clean. Made of fiber and bristles. Length, about 3½ inches. Securely bound with wire.
Price, each.....28c

Duck Brand Roof Coating

(Liquid Coal Tar)

No. 30H3468 Duck Brand Roof Coating is used extensively for coating felt roofs. This material is distilled from low heat straight run American coal tar and is more durable than the coatings made from the common tar. For a more durable roof coating for felt roofing, we recommend especially our Black Carbon Paint No. 30H1942; you will find this paint a better article to use, as it is more easily applied and will give more satisfactory service. However, for a coal tar preparation, our Duck brand will be found far superior to the ordinary coal tar roof coatings offered at various prices. Use plenty of sand with Duck Brand Roof Coating. Weight, per gallon, about 10 pounds.

1-gallon can	$0.25
5-gallon can	1.10
10-gallon can	1.85
25-gallon half barrel	3.25
50-gallon barrel	4.75

Twenty-five and 50-gallon barrels shipped direct from Chicago factory.

Roofing Pitch

No. 30H3470½ A genuine straight run American coal tar roofing pitch. This is the best grade of roofing pitch that we can obtain. We have a large sale among roofers and contractors on this material. It is put up in barrels weighing from 300 to 400 pounds each. It is in a solid state and requires melting and is of the proper consistency for gravel roofers' use. Architects are now specifying the use of a sheet of roofing fabric as a dampproof course in walls and foundations. It prevents the wall from absorbing moisture from the ground by capillary attraction. It should be put on the outside walls of the foundation while hot with a mop, generally about two or three coatings, and then a good layer of heavy felt roofing and another coating of hot pitch. Foundations of structures below the ground will be practically waterproof after having been heavily coated with this roofing pitch. Sold only in the three following sizes and shipped direct from Chicago factory.

300-pound barrel. Price	$1.95
350-pound barrel. Price	2.28
400-pound barrel. Price	2.60

Roofing Brushes

Our brushes are made of good stock, are bound with wire and carefully cemented into a head of hardwood, thoroughly seasoned and will not check nor crack. Good brushes, well made and especially recommended for heavy tar paints, roof coatings and heavy painting material. Quality fully guaranteed.

No. 30H3170 Roof Paint Brushes.

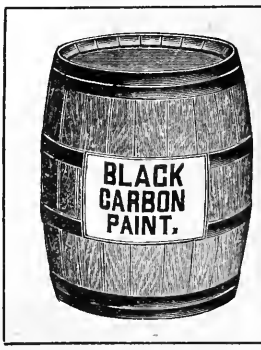
Price, three knots, each	50c
Price, four knots, each	88c

Black Carbon Paint

FOR PAINTING IRON AND SHINGLE ROOFS, COMPOSITION OR FELT ROOFING, BRIDGES, IRON AND WOOD SHEDS, TELEPHONE POLES, SMOKESTACKS, ETC.



No. 30H1942 This paint is a carbon preparation and does not contain an ounce of coal tar or asphaltum. This carbon paint has been on the market and used for many years and is giving the best of satisfaction. It is not as elastic and durable as our Neverleak Roof Cement Paint, but it has in many instances preserved roofs for five years. It will give far better service for felt or composition roofing than any coal tar preparation.

45c Paints Your Buggy With Seroco Buggy and Carriage Paint

A strictly high grade paint for buggies, carriages, wagons or any kind of vehicle. Also recommended for automobile bodies and gears. It is made from the best pigments ground in the finest carriage varnish, and for durability and finish our buggy paints are unexcelled. One coat makes a beautiful and durable finish and no varnish required. One quart, costing 45 cents, with very little labor will make an old buggy look like new. No experience necessary; anyone can apply it, as it comes to you ready for use. While this paint is made expressly for buggies, etc., it can be used with excellent results on settees, benches, lawn swings, chairs or our article exposed to the weather. Our buggy paints are made from the finest materials it is possible to obtain. We cannot afford to use cheap materials because we want your future orders, also the orders from your friends and neighbors. Manufacturing the paint ourselves enables us to use the very best materials and still be able to quote a price others ask for inferior goods.

70c Paints Your Wagon With Seroco Wagon and Implement Paint

ONE-HALF GALLON WILL PAINT ANY ORDINARY WAGON AND MAKE IT LOOK LIKE NEW.

A paint made expressly for wagons and farm implements, has wonderful wearing qualities and covering power. Made of the very best materials with non-fading colors. Being extremely tough, it will not crack or peel off. It is cheaper to use paint than to allow your wagon or farm implements to go to decay. One gallon will, in many instances, refinish every implement on the farm. It is an ideal implement paint because it can be used on iron as well as wood with equal results. Saves many times its cost in preventing rust and decay. Anyone can apply it and do perfect work, as it is ready mixed and ready to be applied when you receive it. Dries hard with a high gloss. Apply with a No. 30H3028, No. 30H3034 or No. 30H3036 varnish brush, 1, 2 or 2½ inches in width.

Seroco Gloss Enamel

A HIGH GLOSS INTERIOR PAINT.

GIVES THAT SMOOTH, GLOSSY PORCELAIN FINISH ON WOODWORK. ANYBODY CAN PUT IT ON VERY EASILY.

A SANITARY FINISH, AS YOU CAN WASH DIRT OR GREASE OFF YOUR WALLS WITHOUT AFFECTING THE FINISH.

The highest grade interior enamel for all purposes. Anyone can apply this enamel and produce that high gloss finish on woodwork, plastered or board walls, furniture, etc. It is a very sanitary finish for walls and woodwork because all dirt and grease are readily removed with soap and hot water without affecting the high gloss finish. Seroco Gloss Enamel is ready mixed and comes to you prepared ready for use and the directions are so simple that the most inexperienced can secure that smooth glossy porcelain finish on woodwork, walls, etc., the equal of the most costly enamel work produced by expert painters. Seroco Gloss Enamel is not an ordinary enamel paint but is a scientifically prepared mixture and should not be compared with the cheap, worthless enamels on the market. We are anxious that our customers give this enamel a trial. Send us an order and finish the walls and woodwork of one of your bedrooms and we guarantee that you will be so well pleased with the porcelain like finish that you will immediately treat other rooms likewise. The finest material on earth for finishing the walls and woodwork of bathrooms and kitchen. Since Seroco Gloss Enamel is made in a variety of beautiful shades, harmonious color combinations are possible; for instance, use a certain color for the walls and a harmonizing color for the woodwork. Remember, we are offering here the highest grade enamel it is possible to make and so prepared that the most inexperienced can produce with it the most perfect enamel finish. Apply with a varnish brush, No. 30H3036, size 2½ or 3 inches wide.

Glaziers' Points.

No. 30H2208 Zinc Glaziers' Points, for fastening glass in sash. We can furnish sizes 1, 2 and 3. The illustration herewith is the actual size of No. 3. Nos. 1 and 2 are larger. State size wanted. ¼-pound paper..3c

White Lead and Combination White.

SPECIAL NOTICE—The following brands are put up in heavy steel kegs. The old style wood kegs absorb the oil in the lead while the lead in steel kegs keeps all the oil. These kegs are seamless. All sizes excepting the 100-pound kegs have iron handles or bails, and may be used for a variety of purposes when empty.

No. 30H2210 Fulton Brand Combination White. Not as white as our Seroco Combination Painters' White, it is better white than you can get at anything like our price because we make it ourselves and save you the jobbers' profit. Put up in steel kegs.

100-pound kegs, per pound....4½c
50-pound kegs, per pound....5c
25-pound kegs, per pound....5½c
12½-pound kegs, per pound..6c

No. 30H2214 This Seroco Combination Painters' White will cover better and wear longer than the best and purest white lead on the market. It is a combination of lead, zinc, barytes and other ingredients that will give you a better paint when mixed with linseed oil than the best white lead that you can buy. We cannot afford to offer a material that will not give the best of satisfaction. Seroco Painters' White has stood the test, we know what it contains and what it will do. Put up in steel kegs.

Pure Graphite Paint Paste.

No. 30H2292 To 12½ pounds (1-gallon) paste, add 3 gallons boiled oil, making 4 gallons of pure graphite paint, ready for use. Will cover over 500 square feet smooth metal per gallon. Will not crack, blister or peel off; is not affected by heat or cold, smoke, steam, moisture, acids, alkali or brine, or by climatic changes. For use on roofs, stacks, boilers, bridges or structural iron of any kind. This paint is manufactured from pure graphite and absolutely pure linseed oil. Is a dark slate color.

Liquid Weatherproof Canvas Coating.

No. 30H2297 The greatest waterproof preparation for cotton duck. A coat of this material applied on cotton duck or canvas of the lightest weight will make it absolutely waterproof. The canvas can be folded without the danger of cracking; it acts like rubber. Especially adapted for haystack covers, tents, wagon covers, tarpaulins, awnings; in fact, it can be applied to anything made of cotton or canvas duck and make it absolutely waterproof. Five gallons will cover an ordinary haystack cover.

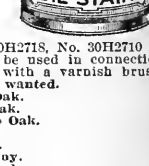
Oil Stain.



Perfect imitation of natural wood, cherry, rosewood, mahogany, walnut, light oak, dark oak, antique oak. For staining interior woodwork or any work not finished. This stain cannot be applied over varnished or painted surfaces. One or two coats of varnish applied over it will produce a fine finish. No. 30H2716, No. 30H2718, No. 30H2710 or No. 30H2711 Varnish may be used in connection with these stains. Apply with a varnish brush.

1-quart can.....34
½-gallon can.....66
1-gallon can.....1.24

Varnish Stain.

Stain and varnish used separately, on new work, produce a better finish than varnish stain, but for refinishing painted or varnished surfaces, such as old furniture, painted or varnished woodwork, this varnish stain is recommended. It stains and varnishes in one operation. Dries hard with a fine luster. Furnished in the following natural wood colors: Cherry, rosewood, mahogany, walnut, light oak, dark oak, antique oak. **Do not fail to mention color wanted.** Apply with a varnish brush; 2-inch brush recommended.

In selecting a color it is necessary that the color selected be of a similar shade to the old finish; for instance, a piece of furniture finished in mahogany cannot be refinished in light oak by applying the light oak varnish stain. The varnish stain in this case will have to be of a dark color, either mahogany or walnut.

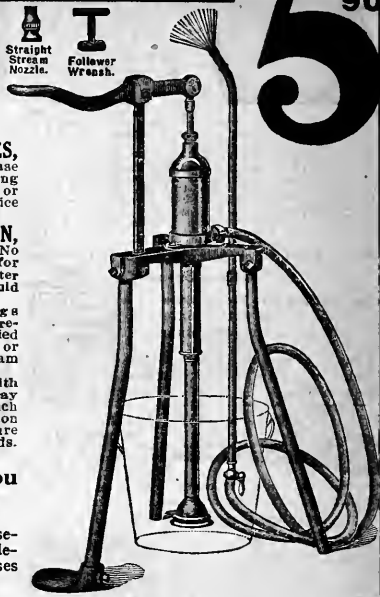
Whitewashing and Spraying Machine $5.90

It Whitewashes, Sprays Sheep and Cattle, and Does Many Other Useful Things



YOU CAN'T AFFORD to be without this machine for so low a price as $5.90. Send us your order today and we will ship you the machine promptly and guarantee to satisfy you in every way or you may return it to us at our expense and we will return your money, including freight charges.

IT DOES WHITEWASHING BETTER THAN WITH BRUSHES, simply because it forces whitewash into corners and crevices where disease germs lodge and which cannot be reached with brushes. In whitewashing chicken houses infested with lice, you can do the work from a door or window, thus avoiding the discomfort of being covered with chicken lice and dirt from head to foot.

FOR SPRAYING SHEEP AND CATTLE IT CAN'T BE BEATEN, as it forces the liquid through to the hide where you really want it. No other sprayer or machine will do the work with so little labor; and for the many other purposes for which it is intended, it is a wonder. After you have given this machine a trial you would not part with it if you could not get another.

THE MACHINE IS SIMPLE AND EASY TO OPERATE. The legs can be removed instantly and thus occupy little space. It can be conveniently carried on cars, in buggies, etc. It is always ready, nothing to take apart or attach, and with a bucket of water you are ready to throw a 30-foot stream any time.

EQUIPMENT CONSISTS OF a 6-foot wrought iron spray pipe with ½-inch brass shutoff cock and brass spray nozzle, extra brass nozzle for straight stream work, iron follower wrench (used for tightening plunger ring in bottom pump cylinder), rubber suction hose with screen attachment and 8 feet of ⅝-inch special high pressure rubber discharge hose. Shipping weight, 40 pounds; net weight, 30 pounds.

Here Are Some of the Many Things You Can Do With It:

You can whitewash chicken houses, barns, sheds, warehouses, basements, factories, etc.; wash buggies, outside windows, porches, sidewalks, outside walls of buildings, wash the feet of your horses and cattle, etc.

IT DOES ANY ONE OF THESE THINGS WITH EQUAL EASE AND DOES IT WELL.

No. 30H2382 Handy Whitewashing and Spraying Machine. Price, complete **$5.90**

SEROCO DRY COLORS

The following dry colors are used for tinting kalsomines, making graining colors and other purposes. Some use these dry colors for painting purposes by mixing them with linseed oil. This we do not recommend unless the mixture is put through a paint mill, as you will have nothing but a coarse mixture which is not fit for anything. If a mineral paint is desired at a low price you will profit by purchasing the Seroco Weatherproof Mineral Barn Paint; then you will have a substantial paint, a paint that will wear much longer, therefore cheapest in the end.

OUR JUMBO WHITEWASHING AND SPRAYING MACHINE $15.85

SEE PAGE 1180 FOR OTHER SPRAYERS

THIS MACHINE is especially suitable for large factories, fruit farms, nurserymen and large stock farms. For whitewashing, its capacity is equal to work of fifteen men with brushes. It is a powerful sprayer, constructed of the very best material and guaranteed to do excellent work. Equipment consists of 3-foot spray pipe complete with ¼-inch cock and spray nozzle, one extra spray tip, 200-pound pressure gauge, special galvanized sieve, follower wrench, one length of 1-inch suction hose and 10 feet of ½-inch special high pressure discharge hose. Shipping weight, 7 pounds.

No. 30H2384 Jumbo Whitewashing and Spraying Machine. Price, complete **$15.85**

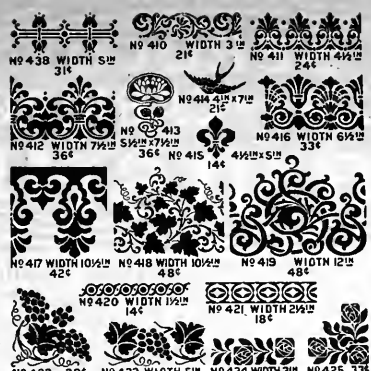
ECONOMY CHIEF—The Cream Separator That Saves You $25.00 to $45.00.

STENCILS

THESE STENCILS ARE MADE OF HEAVY OILED PAPER AND ARE USED FOR MAKING BORDERS, BINDERS, PANEL BORDERS AND CENTERPIECES ON KALSOMINED, PAINTED AND FRESCOED WALLS.

They are also used for making the same decorations on plain wall paper. For the stencil color on kalsomined, frescoed or papered walls use kalsomine of a harmonizing color, to which add an ounce or less, according to quality, of dry lampblack (use No. 30H2343 Lampblack). For stenciling on painted walls prepare the stencil paints as follows: Take a quart or one-half gallon of the body paint and allow it to settle. pour off all of the oil and some of the paint, then add turpentine to the heavy material at the bottom of the can and stir thoroughly. It is then ready to use. Where stencils are to be used for kalsomine stenciling it is necessary that the stencils be given a light coat of shellac before using. Coat both sides of stencils; ¼ pint will coat from four to six stencils. For oil paints or oil colors it is not necessary to shellac stencils. To convey a better idea of the design, some of the illustrations show more than one repetition of the stencil. Corner No. 423 is designed to attach to Border No. 422, but may be used separately as a drop border or as a centerpiece by repeating four times around a central point. Corner No. 425 matches Border No. 424, and can be used in a number of ways. No. 413 can be repeated as a border or by swinging it around in a circle will make a very handsome centerpiece.

Stencils sent as ordered cannot be returned. WHEN ORDERING MENTION CATALOG NUMBER AND NUMBER OF STENCIL WANTED.



FOR A COMPLETE LINE OF STENCILS SEND FOR OUR PAINT SAMPLE BOOK.

VELVET SANITARY KALSOMINE OR WALL FINISH.

OUR VELVET SANITARY KALSOMINE is a dry powder scientifically prepared (directions on package) it is ready for the walls. It will give you a smooth finish and cover so well that the most inexperienced can do perfect kalsomining with this material. If at any time you wish to recalsomine or desire a change in color you can remove the old kalsomine with warm water and a sponge, at the same time you are also removing the dust and dirt that have accumulated on the walls. You cannot do this with some of the extensively advertised wall finishes or coatings because they cannot be removed and you are compelled to cover the dust and old dirt with the new wall coating and seal the dirt to the walls instead of removing it. Our Velvet Sanitary Kalsomine is the best covering and easiest working kalsomine on the market and it will surprise you how clean and fresh a room can be made with a package or two of Velvet Sanitary Kalsomine. It comes in many beautiful tints so that each room, if desired, may be treated in a different color. It will give you a smooth velvety finish which will not rub off, therefore, will not soil clothing that may come in contact with the wall. If you are tired of painted walls, then apply a coat or two of Velvet Sanitary Kalsomine directly on the painted walls and you will be delighted with the smooth, velvety finish; you do not have to remove the paint because it is a good undercoat for kalsomine. The most beautiful harmonizing combination of colors may be had with Velvet Sanitary Kalsomine.

One package is sufficient for an ordinary size bedroom.

Velvet Sanitary Fresco Color Kalsomine.

The Fresco Colors are mixed with hot water the same as the Velvet Sanitary Kalsomine but the mixture should be allowed to stand until absolutely cold before using. This will insure the very best results and greatest satisfaction. One must see that the walls are thoroughly sized before applying the Fresco Colors. The covering capacity of Fresco Colors is greater than the covering capacity of the regular colors. Three pounds of the Fresco Colors will cover as much surface as four pounds of the regular. Three pounds are usually sufficient for the walls of a medium size parlor or living room.

Seroco Floor Wax.

No. 30H2636 Seroco Floor Wax. A lasting, brilliant polish can be obtained on floors when using our prepared floor wax. It is perfectly transparent and will not change the color of wood. Dirt and dust will not stick to floors waxed with Seroco Floor Wax. One pound will cover about 200 square feet. Directions are simple and plainly printed on every can. Put up in one-pound cans.

Price, per can 28c

Dancing Floor Wax.

No. 30H2637 Dancing Floor Wax (powdered). This is the best preparation for dancing floors, easily applied and can be used on new, old or canvas covered floors. Guaranteed not to soil the most delicate fabric. Sprinkle it on the floors and the dancers will do the rest. Put up in one-pound cans.

Price, per can 30c

Fifteen-Minute Floor Finish.

No. 30H2640 A most wonderful finish for floors, interior stairs, etc. It is a compound consisting of wax and other ingredients and applied to the floor in liquid form with a cloth. Floors may be finished in fifteen minutes and immediately used after applied. Brings out the grain of the wood and imparts a rich color. Floors finished with this material can be kept thoroughly clean without scrubbing, as all dust and dirt is readily removed with an ordinary broom or floor brush. Highly recommended for schools, colleges, stores, public halls, churches, as well as residences. For hard and soft wood floors.

The scrubbing expense of large schools, colleges, etc., is enormous. We guarantee that this expense can be reduced 75 per cent by using our Fifteen-Minute Floor Finish. Do not apply this preparation over a painted surface as it is only intended for new floors, or floors that have previously been oiled or waxed. One quart will finish 150 square feet of surface.

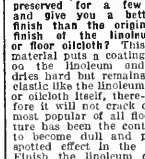
1-pint can	$0.25
1-quart can	.40
1-gallon can	1.30
5-gallon can	6.00

Success Linoleum and Floor Oilcloth Finish.

No. 30H2642 Why allow your linoleum or floor oilcloth to wear away when it can be preserved for a few cents and give you a better finish than the original finish of the linoleum or floor oilcloth? This material puts a coating on the linoleum and dries hard but remains elastic like the linoleum or oilcloth itself, therefore it will not crack or check. Linoleum today is one of the most popular of all floor coverings; its most objectionable feature has been the continual unevenness of wear, causing color to become dull and pattern to be lost, leaving a decidedly spotted effect in the linoleum. By using Success Linoleum Finish the linoleum or oilcloth will retain all its original brightness and luster, thus making the life of linoleum much longer. Hot or cold water does not affect it. A quart can costing 48 cents and a few minutes of your time will save you ten times this amount. One coat will do the work; applied in the evening it will be dry, ready to walk on in the morning. One quart will cover a space 12x15 feet. This finish may also be used on parquet flooring.

1-quart can, 48c; 1-pint can 26c

Water Putty (Crevice Filler).



No. 30H2659 This is a hard drying mineral substance in powder form to be mixed with water. It dries in fifteen minutes. For filling imperfections and cracks in furniture, vehicles, plastered or board walls, floors, statuary, picture frames, sinks, etc. When dry, water will not dissolve it and may be sandpapered, carved or sawed without crumbling. Picture frames with composition ornaments may be repaired with our Water Putty. Use No. 30H2660 for filling cracks in floors that are springy or not well nailed. Use our Water Putty for filling cracks in solid floors.

1-pound package	10c
5-lb. pkg., 36c; 2-lb. pkg.	18c

Seroco Crevice Filler.

SEROCO HOUSE AND CARRIAGE VARNISHES

Let Us Have a Trial Order. It Will Cost You Nothing Should It Fail to Give Satisfaction

The following varnishes are made by one of the largest and best varnish manufacturers in this country. The very same varnishes are sold under the manufacturer's brands at from 50 cents to $1.50 per gallon higher than the prices we are quoting. We guarantee every ounce of our varnishes, and no matter how costly the job, we guarantee satisfaction or money returned. Our varnishes will cover about 600 square feet per gallon, one coat, on new filled oak wood and about 400 square feet on soft pine wood.

Seroco Extra Light Hard Oil Finish.

No. 30H2710 An exceptionally light hard oil finish designed for finishing all kinds of interior woodwork; preserves the natural grain and color of the wood; works freely and dries in about 24 hours with an elegant gloss.

5 Gallons	1 Gallon	½ Gallon	Quart	Pint
$5.50	$1.20	73c	38c	22c

Seroco No. 1 Hard Oil Finish.

No. 30H2711 Splendidly adapted for general interior woodwork. Is pale, free flowing and durable and possesses a full and substantial body. Dries free from dust in two to three hours.

5 Gallons	1 Gallon	½ Gallon	Quart	Pint
$4.00	95c	55c	32c	19c

Seroco Furniture Varnish.

No. 30H2714 This varnish may be used to brighten up worn and lusterless furniture of every description. It dries over night and imparts a fine gloss finish. For general repair work in the household, on articles in daily use that must be finished hurriedly, this material is recommended.

5 Gallons	1 Gallon	½ Gallon	Quart	Pint
$3.75	85c	53c	32c	19c

Seroco Extra Furniture Varnish.

No. 30H2715 An extra fine varnish which is used by high grade furniture manufacturers; very tough and dries hard with a high gloss which can be rubbed and polished. Recommended for first class furniture finishing.

5 Gallons	1 Gallon	½ Gallon	Quart	Pint
$6.00	$1.30	75c	43c	24c

Seroco Cabinet Finish.

No. 30H2716 This varnish is designed for highest grade interior woodwork that is to be rubbed and polished; also a beautiful finish when left in the gloss. Is exceptionally rich and lustrous and on account of its elasticity is extremely durable. Dries free from dust in three to four hours and sufficiently hard for rubbing in forty-eight hours.

5 Gallons	1 Gallon	½ Gallon	Quart	Pint
$6.00	$1.30	75c	43c	23c

Seroco Interior Varnish.

No. 30H2718 An excellent varnish for use on all ordinary woodwork, furniture or over graining. Produces a fine gloss and gives a lasting finish. Dries in about twenty-four hours.

5 Gallons	1 Gallon	½ Gallon	Quart	Pint
$5.50	$1.20	70c	40c	23c

Seroco Interior Spar Varnish.

No. 30H2719 Specially adapted for finishing highest class interior woodwork that is to be left in the gloss; may, however, be rubbed if desired. Exceedingly pale, free working and durable. Dries hard in two to three days.

5 Gallons	1 Gallon	½ Gallon	Quart	Pint
$8.25	$1.75	97c	53c	30c

Seroco Church and School Seat Varnish.

No. 30H2721 An extremely hard drying and durable article prepared especially for use on church and school seats. It will not soften up under heat of the body. Dries dust free in five to six hours and hardens in forty-eight hours.

5 Gallons	1 Gallon	½ Gallon	Quart	Pint
$8.50	$1.80	$1.00	55c	31c

Seroco Outside Spar Varnish.

No. 30H2722 For finishing all kinds of exposed surfaces, such as outside doors, vestibules and store fronts. It is also especially recommended for finishing inside blinds and the woodwork in bathrooms and on sinks, where a very elastic and durable varnish should be employed.

5 Gallons	1 Gallon	½ Gallon	Quart	Pint
$9.25	$1.95	$1.08	59c	33c

Seroco White Damar Varnish.

No. 30H2724 Made from imported Batavia gum. For finishing over any enameled surfaces, white or ivory, without producing discoloration. It may also be used with excellent satisfaction on fine wall paper hangings or on delicately tinted painted walls. Is of good body and dries well.

5 Gallons	1 Gallon	½ Gallon	Quart	Pint
$6.50	$1.40	78c	42c	24c

Seroco Black Asphaltum.

No. 30H2726 For finishing all kinds of castings, smokestacks, stove pipes, fenders, coal hods, iron work of agricultural implements, etc. It produces a jet black, brilliant finish and absolutely prevents rust or corrosion. It is heavy in body and quick drying.

5 Gallons	1 Gallon	½ Gallon	Quart	Pint
$2.50	60c	40c	22c	13c

Seroco Turpentine Japan Dryer.

No. 30H2728 A first class house painters' japan, dependable in all kinds of weather. A good binder and a sure and quick dryer; contains no acids and will not cause the paint with which it is mixed to burn, blister, crack, chalk or peel. It mixes readily with oil and does not detract from the elasticity of the paint.

5 Gallons	1 Gallon	½ Gallon	Quart	Pint
$3.50	80c	50c	30c	18c

Gloss Oil.

No. 30H2732 Gloss Oil is composed of rosin and benzine. It is used for sizing plastered walls before kalsomining and for other similar work.

5 Gallons	1 Gallon
$1.50	40c

FINE CARRIAGE VARNISHES.

Seroco Wearing Body Varnish.

No. 30H2740 A brilliant durable and elastic varnish for finishing carriage and buggy bodies. It works and flows with surprising freedom and may be used on the largest surfaces, such as carriage bodies, with the greatest safety and satisfaction. It is very pale and will not darken or injure the lightest shades of body color. It dries free from dust in twelve to sixteen hours and hardens properly in from two to three days.

1 Gallon	½ Gallon	Quart	Pint
$2.80	$1.47	78c	42c

Seroco One-Coat Coach.

No. 30H2752 A splendid varnish for general repair work. On carriages, when work is simply dull or lusterless, otherwise in good condition, one coat of this varnish on the entire vehicle will produce a finish practically equal to a new job. It is light in color, elastic, brilliant and durable. Dries free from dust in about twelve hours and hardens to admit the use of the vehicle in about three days.

1 Gallon	½ Gallon	Quart	Pint
$2.50	$1.35	72c	38c

Seroco Wagon and Implement Varnish.

No. 30H2754 For agricultural implements, wagons, etc. A good varnish for general outside work, has a good body, a fine luster and is light in color and wears well. Dries in about ten to fourteen hours.

1 Gallon	½ Gallon	Quart	Pint
$1.45	83c	46c	25c

Denatured Alcohol Orange Shellac.

No. 30H2760 Pure orange shellac in denatured alcohol. The best first coater for furniture, woodwork or any surface that is to be finished in varnish, excepting floors. Shellac dries in from two to four hours, so that in using it you save considerable time in finishing the job. Liquid wood fillers are nothing more than cheap rosin varnishes, therefore we do not recommend their use. Shellac is the best first coater, in fact, all piano and high grade wood finishers use shellac for first coating. Orange shellac will give the wood an oak color. White shellac is used where no coloring is desired. Also recommended for coating knots and sappy streaks before painting.

1 Gallon	½ Gallon	Quart	Pint
$1.40	78c	42c	24c

Denatured Alcohol White Shellac.

No. 30H2762 White Shellac. Guaranteed Pure.

1 Gallon	½ Gallon	Quart	Pint
$1.55	83c	45c	26c

Seroco Knot Killer.

No. 30H2764 Especially prepared for coating knots and sappy streaks before painting. It will do the work as well as the pure shellac, although very much lower in price.

1 Gallon	½ Gallon	Quart	Pint
$1.26	72c	42c	24c

Denatured Alcohol.

No. 30H2766 For use in alcohol lamps, alcohol stoves and other utensils that are made for burning alcohol. This alcohol has been denatured, not to be used for medicinal purposes, in accordance with the law, so that it can only be used as a solvent or for heating and lighting purposes.

1-gallon can	$0.68
5-gallon can	3.00

Seroco Durable Floor Varnish

For Finishing all Kinds of Wood Floors.

No. 30H2720 You need not pay $2.50 to $3.00 a gallon for a floor varnish that is offered you under a fancy name when you can secure from us a varnish that we guarantee is equal to or better than any of the fancy varnishes on the market, at the remarkably low price of $1.70 a gallon.

A good floor varnish must first wear well; second, have a good body and luster and retain the latter; and third, dry quickly so the floor can be used in the shortest possible time after the varnish is applied. Our Seroco Durable Floor Varnish has all three of these valuable and desirable qualities. This is a waterproof varnish that will withstand the severe wear the floor receives, the constant scraping of chairs, the moving of heavy furniture, etc. You can dent the varnished wood, but you cannot break, blister or peel the varnish. One gallon will cover approximately 600 square feet on oak and 400 square feet on soft pine floors one coat. Anyone can apply this varnish and a good glossy surface guarauteed.

5 Gallons	1 Gallon	½ Gallon	Quart	Pint
$8.00	$1.70	95c	53c	29c

Chinese Gloss Lacquer

We Want You and Your Friends to Know All About Chinese Gloss Lacquer, the New Wood Finish That Will Make Old Furniture Look Just Like New.

This is without doubt the most wonderful wood finish ever produced, wonderful because it surpasses in brilliancy of colors and lasting qualities any wood finish heretofore sold for a similar purpose. It is so easily applied that the most inexperienced can use it, and it is offered at a price so low that it makes it possible for you to make old and scratched pieces of furniture just as good as new at an expense of a few cents. **Chinese Gloss Lacquer** applied to an old table, chair, dresser or any other article of furniture will make it look like new; when applied to woodwork, wainscoting, doors and window sash it gives them renewed light and beauty. Best of all, this beautiful new finish, our **Chinese Gloss Lacquer,** can be applied by any housewife, and the finished work will be just as satisfactory, just as rich and beautiful as if it had been done by an expert painter or a cabinet finisher. Indeed, the greatest merit of **Chinese Gloss Lacquer** lies in this one quality—that it does not require expert handling to produce the very finest results. It is put up by us ready for use; nothing is to be added by the purchaser, just open the can, pour a little of the liquid in a saucer or cup and brush it on the piece of furniture or the woodwork you wish to decorate, following the very simple directions we send with the can, and in twenty-four hours' time the newly finished piece of furniture or woodwork will be ready for use.

Apply Chinese Gloss Lacquer with a flat varnish brush. Any of the following brushes may be used: Nos. 30H3028, 30H3034, 30H3036, 1½ and 2½ inches in width. See page 544.

CHINESE GLOSS LACQUER IS MADE IN THE FOLLOWING COLORS:

Price, each	32c	57c	$1.90

Special Interior White Enamel.

This is the whitest and longest wearing enamel for interior woodwork that can be made regardless of price, and no matter what the brand or make of enamel that is specified or offered to you it cannot give better results. Our Special Interior White Enamel works freely under the brush, is quick drying, combining elasticity, hardness and durability, and will not turn yellow. Directions for three-coat work: Apply one coat of White Enamel Undercoat direct to the wood; allow forty-eight hours for drying. Sandpaper lightly with No. 00 sandpaper and apply the second coat of half Undercoat and half Special Interior White Enamel. Allow forty-eight hours for drying, sandpaper lightly with No. 00 sandpaper and apply a coat of Special Interior White Enamel, full body.

No. 30H2652 Special Interior White Enamel.

Seroco Pure Shellac in Denatured Alcohol.

This shellac is of lighter body than our regular goods, having been thinned with denatured alcohol to the proper consistency for use in connection with our Seroco Architectural Wood Stains. We cannot guarantee good results if heavier shellacs are used. The wood is first stained and when dry a light coat of shellac is applied. White shellac is applied when Pollard or weathered oak stains are used.

No. 30H2656 White Shellac.

Paste Wood Filler.

Oak woodwork must be filled after being stained and shellaced. For this purpose we recommend our No. 30H2661 Light Oak Paste Filler on this page. It comes in light oak which is the natural color of the filler, but can be colored with our Seroco Architectural Wood Stains to the shade desired. Directions: Mix together 5 pounds of paste filler with enough stain to color it, then add turpentine or benzine to bring the mass to the consistency of heavy paint; it is then ready to be applied. Further directions on package.

Seroco Paste Wood Filler.

All open grained hardwood, such as oak, ash, etc., must be filled in order to produce a perfect varnish finish. This filler is the best made, easily applied and dries very hard. Made in two shades, light oak and dark oak.

No. 30H2661 Light oak
No. 30H2662 Dark oak

Seroco Liquid Metal Polish.

For Polishing Brass, Zinc, Tin, Nickel, Copper, Silver, Polished Steel, Etc. Will Not Injure the Finest Metal.

No. 30H2778 This polish was made especially for us to supply the demand for a high grade automobile polish, and while it is better than is really required for household use, still you cannot afford to use an inferior polish, because we ask no more for our Seroco Metal Polish than you have to pay elsewhere for the common metal polishes. We guarantee that this polish will go farther than any other. It is cheaper than the cheapest you can buy, because it will polish more surface and give you a better and more lasting polish than you can obtain from any other make. Include a small can in your order, try it and if you are not highly pleased with the result just write us and we will return your money without asking you to return what you have left of the polish. For polishing brass, zinc, tin, nickel, copper, silver, polished steel, etc. Will not injure the finest metal.

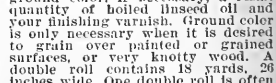
THE FACTS ABOUT PAINT

Read Pages 530 and 531.

Every builder, contractor, master painter, journeyman painter and home owner is vitally interested in paint pages 530 and 531. For many years a large number of people have had an entirely wrong understanding about paint. Wrong information has been advertised by large institutions who were too enthusiastic about the quality of their products. We have DUG AWAY DOWN DEEP into the paint question and have unearthed THE FACTS and offer them to you on pages 530 and 531 with our compliments. They are yours to profit by them. Those pages contain valuable information for anybody who will appropriate it to his own use. Read the facts and take advantage of them.

Transfer Graining Paper.



No. 30H2958 Imported German Transfer Graining Paper will give you a better grained surface than is possible to produce by hand or with any device. No graining colors to bother with; all that you require are ground color, if necessary, a small quantity of boiled linseed oil and your finishing varnish. Ground color is only necessary when it is desired to grain over painted or grained surfaces, or very knotty wood. A double roll contains 18 yards, 26 inches wide. One double roll is often sufficient to grain the doors and casings of a six-room house, as several impressions may be taken from one strip. Furnished in light, medium or dark oak. **State color wanted.** Weight, 28 ounces.

No. 10. Quarter sawed and heart oak, like illustration.

No. 9. Straight oak, heavy heart grain and lines.

No. 20. Straight oak, small heart grain and lines.

Price, per double roll of 18 yards 70c

When ordering mention catalog number and number of pattern and color.

No. 30H2697 Ground Color.

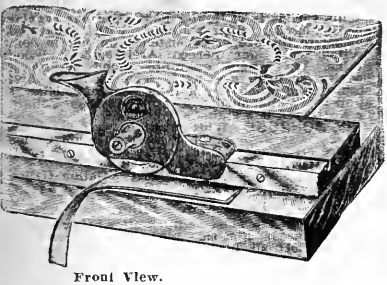
TOOLS FOR HANGING WALL PAPER

If You Do Your Own Papering You Should Have This Wonderful Wall Paper Trimming Outfit, The Reliable Simplex $2.10



Front View.

Do you know that it will pay you to have a Wall Paper Trimming Outfit in your home for the simple reason that you can trim the paper in one-quarter of the time it would take with the old method of using shears, and instead of an irregular edge you will have a clean cut smooth edge which will enable you to match the paper perfectly and more easily, consequently do the entire work in much less time. One of our customers says: "Had I known how much better I could hang paper, as I found after using one of the Simplex Trimming Outfits, I would have purchased one years ago even at the former price of $4.00 an outfit." The customer referred to owns his own home of six rooms and has found it profitable to have a trimming outfit even though he does not paper every year. The entire outfit occupies but very little space and can be stored away after you are through with your papering, as there is nothing about it that will spoil or become damaged. The Simplex was originally made for the paperhanger, but since we purchased the patents and are making them in our own factories we have been able to reduce the price from $4.00 to $2.10 an outfit, all complete. While a few house owners purchased these outfits at the former high price, knowing of their convenience, thousands have taken advantage of owning one since the price has been reduced.

NO PAPERHANGERS' TABLE NECESSARY. Three pieces of board 8 inches wide and about 7 feet in length will make as good a table for the purpose as the manufactured ones. Tack the long piece of zinc on one of the boards near the edge, then take the three boards, the one with the zinc towards you, lay them side by side with the ends resting on two tables or any other support and your table is ready for trimming the paper. The board with the zinc strip can be stored away in the basement for future use. Your money returned if not satisfactory.

No. 30H2856 **Simplex Trimmer,** complete outfit with 6-foot wood straight edge. Shipping weight, 8 pounds. Price.....$2.10

No. 30H2857 **Simplex Trimmer,** complete outfit with 7-foot wood straight edge. Shipping weight, 9 pounds. Price.....$2.25

SIMPLEX TRIMMER.
With Metal Straight Edge.

$2.75

This trimmer outfit is without a doubt the best outfit you could possibly purchase. The all metal straight edge will always remain true and straight and the trimmer is a roller bearing tool that reduces the friction to the minimum. A zinc strip is also included in outfit, and when you consider that our former price for this very outfit was $4.15 you will realize what a saving we make for our customers at the price given below. This price is possible because we manufacture the Simplex Trimmer and we sell at actual manufacturing cost with only our one profit added.

No. 30H2854 Simplex Outfit, consists of trimmer, zinc and metal straight edge, 7 feet long. Shipping weight, 13 pounds.
Price $2.95

No. 30H2855 Simplex Outfit, as above, but with 6-foot metal straight edge. Shipping weight 11 pounds.
Price $2.75

Seam and Smoothing Rollers.

Price, per set of six..$2.20

Regular Extension Ladders, 13c a Foot.

Our Regular Extension Ladder is one of great merit throughout. The hardwood rungs are tested before they are used; this insures only sound rungs being placed in these ladders. The sides are of good straight grain pine, solid and strong. A special feature of our Regular Extension Ladder is the double roller top iron which makes the adjustment of the ladder very easy. The drop hooks are very simple and strong. This is a ladder that is safe and sound in every particular, and we guarantee that you will be pleased. Sold in the following lengths, two sections to each ladder. All ladders shipped from our store. Shipping weight, about 2½ pounds a foot.

No. 30H2944 Our regular Extension Ladder.

No. 30H2954

GRAINING TOOLS AND BRUSHES

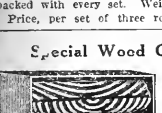
Improved Davis Wood Grainers.

No. 30H2964 Wood Grainers are composed of three rubber rolls, 5 inches in length. With the corrugated roll any known growth of wood can be imitated. Quarter sawed oak grain is produced with Roll No. 2, the one with the irregular grooves. Roll No. 3 is used in place of combs for straight line work in connection with the other two rolls; this roll is made with three sizes of combs. Anyone possessing a set of our improved graining rolls can, with a few minutes' practice, do a perfect job of graining and imitate the natural wood so that it would be impossible to distinguish the natural grain from the grain made by our improved wood grainers. Complete instructions packed with every set. Weight, 14 ounces.

The Improved Davis

Price, per set of three rolls.....95c

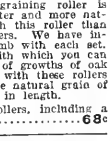
Special Wood Grainers.



No. 30H2967 Having received a number of calls for a set of graining rollers without the roller producing the quarter sawed effect, we have requested the manufacturers of these rollers to make up a set of two rollers, both producing the heart oak grain, one fine and the other slightly heavier. The heart oak graining roller is mostly used, in fact, a better and more natural grain is produced with this roller than with any of the other rollers. We have included a steel graining comb with each set. This gives you an outfit with which you can produce an endless variety of growths of oak wood and the grain made with these rollers cannot be detected from the natural grain of oak. Rollers are 5 inches in length.

Price, per set of two rollers, including a steel graining comb.....68c

The Home Wood Grainer.



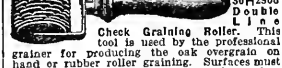
No. 30H2965 A handy tool for graining wainscoting, floors, woodwork, furniture, doors, etc. You need no experience. Anyone can do perfect graining with this new roller. A great variety of growths can be produced with this roller than with other handled grainers, because we give you a complete roller and not a quarter or half roller such as is offered at a reduced price. Price.....28c

Graining Combs.

No. 30H2966 Genuine Henry H. Taylor's English Graining Combs. Best quality steel, in sets of twelve, assorted, 1 to 4 inches, in tin compartment case. Wt., 14 oz.

Price, per set.....70c

Check Graining Roller.



No. 30H2968 Double Line Check Graining Roller. This tool is used by the professional grainer for producing the oak overgrain on hand or rubber roller graining. Surfaces must be grained first before this tool can be used.

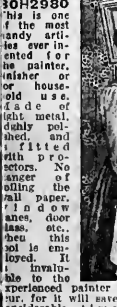
Painters' Time Saver.

Paint as fast as you like without soiling surrounding decorations.



No. 30H2980 This is one of the most handy articles ever invented for the painter, finisher or for household use. Made of light metal, highly polished, and is fitted with protectors. No danger of soiling the wall paper, window panes, door glass, etc., when this tool is employed. It is invaluable to the experienced paperhanger as well as to the amateur, for it will save considerable time and will allow you to do better work. This article is also used when washing woodwork to prevent the wall decorations being soiled, and at our low price you really cannot afford to be without at least one of these tools.

Price, each 15c

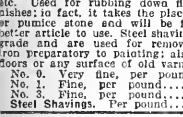
Steel Wool and Shavings.



No. 30H2670 Steel Wool is a mass of fine fibers of steel, resembling curled hair, which, while sharp, does not scratch, but will cut as smoothly as the finest sandpaper, emery or pumice stone. For many purposes it is superior to sandpaper, etc. Used for rubbing down filters and varnishes; in fact, it takes the place of sandpaper or pumice stone and will be found a much better article to use. Steel shavings are a coarse grade and are used for removing rust from iron preparatory to painting; also for cleaning floors or any surface of old varnish.

No. 0. Very fine, per pound	38c
No. 1. Fine, per pound	29c
No. 3. Fine, per pound	25c

Bicycle Riders! America Tires and Peerless Coaster Brakes Are TOP NOTCHERS.

OIL THE BEST GRADES FOR ALL PURPOSES

Our Oil Department is one of the largest independent shippers of oil in the world. Our customers realize that the goods we have to offer are far superior in every respect to the miscellaneous lot of goods thrown on the market by the various companies. We have no high salaries to pay salesmen on the road. The pages of this catalog are our salesmen. We handle the very best oils the world produces and if you have not given our oils a trial you should at least send us a trial order. **The different oils listed in this catalog are most generally used,** but if you do not find the kind of oil wanted, write to us, giving a description of the oil and purpose it is intended for, and we will promptly quote you the very lowest price.

HIGH GRADE INCUBATOR LAMP OIL.

Our High Grade Incubator Oil is not like the ordinary kerosene oil, but is an oil which will give you an even temperature because it forms less crust on the wick, leaving the wick soft instead of with a hard crust. Operators of incubators realize that without an even temperature it would be impossible to secure a successful hatch, and an even temperature cannot be obtained with the majority of oils offered on the market. Our Incubator Oil will give you an even and steady white flame and you do not have to trim the wick as often as when burning ordinary kerosene. This Incubator Oil has by actual test burned steadily for thirty days and nights before there was any noticeable change in the flame. Return the oil at our expense if not as represented. May be used for house lamps as well as incubators.

To Insure a Successful Hatch Use Only the Best.

An Even Temperature and Clear Flame Are Essential to Get Good Results.

We Guarantee This Oil.

Why use a poor oil when you can secure High Grade Incubator Oil, the best, for such a low price as ours?

No. 30H3300 50-gallon barrel.....**$6.50**

No. 30H3301 10-gallon can..... **1.75**

Shipped from our Chicago plant.

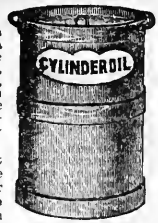
Seroco Safety Kerosene.

No. 30H3306 A high grade burning oil that will give you a bright light without the offensive odor so common when burning cheap oils. We guarantee that this oil will burn better and last longer than the kerosene usually handled by dealers.

Price for 10-gallon can.....**$1.69**

Sold in 10-gallon cans only.

Cylinder Oils.



The following Cylinder Oils are made from Pennsylvania Premium Crude. This crude is settled before distilling, and refiltered after distilled, doing away with all foreign matter. The tests of these oils, such as fire, flash, viscosity and gravity, are unexcelled.

No. 30H3336 Highest Test Cylinder Oil. Made from the finest stock. Amber in color. Nothing better on the market. May be used in any engine; high or low steam pressure.

Fireproof Cylinder Oil.

No. 30H3341 Fireproof XXX Cylinder Oil. Black in color. The most wonderful and powerful oil ever compounded. Used in any engine, high or low pressure, and lubricates perfectly. You will always find a film of oil inside of cylinders where this oil is used, also on the rings; packing and piston rods are so thoroughly lubricated they show comparatively little wear, no matter how high the steam pressure. One barrel of Fireproof XXX Cylinder Oil will go as far as two barrels of any other oil. We guarantee that after you have once used this oil you will never use any other. We will accept your order for a barrel or can of this oil with the understanding that if not found as represented we will allow you to return the balance of the oil and return your money, making no charge for the oil used. The following prices include package:

Cream Separator Oil for Hand Power Machines.

No. 30H3354 This is the best cream separator oil made. It is a fine white oil which will not gum and contains more lubricating matter than the majority of separator oils on the market. Recommended for use in machines that are kept in moderately warm rooms where the temperature does not drop below 40 degrees. Keep your cream separator in a warm room and use this oil. It will save the bearings of your machine and reduce your repair bills.

Cream Separator Oil for Hand Power Machines That Are Kept in Unheated Rooms.

No. 30H3355 This oil is especially made for use in machines that are operated in unheated rooms at a temperature below 40 degrees Fahrenheit. It is a very light bodied oil, and since it carries very little lubricating matter it should only be used for the purpose for which it is intended. Manufacturers of cream separators usually send this grade of oil with new cream separators. We recommend that the cream separator be kept in a warm room so that our best grade separator oil may be used (No. 30H3354). It will save the bearings of the machine and reduce your repair bills.

Kerosene Tanks.

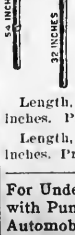
Our Kerosene Tanks are made of best 26-gauge galvanized iron in body and bottom; wood bottom under metal, tin hood, portable steady stream pump which can be taken out of the tank and used for pumping kerosene from barrel into tank. All tanks are neatly painted and securely crated. The prices below do not include kerosene. We cannot ship kerosene in these tanks as the railroad companies will not accept them filled.

No. 30H3290 Kerosene Tank. Capacity, 30 gallons. Weight, crated for shipment, 35 pounds. Price.....**$3.00**

No. 30H3291 Kerosene Tank. Capacity, 60 gallons. Weight, crated for shipment, 50 pounds. Price **$3.40**

No. 30H3292 Kerosene Tank. Capacity, 110 gallons. Weight, crated for shipment, 65 pounds. Price **$5.75**

85c Transfer Pumps.



No. 30H3298 Transfer Pumps for transferring gasoline or kerosene from barrels into tank. The regular pump furnished with our kerosene tank is rather small for transferring purposes. Oil may be transferred with this pump in half the time.

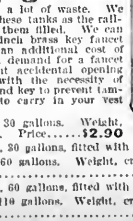
Length, 32 inches; diameter, 1¼ inches. Price.....**85c**

Length, 54 inches; diameter, 1½ inches. Price.....**$1.70**

For Underground Gasoline Tanks with Pump Attachments write for Automobile Supply Catalog.

Tanks With Brass Faucets.

FOR GASOLINE OR LUBRICATING OILS.



These tanks are made of best 26-gauge galvanized iron in body and bottom; wood bottom under metal; has 4-inch screw top and ½-inch brass faucet. May be used for gasoline or oil. A couple of these tanks for your gasoline and lubricating oil will prevent a lot of waste. We cannot ship gasoline or oil in these tanks as the railroad companies will not accept them filled. We can furnish these tanks with a ½-inch brass key faucet like the above illustration, at an additional cost of 40 cents. There has been a great demand for a faucet of this kind which will prevent accidental opening of faucet and will do away with the necessity of keeping your tanks under lock and key to prevent tampering. Key is small enough to carry in your vest pocket.

No. 30H3294 Capacity, 30 gallons. Weight, crated for shipment, 30 pounds. Price.....**$2.90**

No. 30H3294 I Capacity, 30 gallons, fitted with key faucet. Price.**$3.30**

No. 30H3295 I Capacity, 60 gallons, fitted with key faucet. Price. **3.65**

No. 30H3296 Capacity, 110 gallons. Weight, crated for shipment, 60 pounds. Price..... **5.25**

No. 30H3296 I Capacity, 110 gallons, fitted with key faucet. Price. **5.65**

Machine Oils of Guaranteed Quality at Money Saving Prices

MACHINE OILS.

No. 30H3357 Seroco Fireproof Machine Oil. Black in color. The greatest lubricating oil on earth. Cannot gum and positively fireproof. For all kinds of heavy machinery, steamships, cars (steam and electric), large engines, stone crushers, cement machinery, etc., where wear, tear and friction are hard and excessive. No hot journals where this oil is used. Stays on the bearings or journals, thoroughly lubricates, and wears several times longer than any other oil. Send us a trial order; if not as represented, return at our expense and the money paid for same, including transportation charges, will be returned and no charge made for oil used. The following prices include package:

1-gallon can.....39c
5-gallon can, per gallon.....33c

5-gallon can, per gallon.....31c
10-gallon can, per gallon.....29c
50-gallon barrel, per gallon.....22c

SPECIAL NOTICE

The prices we ask for oils in 1-gallon cans are very high in proportion to the prices we ask in larger quantities. This is due to the cost of containers, for we pay from 15 to 20 cents for empty 1-gallon cans and of course we must add this amount to the cost of the oil. Therefore, you will best serve your own interests by purchasing oil in quantities of 5, 10, 30 or 50 gallons and thereby get the benefit of the lowest prices.

Ice Machine Lubricating Oil.

No. 30H3380 A high grade oil which will flow in the coldest weather. Made especially for ice machines, but is now extensively used for windmills and other machinery during cold weather. It will not congeal in the coldest weather. Pale straw in color.

Graphite Roof Cement.

No. 30H3474 For repairing any kind of leak in roofs, chimneys, gutters, porch floors, etc. Easily applied with a putty knife or wood paddle. Guaranteed to stop any leak. Strictly elastic and will not crack; the severest exposure will not affect it.

2-pound can.....20c
5-pound can.....40c

No. 30H3347 A perfect automobile oil must have high fire test and be as free from carbon as it is possible to make without reducing the fire test. An oil of a low fire test, of which there are many on the market, will be consumed by the heat of the exploded gasoline before it has performed its work of lubricating the cylinder. An oil that contains an excess of carbon will leave a heavy deposit in the cylinders, causing a loss of power and wear on the cylinders. Our 1, 2, 4 and 6-Cylinder Automobile Oil has a very high fire test and is as free from carbon as it is possible to make. Use this oil and save repair bills and with perfect lubrication you get the maximum power of the engine. Even if you have been paying as high as $1.00 a gallon for oil, send us a trial order for this Automobile Cylinder Oil if you want the best oil that can possibly be made for gasoline engines.

Peerless Motorcycle Cylinder Oil.

A highly viscous lubricating oil of a special high fire test, made especially for motorcycle and other air cooled motors. Your motor will give you the maximum amount of power when using our Peerless Motorcycle Oil. We challenge anyone to produce an oil that will give better lubrication and satisfaction in general, no matter what the price. Give our oil a trial and if you do not find it a better oil than you have ever used write us and we will promptly return the full price paid for the oil.

No. 30H3345 Peerless Motorcycle Oil.

1-gallon can.....56c
5-gallon can, per gallon.....40c

Pennsylvania Automobile Cylinder Oil.

For Air Cooled Gasoline Engines.

No. 30H3346 A special high fire test cylinder oil for air cooled auto gas engines. This oil will not burn up nor cause the pistons to stick in the cylinders because it has an extra high fire test which is necessary in an oil intended for air cooled gas engine lubrication. This is the best oil that can be made for air cooled engines and we will match it against any oil on the market, no matter what the name, make or price. Order a 5-gallon can of this oil and use a gallon of it or more and if you do not find it the finest and most satisfactory oil that you have ever used, return the balance of the oil and we will return to you the full price paid, making no charge for the oil used.

SEROCO BRAND OF OILS, DRESSINGS AND OTHER ITEMS

THE SEROCO BRAND of oils, dressings, etc., are put up in attractive cans; some are lithographed, others have fancy labels. We wish to call the attention of dealers to our line of goods, for the prices quoted are the very lowest we can make, and we know that they are lower than the prices charged by jobbers for inferior goods. The quality of our Seroco Brand is, without question, the best; furthermore, the cans make attractive shelf goods, and this is an important feature.

50c A GALLON Seroco Harness Oil.

No. 30H3410 This is not the heavy, greasy material commonly sold for harness oil, but is a special high grade compounded oil that will renew leather harness, make it pliable and prevent the leather from cracking. It contains sufficient coloring matter to color the cracks in old harness and make the leather look like new without any injury to it. Send us a trial order; if you are not satisfied after a fair trial, return the balance of the oil and your money will be promptly returned.

Jacobs' Waterproof Leather Filler.

No. 30H3411 The greatest oil preparation ever invented. It will positively fill the pores of leather so that water cannot penetrate it. Jacobs' Waterproof Oil Filler will preserve and waterproof all leather to which it is applied; it will make the leather pliable and prevent it from cracking. Nothing better on earth for boys' and men's shoes, harness, leather gloves, leather buggy tops, machine belts or anything made of leather that is liable to come in contact with moisture. Boots and shoes can be made waterproof with one application. Liverymen, railroad men, farmers, policemen, letter carriers, school children, butchers, tanners, soldiers, etc., should not be without a can of this Waterproof Leather Filler.

Seroco Waterproof Carriage and Automobile Top and Seat Dressing.

No. 30H3420 For dressing anything made of leather, rubber, parasote, morocoline, rubber drill, enamel drill or any leather or imitation leather. For waterproofing and renewing leather or imitation leather seats, backs, tops, straps, etc., also metal or leather guards and dash boards. It will dry in one hour and will not rub nor crack off, no danger whatever of soiling the most delicate fabric. One application of this material will last an entire season on any carriage or automobile top and make it absolutely waterproof. Seroco Waterproof Dressing may be used on the finest leather furniture, it will preserve the leather and make it look like new. We guarantee that Seroco Waterproof Carriage and Automobile Top Dressing will not crack nor rub off. When once applied it becomes part of the material to which it is applied. Money returned if you do not find it the best dressing that you have ever used.

½-pint can; weight, 8 ounces	23c
1-pint can; weight, 16 ounces	35c
1-quart can; weight, 32 ounces	60c

Seroco Axle Oil.

No. 30H3446 This is the very same kind of oil that you have been buying at $1.00 a gallon and more. It is a heavy oil of a greenish cast that will wear longer and make your buggy or carriage run lighter than with any grease or other oil on the market. There is nothing better for the axles of buggies, carriages and light wagons; also very much cleaner than axle grease. Order a gallon or less and give it a trial; use one-half of the oil if you like, so as to give it a thorough trial; then if you are not satisfied with it write us and we will return the amount paid for the oil and make no charge for that used.

1-quart can	20c
1-gallon can	60c

Seroco Hoof Dressing.

No. 30H3422 Seroco Hoof Dressing stimulates the growth of the hoof and keeps it in a healthy condition. Seroco Hoof Dressing is used in cases of split hoofs, quarter cracks, corns, dry, brittle or contracted feet, thrush, founder, scratches, and all diseases of horses' feet.

Price, per quart can; weight, 2 pounds..... 27c

TRANSMISSION GREASES

A High Quality Grease.

No. 30H3455 This grease is known the world over as the best grease for automobile use. We cannot use the manufacturers' name for the reason that we are selling it at a greatly reduced price; the same grease is sold under its regular brand name at 25 cents a pound. Water will not mix with this grease and it remains in the same consistency summer or winter; it never gets hard nor gums. Less power is required to run the gears and there is almost no wear when this grease is used. Furnished in No. 1 consistency, no heavier grease should be used. Guarantee on every can.

5-pound pail, per pound..... 16c
10-pound pail, per pound..... 14c
25-pound pail, per pound..... 13c

A Good Quality Grease.

No. 30H3456 For use in transmissions of automobiles in the sliding gear and planetary type; also used for lubricating differential gears. We are selling this grease for about one-half what is usually charged for a similar grade.

	5-lb. Can, per Lb.	10-lb. Can, per Lb.	25-lb. Can, per Lb.
No. 1. For winter use..	11c	9c	7c

No Noise Tranamission Grease.

No. 30H3457 If the transmission or differential gears of your car are somewhat worn, causing them to make considerable noise, then give our No Noise Grease a trial. This grease will not make new gears for you, but it will stop the noise to a great extent. Its peculiar properties have the effect of deadening gear noises and at the same time lubricate as well as any of our other greases.

6-pound pail, per pound..... 17c
12-pound pail, per pound..... 15c
30-pound pail, per pound..... 14c

Sponge or Fiber Transmission Grease.

This grease is rapidly taking the place of all soft transmission greases on account of its peculiar properties and excellent lubricating qualities. The grease is of a spongy nature and this makes it adhere perfectly to the gears and it will not work out of the transmission or differential gear cases. Use this grease and experience the minimum amount of waste and at the same time get a grease that is of a fibrous nature throughout. We claim it is the best grease of its kind ever produced. Nearly all automobile manufacturers recommend the use of fiber transmission grease, and there are grease manufacturers and dealers who are selling the very same kind of grease that we are here offering at very much higher prices. They may use fancy names and fancy labels, but they cannot give you a better grease. Furnished in three sizes as the following exceptionally low prices:

No. 30H3461

COMPARE THE QUALITY

FURNITURE

COMPARE THE PRICE

ONE HUNDRED FURNITURE FACTORIES. The immense quantity of furniture we sell and the steadily increasing volume of business has enabled us to take almost the entire output of more than one hundred furniture factories, the largest and most favorably known and best makers of reliable, dependable furniture. In most cases we have a factory located near your town, which means a very small freight charge and hence a saving to you which should be considered in making your selection and comparing our furniture with that offered by any other dealer.

QUALITY. The dependable quality of our furniture is so firmly established that we ask you to order any article you may select, place it beside any other article of same design at anywhere near our price and if you do not find the article you purchase from us better made, better finished and worth from 25 to 40 per cent more than the other, you may return it to us and we will return the purchase price, together with the transportation charges.

IF YOU PAY MORE than our price for furniture similar in design and the equal in quality, the additional amount represents the profits you are giving to the jobber, commission salesman and retail merchant through whose hands it has passed.

LOOK

ONLY **98c** EACH

No. 1H21 Price, each, 98c

If every customer knew the quality of these wood seat chairs as we know it, there would not be the slightest chance for any other dealer to sell him an inferior quality at a much higher price. You will be immensely pleased with the quality long after you have forgotten the very low price you pay us for this excellent chair.

SPECIAL FEATURES. **THE WOOD** is thoroughly seasoned Northern elm in the popular golden oak high gloss finish. **THE BACK** has broad, beautifully designed top and lower panel with seven smooth turned spindles. Height of backs from seat, 24 inches; entire height of chair, 41 inches. **SEAT,** wide and comfortable, size 16x16 inches, made of three-ply built-up veneer stock with layers placed transversely, the best improved method of wood seat construction. Back posts attached to seat and reinforced with braces. Securely packed and shipped from Chicago. Shipping weight, each, about 10 pounds.

Our Price

ONLY **$1.05** EACH

No. 1H20 Price, each, $1.05

This is a big bargain. $1.00 does the work of $1.50. In other words, no one can furnish you as good a wood seat dining chair for less than $1.50 to $1.60. Ask the price of six chairs like these in your nearest furniture store. You will quickly see that at our price of $1.05 each we are saving you at least $3.00. This is a strong, well made and well finished chair.

SPECIAL FEATURES. The material is thoroughly seasoned. It is made of hardwood in a perfect imitation of quartered oak, high gloss golden finish which so closely resembles genuine quartered oak that it requires an expert to tell the difference. The seat is saddle shaped, size 16x17 inches. Broad curved top panel. Wide shaped center panel. Strong, fancy turned posts. Height of back from seat, 22½ inches. Entire height, 39 inches. Shipping weight, about 11 pounds each. Shipped from Chicago.

We Ask

ONLY **$1.28** EACH

No. 1H30 Price, each, $1.28

The quality is unquestioned, the style speaks for itself. We want you to notice carefully every detail of the design, the shape of the back panels, the posts, the size of the seat; a full standard size chair. The posts, legs, seats and cross stretchers cut from stock of ample size to insure positive strength and the most durable wearing qualities.

SPECIAL FEATURES. Made of seasoned Northern elm, high gloss golden oak finish. **CURVED SHAPED BACK** with broad handsomely decorated panels. Wide center panel and fancy shaped lower panel. **SEAT** made of three-ply built-up veneer stock, laid transversely, insures the greatest strength and can't break or split. Size seat, 17½x17½ inches. **BACK POSTS** fancy turned, securely braced to seat. Height of back, 22 inches; entire height, 40 inches. **BASE** constructed of heavy stock, turned front posts and cross stretchers. Securely packed and shipped from Chicago. Shipping weight, each, about 11 pounds.

Morris Chairs and Rockers

SOLID COMFORT — BIG MONEY SAVING VALUES

No Home Is Complete

Without a Morris chair or a Morris rocker. The roomy seat, broad high reclining back and wide arms make the ideal chair for genuine comfort. There is a big difference in the upholstery and frame construction of Morris chairs and Morris rockers, and it is this difference in the design, material and construction of our Morris chairs and Morris rockers that counts in the years of satisfactory service.

Our Morris Chairs and Rockers

Are adapted for use in the parlor, living room or library. They embody the latest and best ideas in style and construction.

How They Are Made.

The frames are made of heavy stock, the wood thoroughly seasoned. They are mortised, glued and fastened in the best dependable and workmanlike manner, which insures a substantial and lasting wearing quality. Surfaces are sanded smooth, the carvings carefully cut, and the wood filler and varnish are of the high standard of quality that insures a clear color and finish that does not become dull with age. The springs are one of the most essential parts. The seat of each piece is made with the best guaranteed indestructible high carbon steel springs, securely fastened at the top and attached to steel crosa supports at the bottom.

The Reclining Adjustable Back

Has the best ratchet attachment for raising o lowering the back to every comfortable positior The cushions are made with a full width edge accurately cut and firmly stitched, which insure a uniformity of thickness, softness and elasticit and improves the appearance and preserves th shape. The covering materials you will find c much better quality than is used by the averag dealer, selected for splendid wearing qualities an attractive appearance. Fully described on pag 636.

What We Save You.

You will make a clear saving of at least one-third, com paring style for style and quality for quality, with a Morris chairs and Morris rockers offered by other dealer We save you all the middlemen's profits.

This Peerless Reclining Rocker

ONLY $6.35

One of the most popular, most comfortable and most serviceable reclining chairs made. The frame is made of thoroughly seasoned hardwood, imitation quartered oak, high gloss golden finish. You will find this reclining rocker constructed in the same workmanlike manner as the other chairs and rockers on this page. A strong, substantial and rigid frame construction that will give years of service. It has a spring seat and back upholstered in good quality velour, or with a good quality imitation leather and stuffed with a fine quality of flax fiber and clean new cotton. The seat is attached to the platform base by heavy steel rods in such a manner that it gives the perfectly smooth swinging motion. The back is adjustable to several different angles by a strong rod and ratchet attachment. The foot rest is shown extended in illustration; when not in use can be folded or pushed under the seat of chair out of sight and does not in any way interfere with the use of the chair. This combination makes the most comfortable reclining chair and is indispensable as an invalid chair. This reclining chair should be compared with those offered at retail stores at $9.00 to $10.00. Shipped securely crated from our factory in Western New York. Shipping weight, 70 pounds.

Look! This Davis Automatic Morris Chair

FOR $11.95

Instantly adjusted automatically to any position without moving from the chair. In simplicity of operation and genuine comfort it cannot be excelled. The spring device beneath the seat allows it to slide backward and forward easily without the slightest jar or noise, no rods or ratchets being used to its construction. The frame is made of thoroughly seasoned quarter sawed oak, golden finish, highly polished. Every post and bar, joint and tenon perfectly framed and fitted; the best that skilled workmanship can produce. The deep, broad, roomy seat is 21½ inches wide by 23 inches deep, supported by high carbon Bessemer steel coil springs. The shapely curved, deep hand tufted back is 29 inches high by 21½ inches wide and can be adjusted to any reclining position with the automatic attachment, by a slight pressure on the back and without moving from the chair. A special feature is the upholstered foot rest which slides beneath and behind the upholstered hinged box front of the seat. Spanish fiber and cotton filling, covered in velour, dark green or dark red color, fabrikoid in black color or genuine No. 1 black leather, as desired. Shipped from Chicago. Shipping weight, about 80 pounds.

MISSION FURNITURE

We would like to show every customer interested in Mission furniture these splendid values on our sample floor. We would like to show you the thoroughly seasoned, carefully selected wood, the smoothly sanded surfaces and the reliable and workmanlike manner in which every piece is made throughout. This style of furniture has become immensely popular, and you will find it highly recommended by all prominent architects as well as by the Arts and Crafts Societies.

We would like to call your special attention to the Early English finish used on these pieces, which is obtained by special treatment and the use of preservative stains, producing a rich dark brown effect which will not scratch or mar readily and does not become blurred or dull by change of temperature.

You will be proud of the quality long after the exceedingly low price is forgotten, for every piece shown on this page will make a splendid addition to the modern well furnished home.

A BIG VALUE

Solid oak.

Early English finish.

Table top, 24x38 inches; 2-inch legs.

Seats, 18x20 inches.

Full spring seats.

Wide arms

Back, 24 inches high from seat.

Our price saves you at least $4.00.

Best knockdown construction.

Shipped from Chicago.

A special feature is the knockdown construction used in the building of each of these pieces. The chair seats and table legs are securely fastened at the corners by heavy thumb bolts, and can be easily put together without the use of tools. This method of construction insures the greatest strength and durable wearing qualities, and permits the shipping of each piece in a small package, reduces the freight charges almost one-half, and removes the liability to damage in handling. The chair and rocker have full box frame seats. The front posts of the chair and rocker and the four table legs are cut from stock 2 inches square, which insures a perfectly rigid frame construction. **Read what we say at top of this page about Early English finish.** The table top, seats and backs of chair and rocker are covered with good quality imitation Spanish leather of dark brown color. The edge of table top and the outer edges of upholstering in rocker and chair have large oxidized brass nails.

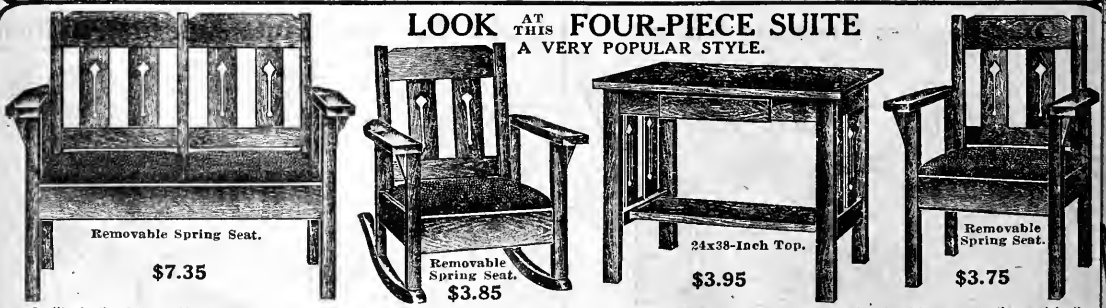
LOOK AT THIS FOUR-PIECE SUITE

A VERY POPULAR STYLE.



Quality is the first consideration in Mission furniture. Each piece of this Mission Library Suite you will find strictly dependable in quality. In fact, you will find every detail of construction fully up to the standard of the best makers of Mission furniture. Frames made of solid oak with the popular Early English finish which is a rich deep brown color, harmonizing with all surroundings.

SOFA is 45 inches long, has full box frame removable spring seat, size 38x17 inches. It is 38 inches high from the floor. Front posts are cut from 1x2-inch stock and the arms are wide and comfortable, measuring 3½ inches across the front. Is upholstered in a good quality of imitation leather, brown color, or in Spanish leather, brown color. **THE ROCKER AND ARM CHAIR** are generous in size and exceptionally comfortable. Height from floor to top of back, 36 inches. The full box frame removable spring seats are 20 inches wide between the arms and 17½ inches deep. Covered with good quality of imitation leather, brown color, or in genuine Spanish leather in brown color. Extra wide arms, 3½ inches across the front. **THE LIBRARY TABLE** is 38 inches long and 24 inches wide. It has a wide box rim 3½ inches deep. The legs are 1¾ inches square, cut from the same size stock as the chairs and are fastened to the top with metal thumbscrews on the inner side. Broad lower shelf and roomy drawer.

We call your special attention to the best modern knockdown construction used in these four pieces, each piece made in four sections, consisting of back, seat and two sides. Fastened together at the corners with heavy thumb bolts from the inner side and can be quickly put together by anyone. The table consists of a top section, two end sections and a lower shelf. The legs are fastened to the top by thumb bolts from the inner side. This style of construction is without exception the strongest and most durable made and permits shipment in a small package and insures safe delivery by the transportation company.

You will find it the best value ever offered by any firm. Securely packed and shipped from Chicago.

KITCHEN CUPBOARDS

The More You Compare the Quality and Price the Better We Shall Be Pleased

OUR KITCHEN CUPBOARDS

Every customer will quickly recognize the big money saving values we offer on this page in kitchen cupboards. Whether you want the plain kitchen safe or the large roomy cupboard, you can be suited by a selection from this page. We have been able to constantly improve the quality and reduce the price. We are able to furnish our customers greater values than were ever offered before, much better goods than can be secured from other dealers and all at prices from one-third to one-half less than goods of equal quality sold in regular furniture stores. You will find every kitchen cupboard we furnish to be made of better material, better constructed and fitted, better finished, more lasting and in every way more satisfactory than those made by the average factory and sold by the average dealer.

The wood in every cupboard is thoroughly seasoned, and will not warp nor shrink. The doors, drawers, panels and other parts are carefully framed and fitted by skilled workmen and the best modern machinery.

WE ASK ONLY $9.95 FOR THIS KITCHEN CUPBOARD

No. 1H510 Price.....$9.95

No. 1H510 Kitchen Cupboard made of carefully selected, thoroughly air seasoned and kiln dried stock, high gloss and golden finish. The entire front is made of oak, the sides of Northern elm, the two woods best adapted for kitchen cupboard construction. It stands 90 inches high, 43 inches wide; the base is 17 inches deep and the top section 14 inches deep. For convenience in handling and shipping and to provide a roomy platform on the base, it is made in two sections. **The top section** is fitted with two doors with extra thick glass panels. Inside has two spacious shelves for dishes. **The base** has two roomy drawers for linen and cutlery and a spacious cupboard with double doors below. Ornamented with neatly designed scroll carvings. The material, construction and finish of this splendid kitchen cupboard are strictly dependable throughout. The doors, drawers and panels are carefully framed and fitted, every post and piece constructed in a workmanlike manner. You will find this cupboard, as well as every other cupboard on this page, made of better material, better construction and better finish than is generally sold by other dealers. Securely packed and shipped from factory in Central Ohio. Shipping weight, 175 pounds.

No. 1H501 This Kitchen Safe is made of thoroughly seasoned Northern hardwood, high gloss golden finish. Height, 60 inches; width, 32 inches; depth, 16 inches, outside measurements. The double doors have perforated tin panels, below which is a convenient drawer. Inside has removable shelf. Made with the best knockdown construction, allowing it to be packed securely in a small flat package to insure safe delivery and the lowest possible freight charges. You will find every kitchen cupboard on this page better in material, workmanship and finish than similar cupboards generally offered by others at one-third to one-half more than the price we ask. Shipped from factory in Indiana. Shipping weight, 100 pounds.

One of Our Kitchen Cabinets does for the woman and the kitchen what modern machinery and labor saving devices do for the bread winners of the family.

THE KITCHEN is the workshop of the home. In it system is a valuable asset, as well as in the office, the store and the factory. Our kitchen cabinets hold in a convenient and practical way all the materials and utensils used in cooking. In fact, any one of these cabinets is a kitchen in itself, yet occupying no more floor space than a kitchen table, making the cooking easy, sanitary and economical, and assuring the best results. The hours of drudgery will be turned into minutes of pleasure with the convenience of one of these cabinets.

THE MATERIAL used in the construction of our kitchen cabinets is thoroughly air seasoned and kiln dried hardwood throughout, except the platform of the base, which is made of white wood for ease in cleaning. We absolutely guarantee every cabinet against warping, checking or shrinking. We use no "culls." Every piece of lumber is carefully selected and guaranteed free from all defects.

CONSTRUCTION. The doors are perfectly fitted; the drawers and bins run smoothly without friction. The same high grade workmanship is used in the lowest priced as in the highest priced cabinet. The bins and drawers are so constructed that they can be easily taken out and cleaned, which is not the case with most cabinets made by other manufacturers. Each cabinet is fitted with one or two sliding removable kneading and chopping boards, both sides smooth and even, which can be taken out and placed on top of the table for convenience in using.

THE BASE OF OUR KITCHEN CABINETS without the top section make a highly satisfactory, convenient and useful cabinet by itself. The flour, sugar and meal bins, the linen and cutlery drawers, pot and pan cupboards, and the removable kneading and chopping board, together with the roomy basswood top, will be fully appreciated by every housekeeper.

FINISH. All wood is full of small pores and, though thoroughly seasoned and kiln dried, will absorb moisture if not properly finished. In each of our kitchen cabinets special care is used to fill these pores with the best quality of mineral wood filler which closes the pores of the wood and prevents absorption of moisture. Over this wood filler several coatings of the best high grade varnish are used. It is a beautiful color and will resist the change in temperature and steam in the kitchen.

TRIMMINGS. The hinges, fasteners, locks and knobs are strong, reliable and durable.

PACKING. Every kitchen cabinet is firmly and securely crated for shipment. We absolutely guarantee every cabinet to arrive at your home in the same perfect condition in which it leaves the factory.

Compact, Capacious and Convenient

THE WILSON KITCHEN CABINETS

Sanitary, Cleanable and Durable

THE FINEST KITCHEN CABINETS MADE, REGARDLESS OF NAME, MAKE OR PRICE.

The Satin Walnut used in the construction of these splendid kitchen cabinets is a thoroughly air seasoned and kiln dried Northern hardwood, specially adapted to kitchen cabinet construction, possessing perfect strength, solidity and a beautiful grain. The so called "satin walnut finish" offered by many other dealers is but a poor imitation of the genuine satin walnut used in our Wilson Kitchen Cabinets. It is a coarser, softer wood and does not possess the perfect wearing qualities and handsome close grain of genuine satin walnut. The genuine satin walnut used in our Wilson Kitchen Cabinets is specially selected from the choicest lumber, thoroughly tested; will not warp, check or split and will hold its color.

Finish. The Wilson finish absolutely prevents the absorption of moisture by closing the pores of the wood with a special mineral wood filler. Over the wood filler the best high grade varnish is used. It is a beautiful color with a rich high gloss golden brown effect.

LOOK FOR THIS LABEL

Attached to the front of every Wilson Kitchen Cabinet.

WILSON KITCHEN CABINET THE BEST

Tops of our kitchen cabinets are built to allow free and unobstructed use of the table top of the base. The doors, drawers and bins can all be opened without the removal of dishes and utensils from the table top. Each cabinet is so constructed that the top section can be detached from the base section for convenience and safety in handling and shipping.

Bases. In the various bases you will find many special features, such as roomy cupboard, large bins, package racks, spice and cereal cans, bread and cake boxes, all carefully constructed and easily operated, each of which will prove a boon to the housewife.

Flour Bins are placed in a positively dustproof enclosure. They are made entirely of wood, the bottoms of two-ply stock and laid transversely, a big improvement over metal bottoms, as they will not dent or corrode and flour will not mold in them. They can be easily removed for airing and cleaning. The sliding and tilting bins move smoothly without binding or friction. The Wilson Sifter Flour Bin is the most convenient, accessible and perfect bin ever made.

This Cabinet Only Satin Walnut. $13.95

Articles displayed are not included with the cabinet.

The convenient and practical arrangement of this splendid Kitchen Cabinet will be readily recognized. Built to save labor and time for the housekeeper who wants to do the kitchen work in the most orderly manner. It is made of satin walnut and stands 77 inches high. The base has a 27x44-inch top and is fitted with two large bins, one to hold 85 pounds of flour, the other partitioned for meal and sugar. Each bin can be readily taken out for cleaning and airing. Above bins are two roomy drawers for linen and cutlery. The two kneading and chopping boards can be easily removed and placed on top for convenience in using. Top section has a roomy china cabinet with glass paneled doors and spring fasteners. Below china compartment are two cupboards and two roomy shelves for packages, utensils and various commodities used in every kitchen. Bins, drawers and doors fitted with dull copper finish handles. Securely crated and shipped from factory in Grand Rapids, Mich. Shipping weight, 250 pounds.

No. 1H533 Price..... $13.95

We Can Prove

the superiority of our Wilson Kitchen Cabinets by inviting a comparison of these cabinets with any other cabinets, regardless of name, make or price. We have made a close and careful study of the manufacture of kitchen cabinets for many years; we are familiar with the product of every well known manufacturer of kitchen cabinets in the United States and do not hesitate to make the statement, which is backed up by our guarantee, that the Wilson Kitchen Cabinets haven't their equal in selection of material, detail of construction and finish, and if sold through the regular channels of trade, would retail at double the prices we ask.

A Very Popular Style

Satin Walnut.

Articles displayed are not included with the cabinet.

No. 1H532 Price..... $14.35

This Kitchen Cabinet is 48 inches long, 27 inches wide, and 33 inches high, which is 3 inches higher than the average cabinet, bringing the table surface on a more convenient working level. Top is covered with a metal known as nickeloid, with polished surface, and is drawn over the edges and fastened beneath, and will not wrinkle. The top is thus rendered perfectly smooth, sanitary, easily cleaned and very durable, and is without question the best metal top ever devised. The flour bin is the most perfect, convenient and sanitary device ever placed in a kitchen cabinet. Slides forward on adjusted guides and holds 50 pounds of flour. Bottom of the bin has metal flour sifter, made of heavily coated tin plate and can be easily detached. The cupboard door is fitted with two racks with cereal and spice cans. Kneading boards can be removed and placed on top of cabinet. A more convenient and higher grade cabinet than is generally offered in the regular channels of trade at $18.00 to $20.00. Shipped from our factory in Grand Rapids, Mich. Shipping weight, 200 pounds.

Metal Top Wilson Cabinet.

Satin Walnut.

Articles displayed not included with the cabinet.

This splendid Kitchen Cabinet is made of satin walnut, and has a base 27x42 inches, with a metal sliding extension top, covered with heavy sheet metal, known as nickeloid, with a polished surface, drawn tightly over the wood top, and securely fastened beneath the edges. The sliding top pulls out over the front of the base, enlarging the table surface to 38x42 inches. The sliding top when closed passes beneath the lower shelf at the bottom of the top section. Below is a roomy cupboard, two drawers above and a removable kneading board. Top section has china cabinet with glass panel doors, to the left of which is a Wilson sifter flour bin, airtight and dustproof and will hold 50 pounds of flour. The metal sifter is made of heavy tin plate, and has removable flour cup. The Wilson sifter bin preserves the flour in the cleanest and most wholesome condition, and is superior to any other sifter bin ever devised. Entire height of cabinet is 71 inches. Sanitary and labor saving. Shipped from factory in Grand Rapids, Mich. Shipping weight, 200 pounds.

No. 1H534 Price..... $15.35

This Solid Oak Wilson Cabinet, Only $17.85

Articles mentioned in description only furnished with cabinet.

Our very newest design Wilson Cabinet, made of oak, thoroughly seasoned and finished in the popular dull golden finish. The Wilson quality, combined with the low price that we ask makes this cabinet one of the greatest values we have ever been able to offer. Entire height, 74 inches. The top has two china cabinets with Venetian glass doors, size each 20x15 inches; each cabinet contains a shelf, a small cupboard between with Venetian glass door, two commodious drawers and two tilting bins, one of which can be used for sugar and one for salt. The shelf between the two tilting bins is fitted with canisters for spices, tea and coffee, as shown in the illustration. The base has an extra large unobstructed top, size 46x26 inches, also a removable kneading and chopping board. The right side of the base is made with a tilting flour bin, which will hold 50 pounds of flour. In the center is a smaller tilting bin which is generally used for meal. The two drawers above the center bin are for kitchen utensils, and at the left is a roomy cupboard for cooking utensils. This cabinet has a stationary nickeloid top. It is exceptionally well proportioned and provides an extra amount of storage space most conveniently arranged for practical use. Our price of $17.85 means a saving of at least $10.00 to $12.00 to every customer who sends us an order for this cabinet. Shipped from factory in Indiana, securely crated. Shipping weight, 275 pounds.

OAK KITCHEN CABINET

All the practical labor saving and time saving devices are embodied in its construction. The handy cupboard, convenient, accessible drawers, the large patent removable tilting flour bin, the roomy china cabinet, the rack on the cupboard door with spice cans, the tilting sugar bin, the recipe and card rack, the bread and cake drawer with metal lid will appeal to every busy, tired, overworked housewife. Made of seasoned oak, a dull golden finish. Entire height, 73 inches; width, 42 inches; depth, 26 inches.

There is a big difference in kitchen cabinet construction. It is this difference that will count in the perfect satisfaction which one of our cabinets will give throughout the years of daily use.

THE TOP.

Top section fitted to the table top of the base in such a manner as to give a free and unobstructed working surface. Each drawer and compartment can be opened without removing dishes or utensils from the table top. Flour bin placed on the left hand side of the top. It is airtight, dustproof and holds 50 pounds of flour, which can be put in by tilting the bin forward. The flour passes out through the patent metal sifter at the bottom into a bowl or pan. The flour bin and the sifter can both be taken out for airing and cleaning. Flour in the bin is always preserved in the most sanitary and wholesome condition. China cabinet has double doors with glass panels. Below the china cabinet is a tilting, removable sugar bin and two small drawers for cutlery. Swinging door on the left is fitted on the inside with a rack for recipes, grocery list, etc.

THE BASE.

Table top of the base made of white basswood with a working surface 26x42 inches. We also furnish the base with a nickeloid metal top with a highly polished surface, which is drawn tightly over the wood top and securely fastened beneath the edges. Easily cleaned and always sanitary. Below is a removable kneading and chopping board, which can be taken out and placed on the top for convenience in using. Inside the large cupboard door is a rack with six spice cans, below which is a rack for small packages, etc. Large drawer at the bottom is built for bread and cake and has a metal top. Two drawers above are for linen and cutlery. Every drawer, bin and door is carefully fitted and easily operated.

Shipped from factory near Chicago. Shipping weight, 265 pounds.

REFRIGERATORS

ODORLESS, CLEANABLE, DURABLE

THE CASE.

The outside case of our refrigerator is made of the very best quality of oak, Northern ash or elm, as mentioned in the description of each refrigerator, the three best woods for outer case refrigerator construction, specially selected and thoroughly air seasoned and kiln dried and absolutely guaranteed not to warp, crack, check nor shrink. The inner wood section of the case is made of seasoned hardwood selected for its perfect adaptation to a cold temperature.

HOW THEY ARE BUILT.

Each section of the wall is a perfect non-conductor of heat or cold, making it absolutely impossible for heat to penetrate or cold to escape. Each wall is made with an outside wood section, a thick sheet of mineral felt, a dry air space, another sheet of mineral felt, a section of wood and the metal lining. Note especially that two sections of mineral felt are used in the walls of our refrigerators and read what we say about mineral felt at top of page 575. Each wood section is framed and fitted in the most perfect manner. The tongue and groove joining is used, instead of miter joints, making it absolutely impossible for the joint to break loose. The galvanized steel lining and porcelain lining are fastened securely to the inner wood casing, covering it entirely and rendering it impossible for the water to come in contact with the wood in any part of the chambers. There are no cracks or crevices for the accumulation of dirt or impurities. The mineral felt is held in place against the wood section by strong cleats. Solidity, cleanliness and durability are combined with perfect sanitary and germproof inner chambers. A perfect dry cold air circulation and every degree of this coldness utilized in the perfect preservation of the food.

THE DRIP CUP.

Made of cast steel and is hinged to the bottom of the refrigerator and held in place beneath the drain pipe. The water fills the cup and overflows into the pan below. The lower end of the drain pipe is immersed in the water in the cup and prevents air from the outside entering the refrigerator through the drain pipe.

OUR PORCELAIN LINING.

The porcelain lining used in the provision chamber of the four refrigerators shown on this page is made of 16-gauge steel. The walls have rounded corners. There are no cracks or crevices to catch and hold any food that may be spilled. The inner surface of the chamber has a pure white porcelain finish. Many other makers use plates of porcelain steel and fasten them with screws with open joints at all the corners, which makes an uneven, rough surface which catches food particles and makes it hard to keep the food chamber clean and sweet. **Our porcelain lined food chamber is the strongest, most durable and most easily cleaned of all food chamber linings.**

MINERAL FELT is absolutely the most perfect insulator for refrigerators. It cannot settle in the walls, leaving the ice chamber unprotected, nor can it sift through the inner walls, soiling the provision chamber, as does mineral wool or charcoal. It is a combination of mineral wool, asbestos and hair felt, compressed and "felted" into thick sheets, making a perfect insulator not only for the walls of the refrigerator, but the door and lid as well, which cannot be done with a filling in the lump or powdered form, such as mineral wool or charcoal. This is a very important feature, as the door or front of the refrigerator, being always exposed, requires the same insulation as the side walls of the case.

THE ICE CHAMBER. The ice rests on a removable rack. The water from the slowly melting ice drops into the bottom of the chamber and flows into the waste pipe and fills the automatic drip cup. The end of the pipe is always immersed in the water in the cup. The water overflows the sides of the cup into the pan beneath. No foul air can enter the ice chamber through the waste pipe. Nothing should be placed around or near the ice, except milk, cream, water etc., in corked bottles. Do not wrap the ice in paper or cloths of any kind.

THE FOOD CHAMBER. All our refrigerators, except the porcelain lined ones, have the top, sides and bottom of the provision compartment lined with the best quality galvanized steel. The shelves are made of steel wire tinned and fills the automatic drip cup. The end of the pipe is finish, with plenty of open space between them through which the cold air currents pass freely downward and upward. Shelves made by most manufacturers have small perforated holes in the solid shelf, thereby impeding the circulation of the air and often stopping the circulation entirely when the food or food plates cover the holes.

THE COLD DRY AIR. The air inside of our refrigerators is not damp and lifeless, but intensely cold, absolutely dry and constantly moving in duplex currents from the ice downward, passing and repassing in and through the food chamber, carrying all the impurities upward, depositing them on the ice, which, in melting, sends them out of the refrigerator through the sanitary drain pipe from which there can be no backward flow of moisture nor odor. All within is clean, sweet and pure.

THE SAVING OF ICE. A refrigerator that wastes ice is dear at any price, no matter how cheap the first cost may be. We have given the question of insulation and ice saving careful study. In a comparative test made with several refrigerators made by other manufacturers our refrigerators produced a lower temperature with an equal amount of ice under the same conditions, proving in a practical way that our refrigerator is without question the best and most scientific in its insulation and ice saving properties. In other words, you will find that a 50-pound cake of ice in our refrigerator will last as long as a 75-pound cake in the ordinary refrigerator.

THE ICE CAPACITY. A cake of ice out the exact dimensions of the ice chamber will weigh the full number of pounds given in the description of each of our refrigerators. We recommend the selection of a refrigerator with an ice capacity large enough to hold not only the amount of ice you may wish to use, but to accommodate the unmelted portion of the previous cake, as well as milk bottle, water bottle and other products generally placed beside the ice. For example, a refrigerator to accommodate a 50-pound cake of ice and the small unmelted part of the previous cake should have a capacity of at least 65 pounds.

Ice Chest $3.98

Made in three different sizes, all built with a thick outer case of seasoned Northern elm, golden finish. The inner walls are built in the same perfect manner as the refrigerators and are economical in the use of ice. They are lined with a good quality galvanized steel and have galvanized steel shelves and wood rack. Equipped with drain pipe and drip cup. While ice chests do not have the cold dry air circulation like our refrigerators, yet they are excellent preservers of food and will give satisfaction. We recommend the purchase of one of our high grade refrigerators because of the greater convenience in handling the food and ice, the cold dry air circulation which keeps the provision chambers perfectly dry, always cold, and will preserve the food better with less consumption of ice. Securely crated and shipped from factory near Grand Rapids, Mich.

COMPARE OUR GOODS. COMPARE OUR PRICES.

EXTENSION TABLES

WE WANT YOU TO BE THE JUDGE OF THE QUALITY AND THE PRICE.

OUR EXTENSION TABLES.

There is no furniture in the modern home that is more satisfactory than a good dining room extension table. Whether you want a table designed and constructed on plain lines or one that is markedly distinctive in design you will find it on these pages. The large assortment represents the newest and most popular designs of today.

WE OFFER YOU THE SAME ADVANTAGE

of selection that you can find in any of the largest furniture stores in the cities, with the added convenience of making your selection in your own home. It is impossible by illustration to bring out every detail of design, construction and finish, yet by a careful reading of the description and a close examination of the illustrations, which are made from photographs, you will form a correct idea of each extension table.

WE SELL

twenty-five thousand extension tables yearly. THERE IS A REASON. We have given the manufacture of extension tables close attention and study with the one purpose of giving our customers in every table that we offer a thoroughly reliable and dependable article, more attractive in design, made of better material and constructed in a more workmanlike manner than extension tables of similar design generally offered by the average dealer, and at a price that means a big saving to our customers.

LOOK AT OUR PRICES.

If you pay more than the price we ask to any other dealer for any extension table similar in design and of equal quality, the additional amount, which in every case is at least one-third more, represents the profit you are giving to the jobber, the commission man, the wholesale and the retail merchant through whose hands it has passed and each of whom has made a good profit. We contract direct with the manufacturer for thousands of each table at a price far below the regular prices to the average dealer, who can buy only in small quantities. Our price is based on the actual factory cost of the material and labor entering into the construction of the table, to which we add but a small margin of profit.

$1.19

No. 1H600 This Kitchen Table is made of hardwood with basswood top and hardwood legs. Drawer for spoons, knives, forks, etc. It is strongly constructed and has bolted leg fasteners. It can be taken apart for shipping, to reduce the freight charges. This table is built for service and will not get shaky nor break apart. Size of top, 27x42 inches. Shipped from Chicago. Weight, about 30 pounds.

Price..... $1.19

SOLID OAK $7.95

WE SAVE YOU AT LEAST $3.00.

CARVED CLAW FEET.

This small illustration shows this table extended without the leaves in place.

NON-DIVIDING CENTER PILLAR.

No. 1H640 Price, 6-foot length, only $7.95.

This Claw Foot Center Pillar Extension Table is made of seasoned oak, high gloss golden finish. The perfectly round top is 42 inches in diameter and has wide box rim and extends to 6 feet in length. The large non-dividing center pedestal is 8 inches thick at the widest point. Note the large shapely curved legs with deep and smooth carved claw feet. This extension table is well made throughout. The material thoroughly seasoned and the finish a clear golden color which brings out the grain of the wood perfectly. The leaves are carefully fitted into each other with dowel pins. Each table is furnished with a set of good quality casters. This table is a splendid value at our price, $7.95. We do not offer it as a $15.00 extension table for $7.95, but you will find it made of better material, stronger and more durable in construction and more dependable in finish than any table of similar design generally offered by others at $11.00 to $12.00. Each table is securely crated, the top and legs in a separate crate, to insure safe delivery by the transportation company, and shipped direct from factory in East or Chicago, the point nearest to your railroad station, thereby insuring the lowest possible freight charges. Shipping weight, 110 pounds.

THE OAK

used in the tops, legs and leaves of our extension tables is thoroughly seasoned and kiln dried. The slides are made of seasoned Northern hardwood. The workmanship in our extension tables is reliable and dependable. They are made in factories equipped with the latest improved machinery, operated by experienced workmen, and you will find each table of the standard quality of any table of similar design offered for sale by the largest and most reputable dealers. They are built for durability and strength. The legs and pedestals, securely framed and fastened to the top, are easily detached for convenience in handling and shipping. The finish is the popular golden color in the high gloss or polished surface, as mentioned in the description of each table.

TABLE TOPS.

All of our plain oak tables have solid tops. Our quartered oak tables have solid quartered oak or quartered oak veneered tops, as mentioned in each description. When the top is veneered a more uniform grain of the wood is obtained and is a method of construction used by the best makers of high grade tables.

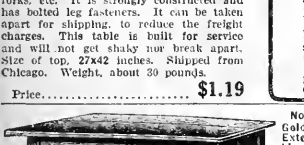
THE LEAVES.

The leaves of our extension tables are made of plain oak, golden finish, but not as highly finished as the tops. This is a rule adopted by all manufacturers for the reason that when they are in use they are covered with a tablecloth.

$3.35

No. 1H603 This is one of the most desirable and necessary articles of furniture and one that is convenient for general use. Not an extension table, but the leaves may be dropped so that the table will take up little space when not in use. It is made of solid oak, golden finish. The top is 39 inches wide by 48 inches long when opened for use. Casters are not furnished with this table. Shipped from factory in East or Chicago. Shipping weight, about 70 pounds.

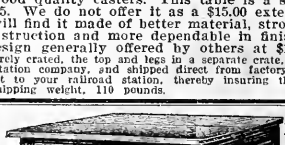
Price..... $3.35



$3.95

No. 1H608 Golden Oak Extension Table, substantially built and well finished. The legs are fastened with iron bolts at the corners. Construction unusually strong and the table perfectly firm and solid. The top closed is 32 x 42 inches and can be extended to 5 feet in length. Complete with casters. Size, 5 feet only. Shipped from factory in East or Chicago. Shipping weight, about 85 pounds.

Price..... $3.95



$4.75

NEWEST STYLES OF DEPENDABLE QUALITY

SIDEBOARDS

A BIG SAVING TO OUR CUSTOMERS

SIX REASONS

WHY YOU SHOULD BUY ONE OF OUR SIDEBOARDS FOR YOUR DINING ROOM.

1—They are the choicest and best up to date designs.
2—Every piece of wood in them is thoroughly seasoned.
3—The cabinet construction throughout, from the lowest to the highest priced sideboard, is built by skilled workmen with the latest and best time and labor saving machinery.
4—Each sideboard is rigidly inspected before it is packed for shipment.
5—There is no guessing about the quality. We know it and back it by our binding guarantee.
6—Style for style and quality for quality, we save you at least one-third in price.

We are proud of the styles; they speak for themselves. The more you compare the quality and the price, the better we shall be pleased.

HOW THEY ARE MADE

You will quickly recognize high quality of the oak used in all our Sideboards; how carefully the drawers are fitted, no binding, but perfectly smooth running. You will note the workmanship, manner of construction in the end panels, corner posts, standards and back panels of each one. You will find the mirrors of good quality thick French bevel plate, and the carvings smoothly cut. There is a big difference in the construction and finish of sideboards, and it is this difference that counts in the years of satisfactory service which one of our sideboards will give. They are built for constant daily use year after year.

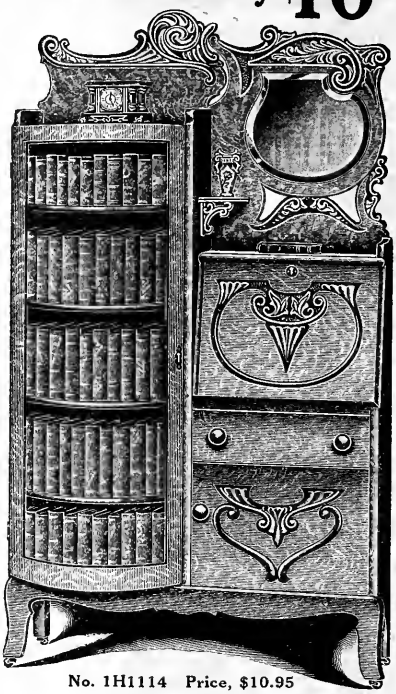
COMBINATION BOOKCASES

THE LATEST STYLES. QUALITY GUARANTEED.

Do you want to preserve your books and have a convenient place for writing material? Very few articles of furniture are of more importance in the home than a combination bookcase and writing desk, because of the great convenience which they afford on account of the space they occupy being much less than can be had in two separate pieces of furniture affording the same convenience for books and writing material. The great popularity of this piece of furniture is fully established and great care should be used in its selection as to style, convenience of arrangement and quality of material, workmanship and finish.

Figure C—This illustration shows the pigeonhole case with drawer used on the inside of desk of Combination Bookcase No. 1H1102, shown on this page.

Our PRICE Only $10.95



No. 1H1114 Price, $10.95

This Combination Bookcase and Writing Desk is made of oak; high gloss golden finish. The entire front and top section is made of quarter sawed oak. Bookcase is 72 inches high by 38 inches wide and has a pattern shaped mirror, French bevel plate, size 12x12 inches. Writing desk fitted with pigeonhole case, as shown in illustration, figure D, at top of page, for writing paper and other stationery. Below the writing desk is an imitation drawer and a roomy cupboard for papers and periodicals. Left hand side of the case is arranged for books. Bent glass door made of clear thick stock, firmly set into the rigid and well fitting frame. Door and desk lid are fitted with locks and keys.

Shipped from factory in Rockford, Ill. Shipping weight, 135 pounds.

A BIG SAVING TO OUR CUSTOMERS.

If every customer knew the quality of our Combination Bookcases as we know it, there would not be the slightest chance to sell him a similar style and inferior quality at a much higher price. The wood used in our combination bookcases is thoroughly seasoned. The raw lumber stands for from fifteen to twenty months on the "stick" in the yards and before being made up is placed in a steam heated dry kiln, which removes all moisture from the pores and insures against warping or shrinking.

THE FINISH. **The combination bookcases made of oak are finished in the popular golden color,** which brings out the grain of the wood perfectly. The combination bookcases made of birch are finished in a perfect imitation of mahogany. We use French bevel plate mirrors with a smooth ground bevel edge.

Figure D—This illustration shows the pigeonhole case with drawer used on the inside of desk of Combination Bookcases No. 1H1114, No. 1H1116, No. 1H1118, No. 1H1120 and No. 1H1125, illustrated on this page.

HIGHEST QUALITY

SECTIONAL BOOKCASES

ONE-THIRD SAVED

This illustration shows a top section, book section and base section exposing inside construction. Door is raised and pushed half way back into a position on four ball bearings.

Whether your collection of books is large or small, this Sectional Bookcase is easily adapted to your needs. No unfilled shelves and no surplus of books. Highest quality of construction. Specially selected wood of the choicest grain and the finest polished finish. Absolutely non-binding doors. The door of each section is easily reached and slides back over top of books on four ball bearings. The end of each section is fitted with ornamental metal plates of adjoining section and lock sections together in perfect vertical alignment. The sidewise and vertical expanse of your library bookcase is limited only by wall space of your room. Each bookcase section furnished in two different depths and five different heights. **Length outside, 34 inches.**

TIME SAVERS

FILING CABINETS

MONEY SAVERS

Our Filing Cabinets are time savers, labor savers and money savers. A place for everything and everything in its place about your office. They are the most popular and most practical designs. Perfectly adapted to general use. They prevent unnecessary worry and waste of time. Doctors, dentists, lawyers, clergymen, merchants, insurance men, real estate men and manufacturers, whether your business is large or small, you cannot afford to be without these modern, up to date devices.

Each of the pieces illustrated below is made of thoroughly seasoned wood, constructed in the strictly workmanlike and reliable manner throughout. The framework of outside cabinets, as well as the drawer fronts, drawer sides and drawer bottoms, are built solid, not skeleton construction, and will stand the severest test of daily use.

ROLLER BEARINGS. The drawers in the large four-drawer cabinets move on roller bearings, one pair beneath each drawer, the extension slides on continuous axles set in grooves to insure perfect alignment, and with the least possible friction. The extension slides support drawers and enable them to be extended to their full length. Each drawer fitted with two alphabetical index cards and twenty-five numerical vertical guides made of tough thick cardboard. Each drawer has a capacity of 1,200 letters. The numerical filing system has proven the most practical, whether correspondence is large or small.

The Card Cabinets, Wall Rack, Stationery Rack and Letter Tray are built to use with the large filing cabinets. They are convenient to handle and their wonderful utility is quickly recognized. Each cabinet drawer will accommodate about 1,400 light weight, or 1,000 medium weight cards, including the index. You will find every cabinet we offer, style for style and quality for quality, means a saving of at least one-third of the price you will be asked by others. Each cabinet securely packed, and shipped from Chicago.
